The Christian Faith in the Modern World

A genealogy of the English Bible from the first translation to the present. Presented on a single sheet.

One Bible, Many Versions

This volume contains complete introductions for every book--including Gospel emphasis and pertinent statements by Martin Luther; exclusive NIV cross-reference system in center column; in-text maps, charts, diagrams, and illustrations; 35,000 entry concordance.

Election

Announcing the completely revised and updated edition of *The Wine Bible*, the perennial bestselling wine book praised as “The most informative and entertaining book I’ve ever seen on the subject” (Danny Meyer), “A guide that has all the answers” (Bobby Flay), “Astounding” (Thomas Keller), and “A magnificent masterpiece of wine writing” (Kevin Zraly). Like a lively course from an expert teacher, *The Wine Bible* grounds the reader deeply in the fundamentals while layering on informative asides, tips, amusing anecdotes, definitions, glossaries, photos (all new for this edition), maps, labels, and recommended bottles. Karen MacNeil’s information comes directly through primary research; for this second edition she has tasted more than 10,000 wines and visited dozens of wine regions around the world. New to the book are wines of China, Japan, Mexico, and Slovenia. And through it all the reader becomes ever more informed—and, because of the author’s unique voice, always entertained: “In great years Pétrus is ravishing, elegant, and rich—Ingrid Bergman in red satin.” Or, describing a Riesling: “A laser beam. A sheet of ice. A great crackling bolt of lightning.”

Chanting the Hebrew Bible (Student Edition)

Trusted & Treasured by Millions of Readers over 30 years, the Life Application(R) Study Bible Is Today's #1-Selling Study Bible, and a Bible for All Times. Now it has been thoroughly updated and expanded, offering even more relevant insights for understanding and applying God's Word to everyday life in today's world. China Myth or History?

The e-book edition does not include the audio CD that's included with the paperback edition. The most authoritative guide on cantillation. Joshua Jacobson's masterpiece?the comprehensive 1000-page guide to cantillation?is now available in this e-book edition. It is an ideal instructional guide for adult and young-adult students of Torah, for b'nai mitzvah students, and for cantors, rabbis, and Jewish educators of all denominations. Like the original edition, it includes an explanation of the tradition and a description of the practice of chanting, with all its regional variations and grammatical rules. There is detailed instruction, with musical notation, on chanting of Torah, and shorter instructions for chanting the haftarah, the megillot, and readings for the High Holy Days. Joshua Jacobson, professor of music and conductor of the acclaimed Boston-based Zamir Chorale, has been Torah chanting since he was 10 years old. That life-long experience, combined with an unquenchable desire to reconnect the art of cantillation with the most convincing and accurate treatment of the ancient text possible, led him to create this indispensable teaching tool. Using Jacobson's highly acclaimed approach, the ancient words come alive in a new, deeply emotional and most accurate way.

Slaves, Women & Homosexuals

Nelson's Illustrated Bible Dictionary is the most comprehensive and up-to-date Bible dictionary available. With a fresh new look and updated photographs, this new and enhanced edition is a wealth of basic study information with more than 7,000 entries plus more than 500 full-color photographs, maps, and pronunciation guides. Features include: Cross-references to major translations More than 7,000 up-to-date entries More than 500 full-color photographs and maps Enlarged type size for easier reading Visual Survey of the Bible from The Open Bible

HCSB - Bible Translation

Ever since Jesus read from the scroll of Isaiah in the synagogue of Nazareth, Christians have gravitated to this great prophecy as the interpretive center of the Old Testament. Barry Webb calls Isaiah the "Romans" of the Old Testament, where all the threads come together and the big picture of God's purposes for his people and for his world are most clearly set forth.

Chart of the English Bible

Capitalizing on the increasing popularity of infographics and a growing interest in accessible, understandable teaching on theology, Visual Theology by Tim Challies and Josh Byers teaches timeless, historic, biblical truth in a fresh and vibrant way that that will capture your interest and ignite your imagination.

The Holy Bible

Part blistering espionage thriller, part riveting police procedural, and part piercing exposé on social injustice, this second book in the Millennium series is a masterful, endlessly satisfying novel. Mikael Blomkvist, crusading publisher of the magazine Millennium, has decided to run a story that will expose an extensive sex trafficking operation. On the eve of its publication, the two reporters responsible for the article are murdered, and the fingerprints found on the murder weapon belong to his friend, the troubled genius hacker Lisbeth Salander. Blomkvist, convinced of Salander's innocence, plunges into an investigation. Meanwhile, Salander herself is drawn into a murderous game of cat and mouse, which forces her to face her dark past.

The Question of Canon

The King James Bible for ebook readers, desktops, tablets and phones. Including Old Testament and New Testament, this is a wonderful tool that keeps the scriptures at your fingertips. The translation that became the Authorized King James Bible was begun in 1604 and in 1611 was published by the Church of England, under the direction of King James. The translation was done by forty-seven Church of England scholars, the New Testament coming from the Greek Textus Receptus (Received Text), the Old Testament from the Masoretic Hebrew text, and the Apocrypha from the Greek Septuagint (LXX), except for two Esdras from the Latin Vulgate.

The Bible in Translation

Drawn from the books, Praying the Names of God and Praying the Names of Jesus, this Bible study includes additional questions designed to help individuals and groups explore the most important of God's names and titles as they are revealed in the Bible. Exploring his names and titles in both the Old and New Testaments allows study participants to begin to realize how utterly great, loving, and powerful God is. By studying such rich and varied names as Adonai, Yahweh, Abba, Yeshua, Lamb of God, and Prince of Peace, we understand more about who God is and how he loves us. Each week's study provides background information to help readers understand the name, a key Scripture in which the name was either first or most significantly revealed, a series of questions for individual or group study, and a brief list of passages for further study.

The New Testament

"Key words in the text coded to Strong's Greek and Hebrew dictionaries. Introduction to each book, exegetical notes, center column references, grammatical helps to the New testament, lexical aids, concordance, Strong's dictionaries, and eight-page color Bible atlas." -- Title page.

The Complete Jewish Study Bible

When faith is under fire, "The Apologetics Study Bible" helps modern Christians

better understand, defend, and proclaim their beliefs. Includes extensive study material from today's leading apologists.

Seeking Allah, Finding Jesus

ROSE BOOK OF BIBLE CHARTS, MAPS and TIME LINES. The 2007 #1 Bible Reference book according in the CBA Core Inventory Now you can have 180 pages of fantastic full-color Bible charts, maps, and time lines in one spiral bound book. Reproducible. If you bought all of these charts separately, you would pay more than \$250.

The Gospel According to Mark

In Election, a sermon delivered by the great teacher Rev. Charles Haddon Spurgeon in September 1855, he states, "Election in the Christian should make him very fearless and very bold. No man will be so bold as he who believes that he is elect of God. What cares he for man if he is chosen of his Maker? What will he care for the pitiful chirpings of some tiny sparrows when he knoweth that he is an eagle of a royal race? Will he care when the beggar pointeth at him, when the blood royal of heaven runs in his veins? Will he fear if all the world stand against him?" Here is one of the most gripping and succinct messages on the subject ever delivered!

Illustrated Study Bible NLT, Deluxe Linen Edition

Introducing the new Deluxe Linen Hardcover Edition of the Illustrated Study Bible with a keepsake slipcase. Change for the First Time, Again

The Grammar of God

"What must I do to gain eternal life?" The rich man who asked this of Jesus was told to sell all he had and give to the poor. But, more importantly, he was told, "Come, follow me!" Franciscan Casey Cole challenges us to let go of something more difficult than material wealth: expectations, anxiety, comfort, wounds, enemies, power—and our very selves. Speaking from both personal and pastoral experience, he outlines the stumbling blocks that turn us away from following Jesus as true disciples. The response to "What must I do?" is simple but not easy: Let go. Now.

The Hebrew-Greek Key Word Study Bible

For many years now, the topic of the New Testament canon has been the main focus of my research and writing. It is an exciting field of study that probes into questions that have long fascinated both scholars and laymen alike, namely when and how these 27 books came to be regarded as a new scriptural deposit. But, the story of the New Testament canon is bigger than just the 'when' and the 'how'. It is also, and perhaps most fundamentally, about the 'why'. Why did Christians have a canon at all? Does the canon exist because of some later decision or action of the second- or third-century church? Or did it arise more naturally from within the early Christian faith itself? Was the canon an extrinsic phenomenon, or an intrinsic one? These are the questions this book is designed to address. And these are not micro questions, but macro ones. They address foundational and paradigmatic issues about the way we view the canon. They force us to consider the larger framework through which we conduct our research - whether we realized we had such a framework or not. Of course, we are not the first to ask such questions about why we have a canon. Indeed, for many scholars this question has already been settled. The dominant view today, as we shall see below, is that the New Testament is an extrinsic phenomenon; a later ecclesiastical development imposed on books

originally written for another purpose. This is the framework through which much of modern scholarship operates. And it is the goal of this volume to ask whether it is a compelling one. To be sure, it is no easy task challenging the status quo in any academic field. But, we should not be afraid to ask tough questions. Likewise, the consensus position should not be afraid for them to be asked.

The Wine Bible

The Bible includes prophetic speech and at times the church and its representatives are called to speak prophetically. But in our media-saturated age when many claim to speak for God, how can we evaluate the avalanche of supposedly prophetic speech? What does it mean to truly be prophetic? And when Christians should speak prophetically, how can they do so in a biblical and effective way? Using vivid examples, this book offers clear guidelines for creating, critiquing, and consuming popular media, as well as practical suggestions for faithful communication. It also helps readers think critically about communication technology. The book includes a foreword by Quentin Schultze and a preface by Clifford Christians.

Concordia Self-Study Bible-NIV

The Complete Jewish Study Bible pairs the updated text of the Complete Jewish Bible translation with extra study material, to help readers understand and connect with the Jewish roots of the Christian faith. Now introducing thumb-indexed versions The Complete Jewish Study Bible pairs the newly updated text of the best-selling Complete Jewish Bible with detailed notes and comprehensive study material to help both Jewish and Christian readers understand and connect with the essence of their faith--God's redemptive plan for his people. Readers will be enriched through this Jewish reading of Scripture and the revelation of the long-awaited Messiah, Yeshua, throughout both the Tanakh (Old Testament) and the B'rit Hadashah (New Testament). Unique to The Complete Jewish Study Bible are a number of helpful articles and notes to aid the reader in understanding the Jewish context for the Scriptures. The addition of a thumb-index in these versions will enable readers to easily find books in the Tanakh, which are in the order of the Hebrew Bible. Features include: - Twenty-five contributors (both Jewish and Christian), including John Fischer, Patrice Fischer, Arnold G. Fruchtenbaum, Walter C. Kaiser, Jr., Rabbi Russell Resnik, and more - Thirty-four topical articles ranging from topics such as the menorah (or "candelabra of God") and repentance (t'shuvah) in the Bible, to Yeshua's "Sermon on the Mount" and the Noachide Laws (the laws given by God to Noah and subsequent generations) and their applicability to Gentiles - In addition to these topical articles and detailed study notes, there are twelve tracks or themes running throughout the Bible with 117 articles, covering topics such as Jewish Customs, the Names of God, Shabbat, and the Torah - New Bible book introductions, written from a Jewish perspective - Bottom-of-page notes to help readers understand the deeper meanings behind the Jewish text - Sabbath and Holy Day Scripture readings - Offers the original Hebrew names for people, places, and concepts

Prophetically Incorrect

This volume by William J. Webb explores the hermeneutical maze that accompanies any treatment of these three controversial topics and takes a new step toward breaking down walls within the evangelical community related to them.

Expanded Bible

02

The Message of Isaiah

Viewing ancient China in world context, exploring the possibilities of international activities particularly in relation to the Philippines, during their classical dynasties based on the presence of abundant artifacts, ancient texts, and new archaeological discoveries.

Women, Slaves, and the Gender Debate

Please see the description for this title below. But first Our promise: All of our works are complete and unabridged. As with all our titles, we have endeavoured to bring you modern editions of classic works. This work is not a scan, but is a completely digitized and updated version of the original. Unlike, many other publishers of classic works, our publications are easy to read. You won't find illegible, faded, poor quality photocopies here. Neither will you find poorly done OCR versions of those faded scans either with illegible "words" that contain all kinds of strange characters like ◆, %, &, etc. Our publications have all been looked over and corrected by the human eye. We can't promise perfection, but we're sure gonna try! Our goal is to bring you high quality Christian publications at rock bottom prices. At the very beginning, I may as well tell you plainly that I am not going to talk about the topics that are usually regarded as most timely just now. I am not going to talk to you about the gold standard or about unemployment or about the NRA or about the Brain Trust. Possibly some of you may discover that certain things that I may say have a bearing upon those topics, but those topics are not the topics about which I am going to talk. Instead, I am going to talk to you about God, and about an unseen world. May I reasonably expect you to be interested in such very intangible topics as these? There are many persons who say, "No." We are living, say these persons, in the midst of a serious emergency. One economic system, they say, seems to have broken down, and another is not quite ready to be put into its place. Everywhere are to be found unemployment and distress, almost everywhere there are wars or rumors of wars. In the midst of such distresses, who, these persons say, could be so heartless as to spend his efforts upon doubtful speculations regarding a life beyond the grave? Time enough to deal with that other world when we have set this world in order! Let us deal bravely-so the argument runs-first with the problems that we can see; and then, when we have done that, we may possibly find opportunity afterwards to deal with the unseen and intangible things.

We Become What we Worship

From one of our most celebrated writers on religion comes this fresh, bold, and unsettling new translation of the New Testament David Bentley Hart undertook this new translation of the New Testament in the spirit of “etsi doctrina non daretur,” “as if doctrine is not given.” Reproducing the texts’ often fragmentary formulations without augmentation or correction, he has produced a pitilessly literal translation, one that captures the texts’ impenetrability and unfinished quality while awakening readers to an uncanniness that often lies hidden beneath doctrinal layers. The early Christians’ sometimes raw, astonished, and halting prose challenges the idea that the New Testament affirms the kind of people we are. Hart reminds us that they were a company of extremists, radical in their rejection of the values and priorities of society not only at its most degenerate, but often at its most reasonable and decent. “To live as the New Testament language requires,” he writes, “Christians would have to become strangers and sojourners on the earth, to have here no enduring city, to belong to a Kingdom truly not of this world. And we surely cannot do that, can we?”

The Girl Who Played with Fire

Change is everywhere in life. God seems to have designed it that way. Whether beautiful or painful, life altering or small, our pages are written with a story of change. If change is everywhere, we are encountering new realities all the time. From our first conversation with a person, to our first kiss, to a new job, to our first experience with loss, newness is all around. When encountering change, we can be hesitant to embrace it, even outright resist it. It's either scary, or hard, or too much, or not as much as we desired, or possibly a combination of these. Because change is constant, it can seem as if we are walking through the same scenarios again and again. We have felt these feelings before, had these conversations before, and walked through these situations before--these painful moments seem to never fade. Even as we journey through the same situation for a second or third or tenth time, it calls for something new, for our story of change to continue in God. Change For the First Time, Again shares the life journey of the author while offering reflections on how to walk through change.

Messy Grace

Given the popular-level conversations on phenomena like the Gospel of Thomas and Bart Ehrman’s Misquoting Jesus, as well as the current gap in evangelical scholarship on the origins of the New Testament, Michael Kruger’s Canon Revisited meets a significant need for an up-to-date work on canon by addressing recent developments in the field. He presents an academically rigorous yet accessible study of the New Testament canon that looks deeper than the traditional surveys of councils and creeds, mining the text itself for direction in understanding what the original authors and audiences believed the canon to be. Canon Revisited provides an evangelical introduction to the New Testament canon that can be used in seminary and college classrooms, and read by pastors and educated lay leaders alike. In contrast to the prior volumes on canon, this volume distinguishes itself by placing a substantial focus on the theology of canon as the context within which the historical evidence is evaluated and assessed. Rather than simply discussing the history of canon—rehashing the Patristic data yet again—Kruger develops a strong theological framework for affirming and authenticating the canon as

authoritative. In effect, this work successfully unites both the theology and the historical development of the canon, ultimately serving as a practical defense for the authority of the New Testament books.

NLT Life Application Study Bible, Third Edition, Personal Size (Hardcover)

In *Seeking Allah, Finding Jesus*, now expanded with bonus content, Nabeel Qureshi describes his dramatic journey from Islam to Christianity, complete with friendships, investigations, and supernatural dreams along the way. Providing an intimate window into a loving Muslim home, Qureshi shares how he developed a passion for Islam before discovering, almost against his will, evidence that Jesus rose from the dead and claimed to be God. Unable to deny the arguments but not wanting to deny his family, Qureshi struggled with an inner turmoil that will challenge Christians, Muslims, and all those who are interested in the world's greatest religions. Engaging and thought-provoking, *Seeking Allah, Finding Jesus* tells a powerful story of the clash between Islam and Christianity in one man's heart—and of the peace he eventually found in Jesus. "I have seldom seen such genuine intellect combined with passion to match truly a 'must-read' book."—Ravi Zacharias

Reformation Heritage Study Bible-KJV

Traces the history of Bible translation from the ancient versions to today's popular versions, offering evaluative comments along the way.

Nelson's Illustrated Bible Dictionary

"The author recalls how, after becoming very familiar with the Biblical Old Testament in its original Hebrew growing up, an encounter with an English language version led her on a ten-year project of examining various translations of the Old Testament and their histories, "--Novelist.

The NKJV Study Bible

In Genesis 3:1 the serpent asked the woman, "Did God really say, 'You can't eat from any tree in the garden'?" What has God really said? Before we can obey Him, we must know what He has said. The Psalmist prayed twice in his affliction, "Give me life through Your word" (Ps 119:25, 107). When Jesus was afflicted by the Devil in the wilderness (Mt 4:1-11), He defended Himself with the sword of the Spirit (Eph 6:17) - God's Word. But Christians must know what God has said if we are to find strength and healing from affliction and defense against the Devil. Bible translation is not a casual enterprise because it involves bringing the life-saving Word of God to people in their own language. And selecting a Bible translation is not on the order of picking out a sweater. It's more like picking a doctor - someone you can trust. This book is about how Bible translation is done. And it commends a particular translation - the Holman Christian Standard Bible (HCSB) - as a trustworthy guide to what God has really said.

WordPress Bible

The redemptive-movement hermeneutic is a new and seductive egalitarian argument. It is also a fascinating hermeneutical discussion as it relates to issues such as slavery. This book deals thoroughly with these issues from a complementarian perspective.

Visual Theology

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Let Go

Sometimes, grace gets messy. Caleb Kaltenbach was raised by LGBT parents, marched in gay pride parades as a youngster, and experienced firsthand the hatred and bitterness of some Christians toward his family. But then Caleb surprised everyone, including himself, by becoming a Christian...and a pastor. Very few issues in Christianity are as divisive as the acceptance of the LGBT community in the church. As a pastor and as a person with beloved family members living a gay lifestyle, Caleb had to face this issue with courage and grace. *Messy Grace* shows us that Jesus's command to "love your neighbor as yourself" doesn't have an exception clause for a gay "neighbor"—or for that matter, any other "neighbor" we might find it hard to relate to. Jesus was able to love these people and yet still hold on to his beliefs. So can you. Even when it's messy. "*Messy Grace* is an important contribution to the conversation about sexual identity for churches and leaders. Caleb's story is surprising and unique, and he weaves it together compellingly. He states his views clearly, leaves room for disagreement, and champions love no matter where you are in this conversation." —Jud Wilhite, Sr. Pastor, Central Christian Church

Canon Revisited

The heart of the biblical understanding of idolatry, argues Gregory Beale, is that we take on the characteristics of what we worship. Employing Isaiah 6 as his interpretive lens, Beale demonstrates that this understanding of idolatry permeates the whole canon, from Genesis to Revelation. Beale concludes with an application of the biblical notion of idolatry to the challenges of contemporary life.
