The Amazing Adventures of Charlie Small (400)

At the end of his fifth journal, Charlie Small rocketed out of the strange and dark Underworld, over desert sands and a snowy white mountain range. With a table cloth over his head and a cushion strapped round his bottom, Charlie parachuted right into the middle of a small, swampy island. Clutching a mainly blank map that's supposed to help him find the infamous Jakeman, he sets off for the next island, only to find himself face to face with a slimy, stinking, roaring swamp monster . . . Will Charlie manage to slip through its gloopy claws?

Peanuts: A Charlie Brown Christmas Wooden Collectible Set

Charlie's Girl is a glimpse at life in a Midwest farm community in the memorable '40s and the wonder years of the '50s. It is filled with boundless memories, stories, and vintage photos about growing up on a small farm with four brothers, three sisters, and hardworking parents. Life was simpler, kids had fewer rules, played outside, and had adventures with family and friends. There are tales about helping with farm crops, adventures with all the animals on the farm, comical encounters with chickens, attending a one-room country school, shopping at local stores and happenings in the rural town of Cambridge, the arrival of TV on the farm, and being a teen-ager in the '50s. It is an appealing look back at a childhood that was

both unlike and similar in ways to a childhood of today. It was a fantastic time to be young.

The Play of Daniel Keyes' Flowers for Algernon

No one knows the full story of Charlie Small. At least, not yet. His battered journal was found washed up on a remote, windswept shore. And at first we thought it an elaborate hoax. Surely no 8-year-old could have had so many wild adventures, witnessed so many extraordinary things, lived such an incredible life—and still only be eight. And yet . . . there was something so vivid in the telling that we were persuaded to send the journal and some of its boggling content for analysis. And only one conclusion could be drawn. Everything in the journal of Charlie Small is true! In his first adventure, Gorilla City, Charlie wrestles a deadly river croc, rides a steam-powered rhino, and becomes tribal chief in a city of gorillas.
