101 Questions and Answers on Catholic Marriage Preparation

Written by a Catholic laywoman and a Catholic priest, this book looks at both the underlying theology and practical approaches to the Catholic wedding.

Good News About Sex & Marriage (Revised Edition)

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a groundbreaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Evidence-based Approaches to Relationship and Marriage Education

This book should be of interest to scholars, researchers, students, and practitioners alike. Scholars, researchers, and students of personal relationship development will recognize in this book the first serious attempt in over 40 years to do a large-scale, longitudinal study of premarital factors that predict premarital breakup and marital quality; they should also appreciate our attempt to develop a theoretical rationale for predicted paths and to test those paths with the best available statistical tools. Practitioners-while generally not as interested in the intricacies of the statistical results-will find much that is useful to them as they help individuals and couples make decisions about their intimate relationships, their readiness for marriage, and

how to increase the probability for marital success. Teachers, family life educators, premarital counselors, and clergy will find helpful our “principles for practice,” particularly as described in Chapter 9, as they teach and counsel couples in any premarital situation. My interest in the development of relationships from premarital to marital probably began when I got married in 1972 and started to notice all of the characteristics my wife and I brought from our respective families and how our “new beginning” as a married couple was in many ways the continuation of our premarital relationship, only more refined and more intense. My professional interest began when I did my doctoral dissertation in 1981 on premarital predictors of early marital satisfaction (the results of that study are reported in Chapter 8).

Getting Ready for Marriage Workbook

“All of us are called to keep striving towards something greater than ourselves and our families, and every family must feel this constant impulse. In *Amoris Laetitia: On Love in the Family* the Holy Father expands on the topics and considerations of the two Synods on the family, and adds his own considerations to help us provide pastoral guidance to support and strengthen today’s families. *On Love in the Family* guides us through: Scripture – what we can learn from Biblical families and relationships with God and each other Reality – the experiences and challenges we face in today’s world Tradition – essential aspects of Church teaching on marriage and families Love – what it means for all our relationships Ministry – Pope Francis offers pastoral perspectives for helping build strong families Spirituality – the expression of the Gospel message in our relationships

But when Vaselinetjie is ten years old, two officials from Welfare step in and she is sent away to a boarding school in Gauteng -- the orphanage where Madiba's reject children have to live. It's a strange, hard, dangerous world of scum children, bad-tempered matrons and a harsh, unfair principal; a world of smoking cigarette butts, having one's hair shaved off and making plans to run away. It's a world where no one bothers about anyone else, where you too learn not to give a damn. But as the months turn into years, there is one name that crops up again and again: Texan Kirby. And that name does strange things to Vaselinetjie's heart.

W. E. B. Du Bois was editor and principal author of *The Negro Church*, first published in 1903. A groundbreaking study, this volume is the first in-depth treatment of African-American religious life. It is the first sociological book on religion in the United States. It is the first empirical study of religion conducted by Black scholars. It is a landmark historical text on African-American religion and mores of a century and more ago. A new introduction provides the contextual backdrop for understanding the religious scholarship and faith of Du Bois. The appearance of this text for a new generation of students, scholars, researchers, and communities of faith is cause to celebrate. Recognition of *The Negro Church* is long overdue and justly deserved. "The entire scholarly community and all concerned Americans welcome the reprint of *The Negro Church*. W. E. B. Du Bois, the most brilliant intellectual ever produced by the United States, penned this social scientific study in 1903. Not only is this the first academic engagement with the black church and black religion. It is also the first text on sociology of religion in American history. Thus Du Bois understood the centrality of black people to the US narrative. Similarly, he understood the centrality of the black church for black communities. Here is scholarship at its best--engaged, theoretical work making a difference in everyday lives. Alton B. Pollard III has offered a masterful introduction for the twenty-first-century reader." -Dwight N. Hopkins author of *Being Human: Race, Culture, and Religion* "No one can have a respectable knowledge of African American Christianity who has not read Woodson's *The History of the Negro Church* (1921) and Du Bois's earlier sociological study of the same subject, *The Negro Church* (1903). Now we have a much anticipated new edition of the latter book by one of the late C. Eric Lincoln's brightest proteges, Alton B. Pollard, the dean of the Divinity School of Howard University. Pollard's explanatory and

expansive introduction is alone worth the price of the book, making Du Bois's path-blazing opus live again as an indispensable guide to understanding the scope, depth, and paradoxes of classic Black religion and theology today." -Gayraud S. Wilmore ITC, Honorably Retired ""In editing and providing commentary on *The Negro Church*, Alton B. Pollard III has provided a valuable and accessible resource for Du Bois scholars and students that is also of interest for general readers."" -Carol B. Duncan Wilfrid Laurier University W. E. B. Du Bois is a towering figure in African-American and US twentieth-century social, cultural, political, and intellectual life. He was a pioneering social scientist, leading literary light, political progressive, and precursor to the modern Black-led movement for freedom in the African Diaspora and on the African continent. DuBois's spiritual disciples and descendants among the world's communities of African descent are numerous. Alton B. Pollard III is Dean and Professor of Religion and Culture at Howard University School of Divinity and is the author of *Mysticism and Social Change: The Social Witness of Howard Thurman*.
