My Alphabet Toddler Coloring Book with the Learning Bugs

From the albatross to the zebra finch, Mrs. Peanuckle pulls out her binoculars and introduces toddlers to 26 species of birds from all around the world. Described by a single interesting fact or defining characteristic, each bird proves to be as unique and surprising as the one before. Ever wonder why flamingoes are pink? It's all those shrimp they eat. Are there birds that can fly backward? Yes, but hummingbirds are the only ones! With colorful, dynamic art, and attention-grabbing text, Mrs. Peanuckle's birds fly off the page, and in some cases, into the parks and backyards of the children and adults reading this book. Mrs. Peanuckle's Bird Alphabet is the fifth title in a series of board books celebrating the joy of nature at home and in the backyard, from fresh fruits and vegetables to birds, bugs, and trees.

Toddler Lesson Plans - Learning ABC's

A is for Ability, B is for Belief, C is for Class. All people have the right to be treated fairly, no matter who they are, what they look like, or where they come from. An ABC of Equality introduces complicated concepts surrounding social justice to the youngest of children. From A to Z, simple explanations accompanied by engaging artwork teach children about the world we live in and how to navigate our way through it. Each right-hand page includes a brightly decorated letter with the word it stands for and an encouraging slogan. On the left, a colorful illustration and bite-size text sum up the concept. Cheerful people from a range of backgrounds, ethnicities, and abilities lead the way through the alphabet. L is for LGBTQIA. Find the words that make you, you. N is for No. No means no. P is for Privilege. Be aware of your advantages. X is for Xenophobia. Ask questions and you'll see there's nothing to be afraid of. Celebrate your Differences, ask more Questions, share your Kindness, and learn to Understand the world.

Little Ernie's ABC's

Parents, get set for some precious forever memories with your child. Not only will your child love to color this adorably cute kids coloring book on their own but we have specially designed the pages to give you both plenty of fun teaching and learning opportunities where you can interact together. They will love these unforgettable moments with you! If you only buy one toddler coloring book, make sure it's this one! I'm Mark and together with my partner Jane we came up with the concept of The Learning Bugs, the fun characters who appear regularly throughout the book. Giggles the ladybug, Squiggles the caterpillar and Zapp the bee are not only entertaining but they engage and ask questions and give your child interesting facts. As parents ourselves we couldn't find a coloring book for young children that we were completely happy with so we decided to create our own. We then conducted research with over 500 fellow parents who helped shape the book you can purchase today. Welcome to the magical world of The Learning Bugs where kids play and have fun while learning at the same time. This will help them throughout their life as they build the habit of being inquisitive and asking questions. Why Buy This Book? Talented artists have hand-drawn unique illustrations that are beautiful but simple, cute and fun. Good value - we made sure to have plenty of pages (over 100). Illustrations are on one side only so you can tear them out to frame and keep. No issues with markers bleeding through the page and ruining an image underneath. Thick black lines for toddlers to try keep within the lines. Each page is a large 8.5 inches by 11 inches and printed on bright white paper. A book for toddlers but with some more advanced elements so the book can be kept for years. Your child will likely

treasure this book for years to come. Our fun characters, the Learning Bugs, engage your child while being educational. Helps teach your kids that learning is enjoyable and not a chore. This book will help start to prepare them for school. Teaches the alphabet, they learn the letters and words beginning with that letter. We also have games where they can spot things in the drawing. We also have educational facts about the objects in the lovely drawings. Another game is how many things can you spot - to help with counting. This early learning activity book is aimed at boys and girls aged from 2 to 4 years old (especially toddlers, preschoolers, pre-k and kindergarten kids) but it is suitable for any child up to 6 who loves coloring. We have gone 'above and beyond' to create something special which we are very proud of. This lovingly created ABC coloring book is one you can come back to time and time again. We hope you enjoy this toddler coloring book and be sure to look out for more Learning Bugs books which your child can progress with as they grow. Mark, Jane and Giggles, Squiggles and Zapp (The Learning Bugs)!

ABC Construction

High design, brilliant graphics, essential learning skills—these features distinguish the TouchThinkLearn titles, presenting knowledge in a new dimension. Xavier Deneux applies the same unique vision that informed TouchThink-Learn: ABC to this year's most innovative counting book. Die-cut numerals and shapes stimulate understanding of essential concepts, inviting youngest readers to engage in a meaningful and tangible hands-on experience of numbers by tracing figures and shapes to coordinate concepts and images.

The GayBCs

A New York Times Bestseller! A "raucous trip through the odd corners of our alphabet." —The New York Times Let's get real—the English language is bizarre. A might be for apple, but it's also for aisle and aeons. Why does the word "gnat" start with a G but the word "knot" doesn't start with an N? It doesn't always make sense, but don't let these rule-breaking silent letters defeat you! This whimsical, funky book from Raj Haldar (aka rapper Lushlife) turns the traditional idea of an alphabet book on its head, poking fun at the most mischievous words in the English language and demonstrating how to pronounce them. Fun and informative for word nerds of all ages!
