ACCA F4 Corporate and Business Law (Global)

ACCA Paper P4, Advanced Financial Management

ACCA Paper P4 - Advanced Financial Management Practice and Revision Kit

The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. The new ACCA syllabus for paper P4 is about the practical application of financial theory to problems that managers face, such as investment appraisal, funding policies, risk management, growth, organic or through mergers and acquisitions and dividend policy. The paper also covers crucial issues such as corporate governance and ethical and environmental aspects of financial policy. The BPP text provides a comprehensive

treatment of the new ACCA syllabus for P4 and addresses all learning outcomes and the higher skills to be assessed in the professional examination in an integrated and practical way. The material, despite the technical nature of certain areas, follows a practical, common sense approach with plenty of case studies and real life business examples. The key points of each topic are summarised in a chapter roundup and tested in a diagnostic quiz at the end of each chapter. A question bank at the end of the book provides practice on exam style questions. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.

Corporate Finance and Valuation

A concise introduction to financial risk management strategies, policies, and techniques. This ideal guide for business professionals focuses on strategic and management issues associated with financial risk. *Essentials of Financial Risk Management* identifies risk-mitigation policies and strategies; suggestions for determining an organization's risk tolerance; and sources of risk associated with currency exchange rates, interest rates, credit exposure, commodity prices, and other related events. Examples illustrate risk scenarios and offer tips on an array of management alternatives, including changes in the way business is conducted and hedging strategies involving derivatives.

Finance and Accounting for Business

This is a unique book that details the formulae and tables related to Actuarial Principles and Practice, Economics, Financial Management, Financial Risk Management, International Finance, Investment Banking and Financial Services, Management Accounting, P

Hong Kong Company Law

Corporate finance is a key subject within business, but one that often presents a real challenge to those coming to grips with it for the first time. Often teachers too find it a challenging subject to put across in a practically relevant way whilst at the same time ensuring that the 'mathematics gap' between the capabilities of the student and the demands of theory are effectively bridged. *Corporate Finance and Valuation* is designed to overcome these challenges by presenting the subject in the simplest way possible and by connecting vital principles with vivid practical examples. *Corporate Finance and Valuation* offers a practical managerial perspective on the subject. The three themes of value, return and risk are developed and form a unifying thread throughout the book. Practical tools and techniques for identifying and solving financial problems in the real world are presented. For every practical finance problem, from estimating a company's cost of capital through to the valuation of its intangible assets, *Corporate Finance and Valuation* places emphasis on how the job can be done using readily available tools and freely available data.

ACCA Paper P4 - Advanced Financial Management Study Text

Banish creative block with inspirational words from Hockney, Pollock and more. Creative people are curious, flexible, persistent, and independent with a tremendous spirit of adventure and a love of play. Matisse Use this essential guide to crack artistic algorithms and improve, sustain and nurture your creativity. Brief Lessons in Creativity presents a rich variety of artistic methods and solutions for you to try, and is packed with inspiration and practical takeaways. Stay curious like Rauschenburg by reading, researching and immersing yourself in the world. Repeat and revisit with Cézanne to try things differently and collect and remix with Duchamp and Bacon. Appreciate the importance of solitude and space with Bourgeois and improvise freely with Van Gogh and Miró. With every chapter, learn how to create your best work and embrace a new sense of playfulness.

Formulae And Tables

Covering the major topic areas the market would expect at this level, this book does not patronise but instead allows the reader to develop their knowledge of the subject from the basis of their own experience. The text is replete with examples drawn from real cases.

ACCA F9 Financial Management

Introduction -- Actus reus -- Mens rea -- Interaction of actus reus and mens rea -- Murder -- Manslaughter -- Non-fatal offences against the person -- Sexual offences -- Property offences -- Fraud -- General inchoate offences -- Parties to crime -- Denials of an offence -- General defences

Acca - P4 Advanced Financial Management

This reference work provides the reader with an up-to-date and extensive overview of the vast amount of primary law relating to judicial review. This important area of law concerns the High Court's function as a watchdog over the decision-making process of public bodies in England and Wales, for example government agencies and public authorities. The handbook is structured around 50 principles which are, in turn, supported and expanded by commentary, cases and supplementary material.
