The meditations of St. Ignatius or, The "Spiritual Exercises" Expounded

The book re-evaluates the so-called autobiography of Ignatius Loyola (ca. 1491-1556) against the backgrounds of the spiritual geography of Luke's New Testament writings and the culture of Renaissance humanism. The analysis focuses on the language Ignatius used when dictating the text, the events he chose to include or exclude, and the cultures that helped to shape his spiritual emphases.

A Pilgrim's Journey

?

Saint Ignatius Loyola

From the day Paul Mariani arrives at Eastern Point Retreat House to take part in the five-hundred-year-old Spiritual Exercises of St. Ignatius, he realizes that his expectations and assumptions about who he is, what he knows, and what he believes are about to change radically. In this profound memoir Mariani blends a brief life of St. Ignatius and meditations on the life of Jesus with the day-to-day unfolding of thirty days of silence at the retreat house. His journey of introspection, self-revelation, and spiritual renewal

leads him to a new understanding of his relationship with God and of what it truly means to put others before oneself.

A Companion to Ignatius of Loyola

Inner Compass

File Type PDF Alone And On Foot Ignatius Of Loyola

This volume places Loyola's life, his writings, and spirituality in a broader context of important late medieval and early modern movements and processes that have been appreciated too little by historians who explored Ignatius more as the colossal icon of the so-called Counterreformation than as a man influenced by the dramatic and revolutionary period in which he lived.

Lives of the Leaders of the Church Universal, from Ignatius to the Present Time

NOW AVAILABLE IN SPANISH AS *La aventura ignaciana!* Third Place, Prayers & Spirituality category ACP Excellence in Publishing Awards, 2012 There is no better guide than St. Ignatius Loyola if one desires to discover how faith and everyday life can thrive together. In *The Ignatian Adventure*, Kevin O'Brien, SJ, follows St. Ignatius's lead and offers today's time-strapped individual a unique way of "making" the Spiritual Exercises in daily life. The first part of O'Brien's book provides helpful background information, including a brief history of St. Ignatius, an explanation of the Spiritual Exercises and their purpose, and a description of different ways to make the Exercises. The book's core offers 32 weeks of prayer and meditations to draw participants into a deeper encounter with God. But what truly sets this book apart from other 19th annotations is how O'Brien has woven throughout the chapters his own personal accounts of living out the Exercises in everyday life. Through his deeply moving stories, readers discover how the Exercises intersect with the real world. *The Ignatian Adventure* is an ideal resource for spiritual directors, but its user-friendly,

down-to-earth style also makes it perfect for any individual seeking a deeper life of prayer.

Thoughts of St. Ignatius Loyola for Every Day of the Year

The Way to Manresa

The Epistles of St. Clement of Rome and St. Ignatius of Antioch

10th Anniversary Edition Whatever path you're on, God is there to guide you . . . Anyone seeking to deepen his or her relationship with God will greatly benefit from Inner Compass, Margaret Silf's dynamic presentation of the profound insights of St. Ignatius of Loyola's Spiritual Exercises. While reflective, the work exudes a congenial, practical outlook and a thoroughly modern sensibility. As Silf points out, the book "grew out of questions rather than certainty, discovery rather than doctrine, the experience of everyday living rather than academic study." This tenth-anniversary edition of the acclaimed Inner Compass features a new introduction and personal invitation to the reader, plus a significantly expanded resource section. Devoted followers of Ignatian spirituality and spiritual seekers alike will find that wherever life has led them, Inner Compass offers renewed direction and purpose and helps them recognize the will of God within their own hearts.

The Ignatian Adventure

Manresa: or The spiritual exercises of st. Ignatius

Accompany Brendan McManus, on his “failed” pilgrimage to Manresa as he learns how to reinterpret the very human experience of failure from God’s perspective.

The Autobiography of St. Ignatius

Ignatius Loyola and the Early Jesuits

St. Ignatius of Loyola

St. Ignatius Loyola is one of the great shapers of the Catholic tradition. The Spanish soldier turned pilgrim for Christ bequeathed not only an extraordinary institutional legacy but also a distinctive spirituality that today nourishes men and women looking for ways to integrate faith and life. Informing Jesuit education, ministry, and training in communities around the world, Ignatian spirituality offers a practical vision-of engaged, responsible, discerning

File Type PDF Alone And On Foot Ignatius Of Loyola

men and women striving to find God in all things-that resonates in this age of transition. Drawn from the vast body of Ignatius's writings, these 365 maxims help everyone reflect on the presence of God in daily life. First compiled by the Jesuit scholar Gabriel Hevenesii in 1715 as *Scintillae Ignatianae*, these brief thoughts, supplications, prayers, directions, and other aphorisms were first published in an English translation in 1928 but have been unavailable in book form for many years. Organized into a daybook for contemplation, Ignatius's words serve as personal spiritual exercises. They touch on a range of topics, from affirmations of God's presence and Christ's love to practical advice for living a life of virtue in service to others. In this accessible gathering, anyone seeking a richer spiritual life will find words that inspire, challenge, enlighten, and transform.

FROM THE BOOK A little holiness and great health of body does more in the care of souls than great holiness and little health. Never put off till tomorrow what you can do today. "The sharper you are at noticing other people's failings, the more apt you will be to overlook your own." Go and set the whole world on fire. This wonderful habit of devotional calendars can only change us for the better and often offer soothing advice for each day of the year.

History of the Life and Institute of St. Ignatius de Loyola, Founder of the Society of Jesus

A Confederacy of Dunces

The Spiritual Exercises of St. Ignatius Loyola

In *A Journey with Jesus*, spiritual director Larry Warner guides us through the Spiritual Exercises of Saint Ignatius, similar to the way he's been leading people through them in person. Ignatius wanted to help everyone, no matter what age or stage of life, experience Jesus. Through prayers and Scripture readings that largely focus on the life of Christ, the Spiritual Exercises that have been so powerful and growth-inducing for so many, including Warner, can be a tool for transformation in you as well.

Ignatius Loyola

Journey with Jesus

Ignatius of Loyola

Ignatius of Loyola--knight and saint, mystic and ascetic, founder of the Society of Jesus (the Jesuits)--was one of the greatest figures in Western Christianity. This book, written by a psychiatrist-psychoanalyst who is also a Jesuit, is the first work to look behind the events, accounts, and documents of Ignatius' life and religious experience in order to enter and understand his inner world. W. W. Meissner writes compassionately about Ignatius' origins, early

File Type PDF Alone And On Foot Ignatius Of Loyola

development, conversion, years of prayer and penance, mystical teaching and career, and finally his efforts to found and direct the Society of Jesus. Dr. Meissner not only places Ignatius' life against the background of the radical religious, social, and political upheaval of the sixteenth century but goes beyond this to explore the psychic and psychodynamic inner processes that transformed the man into the saint. Dr. Meissner discusses, for example, Ignatius' ordeals of body and spirit during his career as a soldier, his conversion experience, the evolution of his personality after conversion, his relationships with women, his lifelong struggles to overcome his aggressive, narcissistic, and libidinal impulses, and the psychology and pathology of his mysticism. The complex personality of this great saint and the profundity of his personal and spiritual struggles bring into focus significant questions about the complex interplay between human motivations and needs on the one hand and religious experience and spiritual motivation on the other. The book is not only a biography of a much-revered figure of the Roman Catholic Church but a unique contribution to both psychoanalysis and religious history.

Ignatius of Loyola

Unlike other biographers who have studied Ignatius of Loyola, Father Tellechea lets the saint tell his own story through autobiographical and spiritual writings, correspondence, and his code of rules. Tellechea's intention is not to intrude upon but to reconstruct the age during which Ignatius lived and then to step back and let Ignatius tell his own story.

Fifty Years in Yorkville; Or, Annals of the Parish of St. Ignatius Loyola and St. Lawrence O'Toole

Alone and on Foot

This book is a concise and faithful abridgement of Solo y a pie (Alone and on Foot), the highly acclaimed biography of St Ignatius, written in Spanish by Jose Ignacio Tellechea Idigoras, a medieval scholar of international standing. The English translation, by Cornelius Michael Buckley SJ. was published by Loyola Press. Chicago in 1994, entitled Ignatius of Loyola, the Pilgrim Saint. Alone and on Foot is intended for the busy reader rather than the leisurely scholar. It omits many of the historical and psychological allusions that enrich the original in favor of a sharply defined profile

File Type PDF Alone And On Foot Ignatius Of Loyola

of Ignatius himself.

S. Ignatius. S. Polycarp

Saint Ignatius of Loyola was a man who saw above and beyond his century, a man of vision and calm hope, who could step comfortably into our era and the Church of our time and show us how to draw closer to Christ. Ignatius' autobiography spans eighteen very important years of this saint's 65-year life...from his wounding at Pamplona (1521) through his conversion, his university studies and his journey to Rome in order to place his followers and himself at the disposal of the Pope. These critical years reveal the incredible transformation and spiritual growth in the soul of a great saint and the events that helped to bring about that change in his life. This classic work merits a long life. Apart from providing a splendid translation of the saint's original text, Father Tylenda has included an informative commentary which enables the modern reader to grasp various allusions in the text-and to gain a better view of a saintly man baring his soul.
