### King of Frost

Jerrek Valsys was quite literally cursed. In life and in love. With no wife to see him through those long lonely nights and no way to help tame the beast that currently resides inside him, he'd spent years waiting on his mate with a glowing rock to show up. Seriously. He had. Because the prophecy told him so. But when his beast comes out and finds its mate, he may have to forget about that whole prophecy thing. Even if it means he has to give up his crown as the Fae King. Kaia Cutestone's life sucks. She has a job with no future and lives with her dead-beat, soul-sucking brother. The only good things in her life are her friends Jen and Avery. It's too bad the three of them have just been kidnapped with fairy dust. Yes. Tinkerbelle type fairy dust. All Kaia has going for her at this point is that she just ran into the most gorgeous man she's ever seen. He's smoking hot, a little dark and dangerous, and she can't stop thinking about him naked. Thanks to her love of shifter romance novels, Kaia might be the only person on the planet who can help Jerrek tame his beast and keep him from killing more people. Kaia may not have a glowing rock but she sure is rocking an old ugly necklace. But is that enough to get her a happily ever after and help find her friends? Reader Note: \*\*This is the start of a fun, action-packed and smokin' hot new trilogy. If you're a fan of fae, elves, and all fantasy creatures, pick this one up. Shifter lovers, never fear, Milly's got a sexy alpha ready for you.\*\*

### Between Dawn and Dusk

A half demon on the run. An Elemental Fae with broken magic. Together they could end a war or bring both sides down in flames. Nigel wants no part in his demon mother's war against the Fae. Hoping to cash in on a favor and hide out until it's over, he ventures deep into the forest in search of the Faerie Queen's son. Lost and frustrated, he encounters an Elemental who he hopes will help him. Dawn has two days to get her fire magic under control before she will be tested for the

Conclave. This once-in-a-millennia competition will pit the most powerful Elementals against each other in a tournament to determine who will earn the title of Guardian of the Elementals. Nigel makes a deal with Dawn. He'll help her get her fire magic back if she leads him to the Fae Court. But the last thing Dawn should be doing is bringing a demon to a secret Fae ritual. If Nigel learns the true power of the Fae, he could use that knowledge against them. As sparks fly between Dawn and Nigel, the two must decide where their loyalties lie and what price they are willing to pay for falling in love with the enemy.

## **Spindle Fire**

My fated mate is a lethal fae king. And I'm going to kill him. Ever since the Court of Flames banished me, I've managed to hide my true nature--Chosen One of the Fire Fae, destined to save us all. Truth is, I'm not that impressive. I've spent my banishment hunting demons for fun and slinging drinks at Potions & Pastilles. But then the lethally sexy king of the Court of Ice finds me. He's been hunting me for years and wants to claim me as his fated mate. But it gets darker. He plans to sacrifice me to save his dying kingdom. One touch changes everything though, because I'm the only one who can warm him. I'm going to use that to my advantage and convince him to return with me to the Court that banished me years ago. There, I will kill him before he kills me. But I'm playing with fire, because I'm not sure if I can I resist him long enough to change my fate.

## **Of Fire and Ash**

When Lysander the King of Frost and I united our powers against Xerxes the Fire King, something unexpected happened--we became bonded mates. A catastrophe, considering that Lysander is promised to another High Fae in exchange for military support in the upcoming war. The stakes--if Lysander loses his allies and therefore the war, Xerxes will turn the human realm into hell on Earth, before he takes over all the other realms. This means that our bond is forbidden, cursed, a tragedy. I'm trying to kill it, but seeing Lysander every day, royal and deadly, moving around like a sleek feral, it's driving me crazy with forbidden desire. I should leave his Court, take distance, but I can't, because Xerxes is after me. So when an alternative presents itself, I grab on to it with both hands. It's dark, and bloody, but it might just save the world. This means that I have to tap into the dark powers of a more obscure side of my bloodline. Problem is, these powers might kill me. This is Book 2 of the Fae of Darkness series.

## **Fae Curse**

Over a millennium ago, Erna, a seismically active yet beautiful world was settled by colonists from far-distant Earth. But the

seemingly habitable planet was fraught with perils no one could have foretold. The colonists found themselves caught in a desperate battle for survival against the fae, a terrifying natural force with the power to prey upon the human mind itself, drawing forth a person's worst nightmare images or most treasured dreams and indiscriminately giving them life. Twelve centuries after fate first stranded the colonists on Erna, mankind has achieved an uneasy stalemate, and human sorcerers manipulate the fae for their own profit, little realizing that demonic forces which feed upon such efforts are rapidly gaining in strength. Now, as the hordes of the dark fae multiply, four people—Priest, Adept, Apprentice, and Sorcerer—are about to be drawn inexorably together for a mission which will force them to confront an evil beyond their imagining, in a conflict which will put not only their own lives but the very fate of humankind in jeopardy. From the Trade Paperback edition.

## **A Court of Mist and Fury**

Fate decreed that my mate would be Tarron, King of the Seelie Fae. He's gorgeous, arrogant, and for the longest time, I hated him. Until I didn't. As soon as I start to fall for him, fate meddles again. Apparently, I'm fated to kill Tarron. To make matters worse, our Fae courts are at war. My mother is trying to destroy his kingdom. She's hunting down Eternal Fire to destroy his realm, and I have to help stop her. As we race to save his kingdom, I fall harder and harder for Tarron. He's impossible to resist. But I don't tell him the dark secret that will tear us apart--my destiny to kill him. Twisting fate to my own ends is the only way my love will survive. The question is can I?

## **Fire and Ice**

My name is Nudd. I'm a trickster or at least I used to be. All pookas are tricksters, just as all banshees are harbingers of death. It's what we do. Only I got tired of playing tricks on humans and decided to stop. Worse, when that snarky banshee, Aednat, came to me with a bloody shirt and demanded I help her solve a human murder, I let her talk me into it. Big mistake. Next thing I know, we're both summoned before the Fairie Queen herself, and given an incredible task: find and break the curse that binds the fae to their traditional roles in relation to the humans. In short, give the fae a destiny all their own. Impossible, right? Well, someone in the shadows doesn't think so and will do anything to stop us. Not to mention I've also angered the Norns just by existing. Seems I bring a touch of chaos to their orderly universe. On a scale of one to ten, how doomed are we? Assuming we stay alive long enough, can we fulfill our mission? Without killing each other, I mean. Frankly, I like the odds, but then I have more than a touch of chaos in my soul. Why not join the fun?

I'm a dangerous fae. I'll stab you with one hand while I apply mascara with the other. Every member of the royal guard has a unique power and mine is skill with the blade. So, when my Queen hears of a new plot against the crown, I'm her top choice for a spy. A little adventure sounds like fun to me, even though I have to play nice to get the information we need. Problem is our biggest suspect is Lugh: a cocky, sexy, powerful King I'd rather stab than seduce. But as I grow closer to finding the truth deep within the Edinburgh streets, a strange dangerous magic draws me to Lugh. When his skin touches mine, I feel alive. And it makes one thing achingly clear. Lugh might be plotting to destroy my Court. But he might also be my mate. The one an old prophecy claims I'm destined to kill. Confessions of a Dangerous Fae is the first book in a trilogy.

### **Heart of the Fae**

I have a knack for getting myself into some bad situations. But waking up partially dead in the Court of Death takes the cake. It's small consolation that my fated mate Tarron is at my side, since it means that he's mostly dead too. To make matters worse, the false queen who plans to destroy both our kingdoms is still alive and regaining her strength. We must work together to return from the dead and stop her from killing thousands--including my sister. Escaping the Court of Death means completing a series of dangerous challenges. When we learn that only one of us can return to earth, true escape becomes impossible.

I thought he was crazy from hypothermia. Turns out, he wasn't, and for some reason he keeps coming back. But a day in my world is a year in his. Every time I see him, he's older. Wiser. Hotter. Over the past six years, I've tried not to fall in love with him because the terms of the curse are clear: If he doesn't wait for his fated mate in all ways, including an innocent (or not-so-innocent) kiss, he'll be blind forever. So when Kirian kisses me and pulls me through the portal to his realm, I make it my mission to do some damage control. It'd be a whole lot easier if he wasn't determined to marry me. And if someone wasn't trying to murder me every step of the way.

Beauty and the Beast meets Irish Mythology in this sweeping retelling of the beloved fairytale.

## **Curse of the Fae Queen**

One promise can change everything. The fairies must never know of Nelay's sight, for the attention of such dark and terrible creatures brings more things dark and terrible. But when Nelay's father is near death, the fairies are the only ones who can save him. All they require is a simple promise that she'll return the favor one day. Some promises are lethal.

## **A Court of Thorns and Roses**

### **Evermore Academy**

I always thought if I had magical powers, life would be cake. Wrong. My fated mate is the enemy of my kind, I have days to figure out how to keep him from literally going up in smoke, and at any moment one of my magic's surges will shock my heart and strike me down. If I don't learn how to control my mage abilities pronto, I'm dead. I thought that portalling to hang with other mages would solve things, and I'd find some rad crone-like chick to help me train all epic style. But it seems I've landed myself, my best friend, and my doomed fated mate in a hidden kingdom where my kind are enslaved for eternity. Not awesome. This is not the training I was hoping for. And with every day we're away from the cursed castle, Lucus and his brothers weaken further. If I don't get us the heck out of this super creepy British fae kingdom, all of us-the 16th century guys and us modern gals-are history. Grab the second book in the Yew Queen series today for a steamy read that's perfect for fans of CN Crawford, Linsey Hall, and Laura Thalassa!
