Encounters with the Supernatural

In life, we all experience the good, the bad and sometimes, the ugly. It is easy to remain focused and confident during the good days but what about those times when there is uncertainty and it feels like life has kicked you in the gut and you are in need of a breakthrough? In life we experience things that aren't in our control, leaving us to wonder. Why me? Often times, it is during the dark days that we really discover our strength, purpose and worth. Sabrina, knows all too well just how unpredictable life can be. She is a small town girl who experienced the good, bad and ugly. Jeremiah 29:11 became her constant reminder that there was a greater plan and that it would all work out for her good. Just when she thought she couldn't cry another tear, walk another step or take another breath, hope was restored and life began to bloom again.

Amy Butler's Blossom

Let Your Spirit Blossom Blank Paperback Journal

The book is about learning the languages of various fields, beginning with mastering the three basics thinking, speaking, and writing. Mastering the three basics will lay the foundation for a life of abundance. A new definition of abundance embraces financial freedom, well-being, happiness, good relationships, and being fit and healthy. Learning the languages of various fields includes money, mind, health, and spirituality. In this book are strategies for creating financial freedom through asset investments, stocks, direct marketing, digital publishing, and business. All experiences and strategies recommended for implementation are shared. All the discussions and examples are easy to implement for the purpose of living a life of abundance.

The Illuminati Bible

Don't Avoid The Issue is an e-book about replacing negative emotions with positive affirmations in order to live a happier life. This book chronicles the tales of jealousy, anger, resentment, bitterness and joy.

52 Weeks

Success is measured not by the size of your brain, but rather by the size of your thinking. This intrigues a lot of people, and if you observe how people behave, you will have a clear understanding of what success really means. Time and time again, history and experience have proved that the degree of our general satisfaction and happiness is dependent on how we think. There is magic in thinking big! Positive thinking helps accomplish so much in our life, but unfortunately not everyone thinks that way. We are all products of our thinking that goes within and around us. There is an environment around us that exerts all sorts of forces on your thinking; some will push you up the ladder while others will pull you down. We have been told many times that opportunities to lead are no longer there; hence we should be content with who we are without having positive aspirations on leadership. The petty environment surrounding us also has its own narrative concerning our lives. It constantly tells us that whatever is destined will eventually happen and we have no control over it. Leaving your fate in the

hands of chance can potentially ruin your life and make you miserable. Therefore, before you start giving up your dreams of a finer home or giving a better life for your children, stand firm and resist resigning to fate. Do not lie down and wait to die. Success is worth every effort you expend, and every step you make pays a dividend. Even in an environment where competition is intense, you still can succeed as long as your thinking is in the positive quadrant of your mind frame. The basic concepts and principles that underlie the power of thinking big are drawn from the highest-pedigree sources and the finest thinking minds such as Emerson who said "Great men are those who see that thoughts rule the world." Milton who wrote in his book Paradise Lost, "The mind is its own place and in itself can make a heaven of hell or a hell of heaven." Shakespeare made an interesting observation about thinking which he summarized and said "There is nothing either good or bad except that thinking makes it so." Proof is everywhere that thinking big indeed works. When you look at the lives of people who you consider as big thinkers, you will be amazed at their winning success, happiness and achievements. This book will show you proven strategies from different life situations that will turn your life around.

Out of Reach

Layla, a Palestinian woman, witnesses the diaspora of her family during the war in Palestine in 1948. Torn between her culture and the western way of life, Layla chases a dream of love and independence. Her journey takes her around the world, ending with a dramatic love story with a Jewish American man. Out of Reach is a compelling story of an independent woman who learns the harsh lessons of her life through marriage, romance, loss and deceit.

Mind Games

The Little Book of Quotes by Women is an inspiring collection of 365 quotes from women who have appeared on U.S. postage stamps. They are activists, actors, athletes, artists, attorneys, authors, choreographers, comedians, dancers, designers, engineers, First Ladies, journalists, mothers, musicians, nurses, Olympians, painters, physicians, pilots, poets, publishers, Queens, scientists, senators, singers, wives, writers, and more. The women featured in this book all share one thing in common—they have indeed left their stamp on history. Their words of wisdom have been thematically arranged in twelve sections including "Beauty," "Courage," "Happiness," "Freedom," "Possibility," "Service," and "Strength." The Little Book of Quotes by Women features quotes from more than 100 women including Emily Dickinson, Pearl S. Buck, Helen Keller, Eleanor Roosevelt, Harriet Beecher Stowe, and more. These unforgettable quotes have stood the test of time and they can be used each and every day of the year as inspiring words to live by. Classic. Simple. Inspiration.

Power of Thinking Big

The Illuminati Bible is first, a work of philosophy of religion, ethics, metaphysics, etc. I have not drawn the features of human wretchedness. I cared much more about gnosiology, ontology and even epistemology of religion, spirituality, etc. I think God is Evil and Good together. My goal was not human misery even if it exists, but its cause. In 2011, I have published a book called the Bible of the Light, which I felt as being a vision upon faith in Divine Light, a belief of mine. In the coming years, I have more published at various publishers in United States, but also in Romania, other volumes of aphorisms such as, Illumination, The Sin, Paradise and Inferno, etc., volumes which have me complemented the vision upon the faith, understanding that this not comes only from outside, but especially from inside, as a result of the illumination of the soul. Therefore, I think that I have reached a certain level of illumination, thus "The Illuminati Bible" came as something of themselves that had to happen. I believe in God as a Universal Consciousness, both outside, and inside our souls. I have another vision upon religion, by understanding the evil equally necessary, as the good, in the knowledge process. What, I understand through the Illuminati is totally different from what others think, namely that would be a group of people who would lead mankind from the shadows, committing all sorts of abuses to maintain power. I only believe in true Illumination on that many of you might to it find in the pages of this book. Sorin Cerin

Paris Mafia Princess

In this inspirational work, beloved best-selling author Dr. Wayne W. Dyer shows you how to restore balance in your life by offering nine principles for realigning your thoughts so that they correspond to your highest desires. Imagine a balance scale with one end weighted down to the ground, and the other end - featuring the objects of your desires - sticking up precariously in the air. This scale is a measurement of your thoughts. To restore the same balance that characterizes everything in our universe, you have to take up the weighty thoughts so that they match up to your desires. The seasons reflect the overall harmony of life. For example, winter passes and the blossoms emerge. This is balanced by a need to have the trees rest, so autumn arrives on time and helps the trees ready themselves for another period of repose. This book is dedicated to the idea that we're a vital component of this creative process and have within ourselves the wherewithal to create all that we want if we recognize and revise out-of-balance thoughts.

A Fighter Pilot's Story

A quote for each of the fifty-two weeks by renowned spiritual icons of our world will lead you on an inspirational journey through your life as it currently is and will whisk you straight to your destiny! Your journey will be individual, exciting, meaningful, inspirational, and intuitive. The inspiring, tailored explanations contained in each quote analysis will leave you wondering where the adventure might take you next. Fifty-two mini journeys, when taken in succession, will lead to a larger transformative process. This unique process is designed to empower and encourage clarification of your individual truths,

gifts, and talents. The transformation will happen right before your eyes but will be so fun and fulfilling that you may want to do it again!

Poems and Letters to Don Brown

Award Finalist in the Self-Help: Journals & Quotes category of The USA "Best Books 2011" Awards, sponsored by USA Book News. The Little Book of Gratitude Quotes shares appreciation for the people, places, and events that shape and enrich our lives. Here is joy. Here is kindness. Here is inspiration to be inspired and to keep inspiring others. Give thanks. Give it freely. An uplifting collection of 365 quotes, this book encourages kindness, thankfulness, and being appreciative for what life offers. Thematically arranged in twelve sections that include "Compassion," "Forgiveness," "Kindness," "Success," and "Wisdom" the book includes a gratitude checklist and lots of food for thought. This is an accessible book that readers will pick up again and again to help find the right words for inspiration. Timeless, classic, and filled with grace, The Little Book of Gratitude Quotes is the perfect exchange of thanksgiving and praise. An accoutrement to both giving and receiving thanks, this charming tutorial is organized to show appreciation every day, year in and year out, to those who make a difference in our lives--and it celebrates our willingness to spread kind words. These quotes have stood the test of time and each can be used for inspiration, motivation, or encouragement. There's so much to be thankful for and this book is a jumping off point to begin the simple act of praise and thanksgiving. Make today a day of fellowship and good cheer.

Autobiography of an Unknown Jazz Trumpeter

Prisoner of the Mind - Spiritual Self-Improvement Personal Development We have the largest prison population in the world in America today, but how many men and women were locked up in their minds before they got to prison? Prisoner of the Mind by Jeff Hairston is much more than a self improvement book- it's a personal development tool that can help you overcome your fears and FINALLY live your life as God intended. "Prisoner of the Mind" by Jeff Hairston is a thought provoking book aimed at helping you find a spiritual balance in life and to break free of the prison of negative thoughts and emotions that your mind has created over the years. Jeff artfully guides you through the many aspects of life that plague our minds today intertwining important lessons with examples from his own life story. Fear is one of the most important emotions when experienced in the right way. It can help us in life threatening situations by keeping our mind on high alert. but what happens when fear comes into contact with the ego? That very same fear that is there to save you can also stop you from living a normal, healthy life -and in some cases even kill you! It's all about using the fear to your advantage and being consistent and persistent against it. Many of the issues plaguing our mind are created by past life events that are left

unresolved. "Prisoner of the Mind" asks the important spiritual questions and expertly tackles negative personal issues to help you better understand and overcome the prison that your own mind had created. Break free from the personal prison that your own mind created - order your copy of "Prisoner of the Mind" by Jeff Hairston today!

Nothing to Hold But Hope

From Tehran to Melbourne, a powerful memoir of survival. Scattered Pearls opens in pre-revolutionary Iran, where Sohila Zanjani grew up under the threat of violence, intimidation and control at the hands of her father. Resolving never to tread in the footsteps of her mother and her grandmother, both survivors of domestic abuse, Sohila tried to find a new life for herself on the other side of the world. But to her horror she discovered that living with her father had been gentle in comparison to the reality of her new married life. Spanning more than a hundred years, Scattered Pearls tells the true stories of Sohila, her mother and her grandmother, and the injustice and abuse meted out by the men in their lives. It is a story of cultural misogyny in both Iran and Australia, and of an ongoing search for a loving, equal relationship. Along the way the book provides a glimpse into the lives of 'ordinary' Iranians and the power of the Persian culture. It's also a confronting insight into what can go on behind closed doors - even in an 'advanced' society. But at its heart, Scattered Pearls is a story of resilience and personal growth, and of allowing the future to blossom in spite of the damage of the past. It is one of optimism, courage, and love and hope. This is the story of three women, but it carries with it the stories of an entire culture.

Stephen Curry

Totem animals. Arranged Marriage. A Willful Daughter. Perfect for fans of Cinder, The Star-Touched Queen, and The Bear and the Nightingale. *A Paranormal Romance reimagining of Beauty and the Beast*Blossom Frane is only weeks away from her transformation. On her eighteenth birthday, she'll find out her future branch of society and her totem, the animal form she'll be able to take at will for the rest of her life. Like her brothers, she's expected to be a brown bear of the religious branch known as Terra. In the Alderwood forests, Blossom's bear blood is a valuable asset. Any day now, a rival clan leader will step forward and offer her father a hefty bounty in exchange for her hand in marriage. Blossom can do nothing more than sit back and wait to be traded to the highest bidder. Determined to spend her last weeks exploring the Alderwood, Blossom sneaks away and manages to find Kaide Landel, a rising political star of the Pyro branch. Known for his violence and disregard for the religious teachings of the Terra branch, he's all wrong for the bear clan's prized daughter. But when the politician uses his wealth and influence to secure her hand, Blossom has no choice but to leave her family and marry him-if she lives that long."R.S. McCoy has knocked it out of the park with a splendid retelling of a classic fairy tale. Blossom is my kind of likable, strong-willed heroine." Vivienne Savage, USA Today Bestselling AuthorGenre: Paranormal

Romance/Fairytale Reimagining Length: Novel, 345 pages Series: Book One of The Alder Tales

What the Freak Did I Hit?

Amy Butler's Blossom magazine is a biannual collection of everything that inspires her: page after page of photographs from her travels to spiritual locales such as Morocco and Sedona; meditative articles from like-minded designers, artists, and life coaches; the signature designs and textiles that she creates from these inspirations; plus her ongoing exploration of positive and joyful living. Now available in print for the first time, this irresistible look-book compiles the first two issues of the magazine. Brimming with photographs, fashion, art, patterns, and written pieces that reflect Amy's unique philosophy of life and style, Blossom will capture the imagination of anyone in search of beauty and meaning.

Shattered Into Being

Tommy Ferguson intertwines the story of his life and what prepared him for the hard decisions that he would face after a tragic skydiving accident. His straightforward attitude and ability to laugh at his own situations brings out his unique humor and internal strength. "What the Freak Did I Hit?" tells of the people and the behind the scenes details that his helmet camera could not capture. Sit back and marvel in the tenacity of his everyday life and the compassion of those that meet him. Tommy's high energy is contagious and refreshing.

Yes I Can't

Good Mornings: Wake-Up Calls for Life

Through her transparent stories of childhood molestation and experience of intimate partner abuse, Fontella Moody inspires and empowers women to get in action, so they can create a fulfilling and happy life. She knows first-hand just how challenging it is to transform your life and shares the steps necessary to create a life of abundance, happiness and peace. This book gives you access to a world where you can let go of any shame, blame, or guilt that may be holding you back. You will have the secrets to developing your personal power and manifesting your dream life.

The Little Book of Quotes by Women

Don't Avoid the Issue

Personal tragedy and triumph, of getting lost and finding the internal compass - one's own North Star - to take responsibility for creating a life of value and purpose. It acknowledges that a lack of self-esteem and confidence is at the root of victimization - that taking responsibility for personal choice and action brings empowerment.

Life Goes On

A Powerful 35-day Devotional Geared Towards Giving You True Prosperity This devotional contains God's word packaged in thematic capsules to give your day the necessary boost for fulfillment. Many believers start their day without ever seeking the support of God's word. This is not the correct way for a true Christian to go through life. We should all begin our day with the one thing that God left for all of us, His word. Life has become so hectic and stressful that in order to truly live a Christian life, you need to tap into the word of God on a regular basis. This is the only way to stay tuned into God and be able to stay on the right path to Him. This daily devotional will make it easy for you to start your days off as God intended. By reading the following verse from the bible, you can see just how important this really is: "In the beginning was the Word, and the Word was with God, and the Word was God" (John 1:1) This devotional will help you develop a pattern that will set your life in motion towards many blessings. You need a daily catalyst, you need this daily devotional. "But he answered and said, it is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God" - Matt 4:4

A Withered Rose Can Bloom Again

The Art of Just Beingme!

() Yes I Can't is a complex love story that has many facets. Elizabeth bordered on the brink of mental breakdown because of the devastating encounters of her past. Without warning the love of her life entered into her existence, and things began to change. The task to become a normal person once again was arduous, but the great battle was won by and through the occurrence of many heartening realizations. When Elizabeth again found God, she began to blossom. It wasn't easy but she learned how to boost her own brand of fighting to overcome a potential mental collapse. This novel is not written to try and mimic the Holy Bible. Its contents will hopefully be an inspiring tool to further strengthen the Christian faith of the reader, and by encouraging the reading of the Bible, as the Holy Bible is the WORD OF ALMIGHTY GOD. I, the writer, have personally come to realize that no matter what plight one faces, there is absolutely no better book to read than the Holy Bible to become a new and better person. I believe the reading of the Holy Bible and seeking divine understanding is an unbeatable entity.

Being in Balance

Learn the Incredible Story of the Golden State Warriors' Basketball Superstar Stephen Curry! Read on your PC, Mac, smartphone, tablet or Kindle device. For a limited time, if you buy the print edition as a gift, you can keep the Kindle edition for yourself! An Amazon Best Seller, Stephen Curry: The Inspiring Story of One of Basketball's Sharpest Shooters, outlines the inspirational story of one of basketball's premier point guards, Stephen Curry. Stephen Curry has had an electrifying basketball career playing in the National Basketball Association. In this Stephen Curry biography, we will learn about how Steph became the star point guard that he is today. Starting first with his childhood and early life, we'll learn about Steph Curry prior to entering the NBA, his time in the NBA, along with his impact on the communities of Davidson College and Golden State. Steph Curry's success is not an accident. It is hard to believe that a player who once was overlooked at every point in his career has made himself such an impactful and influential player to the game of basketball today. Steph Curry has transformed the Golden State Warriors franchise from a lottery-bound team to a perennial contender, spearheading the Warriors to a 2015 and 2017 NBA Championship over LeBron James and the Cleveland Cavaliers. Following an MVP season with extraordinary numbers in the 2015-2016 NBA season, Curry became the first player in league history to be a unanimous MVP. The future is bright for young Curry as he works to lead the Warriors alongside stars Klay Thompson, Draymond Green, and Kevin Durant. Make sure to purchase a copy of this book today, as it's updated through the 2016-2017 NBA season! Here is a preview of what is inside this book: Early Life and Childhood High School Years of Steph Curry Steph's Davidson College Years Curry's NBA Career 2009 NBA Draft Rookie Season Sophomore Season Injury-Plagued Third Year in NBA Rise to Stardom 2013-14 Season Steph's Selection to the 2014 All-Star Game 2014-15 Offseason and Early Season The 2015 All-Star Weekend Best Record in the NBA The MVP 2015 NBA Playoffs The 2015 Offseason 2015-2016 Season - Being the Best The Arrival of KD, Return to the Top of the Mountain Steph Curry's Personal Life Impact on Basketball and Beyond Steph Curry's Legacy An excerpt from the book: We were all taught that children inherit the

genes of their parents. Their physical appearance and sometimes even their disease history become part of who we are. Most of the time, we also copy their attitudes and mannerisms. In the case of Wardell Stephen "Steph" Curry, one cannot help but wonder if he also inherited the shooting touch of his father, Dell Curry. An NBA pundit said that great shooters are not made, they are born. The same can be said about Stephen Curry, to some degree. His father, Dell Curry, was always a great shooter. Dell tallied a total of 1,245 three-pointers in an NBA career that spanned a decade and a half. Steph obviously got a lot of his shooting abilities from the genetics that his father passed on to him. However, the younger Curry is not all genetics. He has taken what his father gave him and raised it to a whole new level because of his insane work ethic. In a sense, Steph is a shooter who was born to be made. Democracy and Decency

A must-read for music lovers and musicians alike, "Autobiography of a Jazz Trumpeter" is the story of Tracey D. Hooker and his journey from the innocence of his boyhood home in rural Vermont to becoming a Grammy Award winning trumpeter, music teacher and bandleader. Travel with him around the world during his 22-year career as a trumpeter with the U.S. Navy Music Program experiencing adventure, camaraderie, friendships and insights that develop as a part of the triumphs and failures in his life. Become part of "the gig" when, as Hooker describes it, "At some point in the evening the process of reciprocity begins to develop. Shared energy between the audience and the performers becomes evident. Your lover, your companion, your mistress is the music you've dedicated your life to. With the etudes, scales, the countless hours of practice, you can finally express your emancipated soul in total freedom." Music is transformative and Hooker describes from the inside out how one unknown trumpeter found healing through a life as a jazz musician.

The Vengeance Game: Believe in Evil

Two things can happen through grief: we can become comfortable with it, allowing it to become an unwanted companion, or we can let hope rise. The latter is anything but easy; it's a journey. In Nothing to Hold but Hope, Jennifer Kostick takes us through her real life struggle of pain, telling us the story of her fifteen-year battle through miscarriage, stillbirth, and secondary infertility. She invites us to walk with her through the desert of grief while searching for hope. Throughout each step, Jennifer paints a candid portrait of what the battle of grief looks like, while providing encouragement for the weary heart along the way.

Blossom and the Beast

True crime stories provide the foundation of this prison memoir. Bill Dyer was robbed and shot at an ATM. In *Doing Time with God*, you go into prison with him and other victims of violence to meet with convicted felons who will be facing their worst and greatest realizations, before they are released. Nothing is predictable when victims and offenders come together and share their stories of the true crimes that have devastated their lives and reshaped them. Victim-survivors remember their losses and feel their pain; Offenders come face-to-face with the hurt they have caused, and open wounds from their own past. Walls of defensiveness and fear are knocked down by empathy and compassion, vulnerability and tears. Raw emotions flow. The way to peace is often intense, turbulent, and heartbreaking. Even when it's not pretty, the journey is beautiful in its honesty, miraculous in the way it unfolds, divine in how it transforms lives. *This Amazing Process Opens the Heart, Touches the Soul, and Renews the Mind*

Richard Sherman

You've heard the benefits of yoga and meditation: mental clarity, relaxation, decreased stress, and an all-around improved quality of life. But where to start? How can we bring these qualities into our own lives? We all want someone to whisk us away and lead us by the hand through this magical world of yoga and meditation, but spending hours trying to empty our mind or bend into awkward postures might not seem like the easiest path. In this uniquely interactive guide, Robin opens her heart and shares her honest and entertaining personal stories of how yoga and meditation have changed her life. Then, she brings these tales down to earth with genuine affirmations and creative meditations you can start practicing immediately to transform your body and mind today.

Doing Time with God: Stories of Healing and Hope in Our Prisons

Democracy can mean a range of concepts, covering everything from freedoms, rights, elections, governments, processes, philosophies and a panoply of abstract and concrete notions that can be mediated by power, positionality, culture, time and space. Democracy can also be translated into brute force, hegemony, docility, compliance and conformity, as in wars will be decided on the basis of the needs of elites, or major decisions about spending finite resources will be the domain of the few over the masses, or people will be divided along the lines of race, ethnicity, class, religion, etc. because it is advantageous for maintaining exploitative political systems in place to do so. Often, these frameworks are developed and reified based on the notion that elections give the right to societies, or segments of societies, to install regimes, institutions and operating systems that are then supposedly legitimated and rendered infinitely just because formal power resides in the hands of those dominating forces. This book is interested in advancing a critical analysis of the hegemonic paradigm described above, one that seeks higher levels of political literacy and consciousness, and one that makes the connection with education. What does education have to do with democracy? How does education shape, influence, impinge on, impact,

negate, facilitate and/or change the context, contours and realities of democracy? How can we teach for and about democracy to alter and transform the essence of what democracy is, and, importantly, what it should be? This book advances the notion of decency in relation to democracy, and is underpinned by an analysis of meaningful, critically engaged education. Is it enough to be kind, nice, generous and hopeful when we can also see signs of rampant, entrenched and debilitating racism, sexism, poverty, violence, injustice, war and other social inequalities? If democracy is intended to be a legitimating force for good, how does education inform democracy? What types of knowledge, experience, analysis and being are helpful to bring about newer, more meaningful and socially just forms of democracy? Throughout some twenty chapters from a range of international scholars, this book includes three sections: Constructing Meanings for Democracy and Decency; Justice for All as Praxis; and Social Justice in Action for Democracy, Decency, and Diversity: International Perspectives. The underlying thread that is interwoven through the texts is a critical reappraisal of normative, hegemonic interpretations of how power is infused into the educational realm, and, importantly, how democracy can be resituated and reformulated so as to more meaningfully engage society and education.

How the Woman at the Well Became the Well Woman

Stimulate your child's creativity by working on this coloring book! Coloring gives him/her the chance to bring out his/her creative side because it is an open form of expression. A child would create an imaginary world and then use that to create art on paper. Don't fret too much if your child colors outside the lines. He/she will only improve with more practice and coloring pages!

Lean in & Let Go

This interactive guide is designed to facilitate wholeness in you when you are done with the feeling of brokenness brought on by living a life you believe others want you to live. Through the use of the author's transparency and a series of questions to prompt self reflection, this guide walks you through how to acknowledge the truth, embrace your differences, utilize your strengths, embrace your weaknesses, and become comfortable with the real you. This guide is meant to boost your self-esteem with the hopes of increasing the presence of happiness within your innerself, resulting in living a true fulfilled life. Learning the art of just being you is the first step to transitioning from a caterpillar to the beautiful butterfly you are designed to be!

Oh, Maccabees! a Hanukkah Coloring Book

This book is a story about my life and how the supernatural gift to "See" helped sustained and strengthened me through the

many hardships and poverty in my life's struggles.

The Little Book of Gratitude Quotes

The Vengeance Game is a tradition as old as time. Right now, three monsters and three humans have been pitted against one another in a battle of good and evil. In a normal world, now completely turned upside down, Eric Denari, Trisha Ivering, and Devlyn Logan must square off against deadly and dangerous enemies from their past and fight for a chance at survival. As legends of the Underworld, Vlaud Craft, Wesley Renwick, and Vitz Venentile are a force to be reckoned with and hell bent on making their victims pay. Who will win in this demon's game of revenge?

Prisoner of the Mind

This romance has it all a love triangle, a dream vacation, a beautiful wedding and a secret baby. Plus a sneak peek into the marriage and lives of the rich and wealthy.

Discover Your Authentic Self

So many people in so many places simply desire to be themselves and live a life that is joyous and free. However, many find this difficult to execute at times because of so many societal norms, cultural standards, and all types of patterns and traditions that seem impossible to live up to or maintain. This often leads to frustration because many people discover that these norms, standards, patterns, and traditions do not work well for them. Although many realize that these things do not work for them, they still feel the need to fit in, and find themselves abiding by what is not best for them. However, there are a few bold souls who dare to find what best suits them and live according to it. KNOW This..9 Essential Principles To KNOW As YOU Journey Towards YOUR Destiny offers some important elements to consider with hopes of inspiring readers to be bold enough to search for and discover what defines them. These principles are intended to be a guide that begins the process of defining self and specific things about self. Additionally, the aim is to encourage as well as challenge readers to search themselves for their truths in order to combat the frustration that is felt from trying to fit in. Prayerfully the end result will be to have travelers who are empowered, inspired, and liberated. Embrace the journey and enjoy it!

Daily Devotional

With this remarkable book, you'll unlock your truth and set yourself free.

Scattered Pearls

This memoir is the story of an extraordinary ordinary life. It is the poignant life story of a woman's desperate journey to find love. Inspired by the biblical account of the woman at the well, this book is a remarkable testament to God's faithfulness and the power of His redemption. For those who think their lives will never change and those who are afraid to hope again, this testimony is transformative.
