Katharine Green (1846-1935) was an American poet and novelist. Green has been called "the mother of the detective novel". Her main character was detective Ebenezer Gryce of the New York Metropolitan Police Force, but in three novels he is assisted by the nosy society spinster Amelia Butterworth, the prototype for Miss Marple. She also invented the 'girl detective': in the character of Violet Strange, a debutante with a secret life as a sleuth. Indeed, as journalist Kathy Hickman writes, Green "stamped the mystery genre with the distinctive features that would influence writers from Agatha Christie and Conan Doyle to contemporary authors of suspenseful "whodunits". She was one of the first writers of detective fiction in America and distinguished herself by writing well plotted, legally accurate stories.

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von

Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The third book in an amazing series that features crime à la library at America's most famous institution of higher reading. A note from bartender Brian McNulty, Raymond Ambler's friend, confidant, and sometimes adviser, sets the librarian sleuth off on a murder investigation, one that he pursues reluctantly until a second murder upends the world as he knows it. The second victim is a lady friend of McNulty's—and the prime suspect is McNulty himself. As Ambler pursues his investigation, he discovers that the murdered woman had a double life. Her intermittent visits to the city—a whirlwind of reckless drinking and illicit liaisons with men she met in the

cocktail lounges—had their counterpart in suburban Fairfield County Connecticut where, as Dr. Sandra Dean, she practiced dermatology and lived in a gated community with a doting husband and a young daughter. While Ambler looks into the past of Dr. Sandra Dean to understand the murder of Shannon Darling in the present, NYPD homicide detective Mike Cosgrove investigates the men in Shannon Darling's life. She might have been murdered because she frustrated the wrong man. It could have been a jealous wife. In fact, any number of people might have murdered Shannon Darling. Or, as Ambler suspects, did someone murder Dr. Sandra Dean? Yet, no matter which way he turns, McNulty emerges as a suspect. Ambler's dilemma seems insurmountable: Should he keep searching for the truth behind the murders if the deeper he probes, the more evidence he finds that points to the morally ruffled bartender as a murderer?

Ideas in 1928-1929 (some under new titles) and in other magazines. Nine of the P.C. Lee stories were later included in the 1961 collection *The Undisclosed Client and Other Stories*. So far as could be ascertained, the only story in the series that appeared in any collection published during Wallace's lifetime was "Change," which was re-written (without P.C. Lee) as "Mr. Sigee's Relations" for *The Lady Called Nita*, published by George Newnes, London, in 1930. Edgar Wallace (1875-1932) was an English writer. As well as journalism, Wallace wrote screen plays, poetry, historical non-fiction, 18 stage plays, 957 short stories and over 170 novels, 12 in 1929 alone. More than 160 films have been made of Wallace's work. The Armchair Detective

In this “utterly compelling” mystery, a triple homicide draws detective Quentin Archer and a voodoo queen into the steamy underbelly of New Orleans (Jeffery Deaver). “With charismatic characters, superb locations, and a great hard-edged story,” Don Bruns introduces his Quentin Archer series (Lee Child). When a prominent New Orleans judge is brutally murdered, former Detroit cop Quentin Archer is handed the case. His enquiries will lead him into a world of darkness and mysticism which underpins the carefree atmosphere of the Big Easy. Interrogating crooked police officers, a pickpocket, a bartender with underground contacts, and a swamp dweller, Archer uncovers some troubling facts about the late judge’s past. But it’s only when he encounters a beautiful young voodoo practitioner that he starts to make headway in the investigation . . . Solange Cordray volunteers at the dementia center where her mother lives. When she starts reading the mind of one of her patients, she learns that a secretive organization known as Krewe Charbonnerie may be behind the murder of the judge. And when a second judge is

murdered—and then a third—Solange and Quentin’s investigation takes them deep into the darkest parts of the Big Easy. . . . “This thriller immediately casts a spell on you and doesn’t let go until the very last page!” —Jeffery Deaver

Wait. No. She’s not getting used to it at all, and the presence of this real-life Duffy is making her current manuscript—what’s the word?—lousy. So she doesn’t want to see Duffy—the living one—at all. To make matters worse, when he shows up at her door and insists on talking to her, it’s about the one thing she doesn’t want to do: Find a missing person. But the man Duffy seeks this time around might be able to solve Rachel’s problem. He might just be the man Duffy was before he became Duffy five years ago. The only problem is she could be letting Duffy lead her into danger yet again Entertaining and witty, the second in E.J.
