This is the only book that creates the best-case scenario on test day: SC content mastery combined with the best mindset to answer test questions efficiently and correctly. Test Prep New York is the only test preparation company to fuse content and strategy-based learning with holistic stress reduction, memory improvement, and confidence building techniques. "The Full Potential section in this book is a welcome guide for those who want to go beyond just studying hard: it addresses all the psychological and emotional processes involved in test-taking. Students of Sapir's holistic approach have enjoyed success in New York City for years. Now others can learn about and incorporate the valuable techniques described in this clear and easy-to-read guide. The techniques are effective and time-tested. Sapir and van Hoek have produced a winning book for those whose scores are

compromised by test anxiety, as well as those striving for peak performance." -- Tom Akiva, PhD. Assistant Professor University of Pittsburgh School of Education "Bara Sapir's/TPNY's progressive test preparation technique is good for test-takers who want an edge when taking the test, as well as test-takers who require extra assistance. The model is effective because it teaches mediation of cognitive, academic, attentional, and emotional control. This book contains the necessary ingredients to succeed on the GMAT--it skillfully teaches the essential components of test taking through a clever blend of aggressiveness, logic, and relaxation. After practicing the techniques herein, the trepidatious test taker can expect to enter testing arenas with a greater confidence to achieve that may have alluded them in the past." -- Dr. Jason Smith, School and Clinical Psychologist "Full Potential GMAT Sentence Correction Intensive is by far and away the most advanced study aid available for the sentence correction section of the GMAT. We highly recommend this guide to all test takers seeking the 700+ scores the top business schools like to see." -- David Petersam, President, AdmissionsConsultants

This clear and concise introduction offers students of linguistics and English language a comprehensive overview of English grammar, including word structure, major and minor word classes, phrases, clauses and sentences. Based on twenty years' teaching practice, Louise Cummings adopts a unique approach of using three real-world contexts - first language acquisition, language disorders and non-standard dialects - as a pedagogical tool to make grammatical concepts meaningful to students and to improve engagement and understanding. In seven accessible chapters, students are encouraged to develop the analytical skills they require to give a comprehensive description of the grammar of the English language. A range of supportive learning aids is used, including:

- Learning

objectives and section 'key points' summaries • Varied examples from world Englishes and print media • Homework assignments, exercises and revision questions • Targeted further reading suggestions and 'special topics' boxes • A glossary of 300 entries • An extensive range of online resources for instructors and students, including a test bank of 140 multiple-choice questions, useful links and an answer key.

For the educated, this book is an invaluable resource, one that allows for easy reference to any grammatical concept imaginable. The book gives thousands of examples, but it also provides explicit reasoning why we should speak and write following certain patterns. Don't feel like studying for hours to learn a concept? Look here for the diagrams you need to understand why things go where they go in a sentence. Did he act foolish? OR Did he act foolishly? Both answers are here. If you are in college, grad school, or simply interested, you decide what you want to know-your answers are here. Written by two professors who hate to condescend but love to teach, English Grammar and Syntax cuts through the pedantic wasteland.

'Few people understand Grammar like Craig Shrives. Best of all, no one explains it so well and so easily.' - Chief Executive of Crimestoppers and former Director of the Intelligence Corps, Mark Hallas OBE Written by a former British Army officer (also the founder of the popular website Grammar Monster), Smashing Grammar is both a go-to grammar guide and a primer for writing clear English. Smashing Grammar is divided into three sections: A-Z of Punctuation, A-Z of Grammar Essentials and A-Z of Easily Confused Words. Every entry starts with a simple explanation and some basic examples. These are followed by real-life, engaging examples, which have been painstakingly hunted down for their ability to illustrate the point. Every entry concludes with a 'Why Should I Care?' section offering great tips and advice and explaining why the grammar point matters to a writer. Imbued with 'barrack room' humour, the writing itself is entertaining and often laugh-out-loud funny, with thousands of sample quotations ranging from Groucho Marx and Homer the Simpson to Karl Marx and Homer the Greek.
