Provides definitions of typical phrases and words and explains their historical origins.

### **American idioms**

From “all systems go” to “senior moment”—a comprehensive reference to idiomatic English. The American Heritage® Dictionary of Idioms explores the meanings and origins of idioms that may not make literal sense but play an important role in the language—including phrasal verbs such as kick back, proverbs such as too many cooks spoil the broth, interjections such as tough beans, and figures of speech such as elephant in the room. With extensive revisions that reflect new historical scholarship and changes in the English language, this second edition defines over 10,000 idiomatic expressions in greater detail than any other dictionary available today—a remarkable reference for those studying the English language, or anyone who enjoys learning its many wonderful quirks and expressions. “Invaluable as a teaching tool.” —School Library Journal

### **The Slangman Guide to Street Speak 1**

### **Coal and Coal Trade Journal**

Defines over 8,000 idiomatic words, expressions, regionalisms, and informal English expression, cross-referenced for easy access.

### **NTC's English Idioms Dictionary**

## **Catch Phrases, Clichés and Idioms**

### Applied linguistics

Did you know that 'flavour of the month' originated in a marketing campaign in American ice-cream parlours in the 1940s, when a particular flavour would be specially promoted for a month at a time? And did you know that 'off the cuff' refers to the rather messy practice of writing impromptu notes on one's shirt cuff before speaking in public? These and many more idioms are explained and put into context in this second edition of the Oxford Dictionary of Idioms. This vastly entertaining dictionary takes a fresh look at the idiomatic phrases and sayings that make English such a rich and intriguing language. A major new edition, it contains entries for over 5000 idioms, including 350 new entries and over 500 new quotations. The text has been updated to include many new idioms using the findings of the Oxford English Reading Programme, the biggest language research programme in the world. The entries are supported by a wealth of illustrative quotations from a wide range of sources and periods. For example: 'Rowling has not been asleep at the wheel in the three years since the last Potter novel, and I am pleased to report that she has not confused sheer length with inspiration.' - Guardian, 2003. 'I made the speech of a lifetime. I had them tearing up the seats and rolling in the aisles.' - P.G. Woodhouse, 1940. Many entries include boxed features which give more detailed background

on the idiom in question. For example, did you know that 'taken aback' was adopted from nautical terminology, and described a ship unable to move forward because of a strong headwind pressing its sails back against the mast? The text has been entirely redesigned so that it is both elegant and easy to use. Anyone interested in the quirky side of the English language will have hours of fun browsing through this fascinating and informative volume.

### **Get a Grip on Your Grammar**

This book unlocks the meaning of more than 5,000 idioms used in American English today.

are free), and clichés (the best-case scenario). Particular attention is paid to verbal expressions, an area where ordinary dictionaries are deficient. The dictionary also includes a handy Phrase-Finder Index that lets users find a phrase by looking up any major word appearing in it.

### Using Idioms

Just as we should think before we speak, we need to think before we write. Most of us are not poets or novelists, but we are all writers. We email, text, and post; we craft memos and reports, menus and outdoor signage, birthday cards and sticky notes on the fridge. *Get a Grip on Your Grammar* is a grammar book for those who hate grammar books, a writing resource filled with quick answers and a playful style—not endless, indecipherable grammar jargon. *Get a Grip on Your Grammar* is *The Elements of Style* for the Twitter generation. Designed for student, business, and creative-writing audiences alike, its easily digestible, occasionally witty writing tips will finally teach you: The differences between “lay” and “lie.” The proper usage of “affect” and “effect.” Where to put punctuation around quotation marks. The meaning of “e.g.” versus “i.e.” The perils of overusing the word “suddenly.” That apostrophes should not be thrown about like confetti. And 243 more great tips. Writers owe it to themselves and to everyone who sees their written words to get it right. With *Get a Grip on Your Grammar*, they finally can (not “may”).

## **The Charming Idioms of New England**

NTC's Thematic Dictionary of American Idioms contains more than 5,500 of the most common and useful idioms arranged conveniently by theme, topic, or meaning. This work combines the best features of a thesaurus and a dictionary. Its features include a definition of each idiom that includes at least two examples of usage, an alphabetical index for locating each idiom, and an easy-to-read format with a minimum of abbreviations and symbols. NTC's Thematic Dictionary of American Idioms is an invaluable tool that allows writers, speakers, and students of English to locate the exact idiomatic expressions they need quickly and easily.

## **American idioms dictionary**

Among the special features of this book are the following: each entry has at least two example sentences illustrating how the idiom is used in context in natural American English; and a new Phrase-Finder Index enables users to locate a particular idiom quickly by looking up any of its major words.

## **The Oxford Dictionary of Idioms**
