The Christmas Books of Mr. M.a.titmarsh

A hilarious and moving account of one family's frantic countdown to Christmas Eve. Follow in the author's footsteps as he wrestles with giant Christmas trees, scrambles to get to his children's concerts, is swallowed up by the mobs in the mall, sings his choirs first tentative attempt at Handel's Messiah and enters into a desperate nationwide search for goats for his church's Christmas pageant. Christmas is a time of joy and memories, memories that are both sweet and tinged with sadness. In this book we share both the happiness and the grief that can accompany this season. Our Twelve Days of Christmas is a book that will resonate with every family, as it shares a story that is both unique and universal, a story of

family and the genuine meaning of this holiday.

Thackeray's *The Christmas Books of Mr. M. A. Titmarsh* (1847-55) was published under his familiar pen name, M.A. Titmarsh. It is an anthology of five short novels, each of which criticises English nobility. It includes *The Kickleburys on the Rhine*, in which the author shares a steamer with an upper-class family. It also contains *Mrs. Perkin's Ball*, *Our Street*, *Dr. Birch and His Young Friends*, and *The Rose and the Ring*, a satirical story dealing with the lives and fates of four royal cousins.

Friar Tuck

No turkey. No fruit to make a decent pudding. No money for presents. Your children away from home to keep them safe from bombing; your husband, father and brothers off fighting goodness knows where. How in the world does one celebrate Christmas? That was the situation facing the people of Britain for six long years during the Second World War. For some of them, Christmas was an ordinary day: they couldn't afford merrymaking - and had little to be merry about. Others, particularly those with children, did what little they could. These first-hand reminiscences tell of making crackers with no crack in them and shouting 'Bang!' when they were pulled; of carol-singing in the blackout, torches carefully covered so that no passing bombers could see the light, and of the excitement of receiving a comic, a few nuts and an apple in your Christmas stocking. They recount the resourcefulness that went into makeshift dinners and hand-made presents, and the generosity of spirit that made having a happy Christmas possible in appalling conditions. From the family whose dog ate the entire Christmas roast, leaving them to enjoy 'Spam with all the trimmings', to the exhibition of hand-made toys for children in a Singapore prison camp, the stories are by turns tragic, poignant and funny. Between them, they paint an intriguing picture of a world that was in many ways kinder, less self-centred, more stoical than ours. Even if - or perhaps because - there was a war on.
