Aqa As Accounting Unit 1 - Introduction to Financial Accounting

Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers. There are three sections to each guide: Introduction - includes advice on how to use the guide, an explanation of the skills being tested by the assessment objectives, an outline of the unit or module and, depending on the unit, suggestions for how to revise effectively and

prepare for the examination questions. Content Guidance - provides an examiner's overview of the module's key terms and concepts and identifies opportunities to exhibit the skills required by the unit. It is designed to help students to structure their revision and make them aware of the concepts they need to understand the exam and how they might analyse and evaluate topics. Question and Answers - sample questions and with graded answers which have been carefully written to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses, giving students an insight into the mind of the examiner.

Accounting and Auditing Research

Cambridge Checkpoints study guides, provide the most up-to-date exam preparation and revision available for VCE students.

An essential aid to lesson planning and teaching, these resources provide a wealth of differentiated material designed to make teaching both foundation and higher tier students much easier.

Cfm Review

DT These highly successful revision guides have been brought right up-to-date for the new A Level specifications introduced in September 2000. DT Oxford Revision Guides are highly effective for both individual revision and classroom summary work. The unique visual format makes the key concepts and processes, and the links between them, easier to memorize. DT Students will save valuable revision time by using these notes instead of condensing their own. DT In fact, many students are choosing to buy their own copies so that they can colour code or highlight them as they might do with their own revision notes.

Wiley CIAexcel Exam Review 2015 Focus Notes, Part 3

This book is intended as a quick reference revision guide for AQA AS Accounting Unit 1: Introduction to Financial Accounting. It's particularly aimed at the written questions, which students often struggle on, but account for about 20-25% of the exam. It also contains appendices of important formats and definitions. Topics covered are - purposes of accounting, double-entry book-keeping, the trial balance, control accounts, suspense accounts, bank reconciliations, accruals and prepayments, bad debts, depreciation, income statement, balance sheet. Appendices include - layouts for income statement, balance sheets, bank reconciliations, source documents diagram, key definitions. Although mainly aimed at the AQA A Level syllabus it will also have relevance for other students on other accounting courses pre-A level, post-16 or degree level. People at work who want to know more about the finance function may also find it useful.
