### The Goal

Hannah Wells has finally found someone who turns her on. But while she might be confident in every other area of her life, she's carting around a full set of baggage when it comes to sex and seduction. If she wants to get her crush's attention, she'll have to step out of her comfort zone and make him take notice even if it means tutoring the annoying, childish, cocky captain of the hockey team in exchange for a pretend date. All Garrett Graham has ever wanted is to play professional hockey after graduation, but his plummeting GPA is threatening everything he's worked so hard for. If helping a sarcastic brunette make another guy jealous will help him secure his position on the team, he's all for it. But when one unexpected kiss leads to the wildest sex of both their lives, it doesn't take long for Garrett to realize that pretend isn't going to cut it. Now he just has to convince Hannah that the man she wants looks a lot like him.

### The Fussy Baby Book

The fun and simple problem-solving guide that took Japan by storm Ken Watanabe originally wrote Problem Solving 101 for Japanese schoolchildren. His goal was to help shift the focus in Japanese education from memorization to critical thinking, by adapting some of the techniques he had learned as an elite McKinsey consultant. He was amazed to discover that adults were hungry for his fun and easy guide to problem solving and decision making. The book became a surprise Japanese bestseller, with more than 370,000 in print after six months. Now American businesspeople can also use it to master some powerful skills. Watanabe uses sample scenarios to illustrate his techniques, which include logic trees and matrixes. A rock band figures out how to drive up concert attendance. An aspiring animator budgets for a new computer purchase. Students decide which high school they will attend. Illustrated with diagrams and quirky drawings, the book is simple enough for a middle schooler to understand but sophisticated enough for business leaders to apply to their most challenging problems.

### Varieties of Contemporary French

The authors in this volume explore the interconnected issues of intergenerational trauma and traumatic memory in societies with a history of collective violence across the globe. Each chapter's discussion offers a critical reflection on historical trauma and its repercussions, and how memory can be used as a basis for dialogue and transformation. The perspectives include, among others: the healing journey of three generations of a family of Holocaust survivors and their dialogue with third generation German students over time; traumatic memories of the British concentration camps in South Africa; reparations and reconciliation in the context of the historical trauma of Aboriginal Australians; and the use of the arts as a strategy of dialogue and transformation.

### **Guide de survie pour parents débordés**

A charming holiday romance novella from #1 New York Times bestselling author Nora Roberts. Single dad Mac Taylor is about to find out the lengths to which his mischievous twin boys, Zeke and Zach, will go to find him the Christmas gift of new love when they send a special wish for a new mom to Old Saint Nick

### **The Man's Bible**

Within a Budding Grove describes the first shoots of an astonishing love affair. When Proust's adolescent narrator travels from Paris to the sunny seaside town of Balbec he meets an intriguing set of new acquaintances who provide him with both friendship and entertainment. Most significantly of all he meets a dark-haired girl with sparkling eyes and a tiny beauty spot on her chin: the mysterious Albertine, who will become the great love of his life.

### **The Lottery**

To the outside world, Lizzie McGlynn's father was a model citizen. To little Lizzie he

was a violent and depraved monster. For years, Lizzie was raped and beaten by her father, whilst her alcoholic mother stood by, helpless. She eventually found the courage to report him and her father was imprisoned - but 12 weeks later he was allowed to return to the family home and continue his reign of terror. He seemed to be above the law. Battered and violated, Lizzie knew she had to stay alive to protect her two little brothers. She went on to escape her father's evil clutches, but the physical and mental scars continued to haunt her. Then, as her father lay dying, she summoned the strength and courage to forgive the man who had caused her so much pain.

### **Problem Solving 101**

How long will I love you? A second is too short. A second is no time for a love of this sort. A minute is no better, for minutes fly by! They're gone in a moment like a sweet butterfly. Moving through the day, the seasons and then the years, this ode to everlasting love will reassure children and bring a lump to the throat of parents. Moving and heartfelt, this is the perfect gift for new parents, experienced parents - and even sweethearts. For fans of *Guess How Much I Love You*, from the bestselling author and illustrator Mark Sperring and Alison Brown.

### **Petit guide de survie après une rupture amoureuse**

At Last! A Beginner's Guide to Feline Technology Scratch marks on your furniture. Dead mice on your doorstep. Stray hairs all over your clothes. It's enough to make you cry out, "Why doesn't my cat have an owner's manual?" And now—finally!—she does. Through step-by-step instructions and helpful schematic diagrams, *The Cat Owner's Manual* explores hundreds of frequently asked questions: Which breeds interface best with dogs? How can I maintain a quality exterior finish? And why does my model always drink from the bathtub? Whatever your concerns, you'll find the answers here—courtesy of celebrated veterinarian Dr. David Brunner and acclaimed author Sam Stall. Together, they provide plenty of useful advice for both new and experienced cat owners.

### **Vocabulaire anglais courant**

What can I know? What should I do? What may I hope? What s for dinner? More than two hundred years ago, on a day that takes quite a peculiar course, Professor Kant is working hard to give an answer to all these questions. Not only the morning papers, but also a slightly perfumed letter get in his way however. As a result, he even forgets to go out on his regular digestive walk and everything goes off the rails Light-hearted without being flippant, funny and ironical, and accompanied by congenial artwork, this book tells the story of a day in the life of the great stylite and ancestor of Enlightenment philosophy, Immanuel Kant, sketching some of his major thoughts (without omitting his seemingly minor ones, like the inhabitants of Jupiter have marvelously light-weight bodies which teases readers to develop a historical understanding). The result is a wondrously easy and articulate approach to Kant s important construct of ideas. "

### **I Forgive You, Daddy**

Michel Houellebecq's *Serotonin* is a caustic, frightening, hilarious, raunchy, offensive, and politically incorrect novel about the decline of Europe, Western civilization, and humanity in general. Deeply depressed by his romantic and professional failures, the aging hedonist and agricultural engineer Florent-Claude Labrouste feels he is "dying of sadness." He hates his young girlfriend, and the feeling is almost certainly mutual; his career is pretty much over; and he has to keep himself thoroughly medicated to cope with day-to-day life. Suffocating in the rampant loneliness, consumerism, hedonism, and sprawl of the city, Labrouste decides to head for the hills, returning to Normandy, where he once worked promoting regional cheeses and where he was once in love, and even—it now seems—happy. There he finds a countryside devastated by globalization and by European agricultural policies, and encounters farmers longing, like Labrouste himself, for an impossible return to a simpler age. As the farmers prepare for what might be an armed insurrection, it becomes clear that the health of one miserable body and of a suffering body politic are not so different, and that all parties may be rushing toward a catastrophe that a whole drugstore's worth of antidepressants won't make bearable.

## **Professor Kant's Incredible Day**

Delia's new friend is not what she seems Each day of Delia's first week of high school, her parents ask her the same question: Did you make any friends today? Finally, the answer is yes. Her name is Amandine, and she is the most exciting person in town. An artist, a dancer, and a teller of tall tales, she has enough charm to make Delia forget her loneliness. Like Delia, Amandine is an outsider—a city girl with too much personality for a small town.. Delia notices something strange about her friend from the start. Everything she says is a little bit too wild to be true. When the exaggerations get more serious, Delia finds it's too late to escape. Amandine has chosen Delia—and if Delia isn't careful, the vengeful, dangerous Amandine will set her life on fire. This ebook features a personal history by Adele Griffin including rare images and never-before-seen documents from the author's own collection.

## **Wreck This Journal Everywhere**

Special limited duct tape cover edition of the internationally bestselling

phenomenon with over 7 million copies sold! Paint, poke, create, destroy, and wreck--to create a journal as unique as you are For anyone who's ever had trouble starting, keeping, or finishing a journal or sketchbook comes this expanded edition of *Wreck This Journal*, a subversive illustrated book that challenges readers to muster up their best mistake- and mess-making abilities to fill the pages of the book--or destroy them. Through a series of creative and quirky prompts, acclaimed guerilla artist Keri Smith encourages journalers to engage in destructive acts--poking holes through pages, adding photos and defacing them, painting pages with coffee, coloring outside the lines, and more--in order to experience the true creative process. With Smith's unique sensibility, readers are introduced to a new way of art- and journal-making, discovering novel ways to escape the fear of the blank page and fully engage in the creative process. To create is to destroy. Happy wrecking!

### **Run Away**

New York Times bestseller Elle Kennedy brings you a sexy new Off-Campus novel that can be read as a standalone... She's good at achieving her goals... College senior Sabrina James has her whole future planned out: graduate from college, kick butt in law school, and land a high-paying job at a cutthroat firm. Her path to escaping her shameful past certainly doesn't include a gorgeous hockey player who believes in love at first sight. One night of sizzling heat and surprising tenderness is all she's willing to give John Tucker, but sometimes, one night is all it takes for your entire life to change. But the game just got a whole lot more complicated Tucker believes being a team player is as important as being the star. On the ice, he's fine staying out of the spotlight, but when it comes to becoming a daddy at the age of twenty-two, he refuses to be a bench warmer. It doesn't hurt that the soon-to-be mother of his child is beautiful, whip-smart, and keeps him on his toes. The problem is, Sabrina's heart is locked up tight, and the fiery brunette is too stubborn to accept his help. If he wants a life with the woman of his dreams, he'll have to convince her that some goals can only be made with an assist. ### **The Score**

New York Times bestseller Elle Kennedy brings you a sexy new Off-Campus novel that can be read as a standalone... He knows how to score, on and off the ice Allie Hayes is in crisis mode. With graduation looming, she still doesn't have the first clue about what she's going to do after college. To make matters worse, she's nursing a broken heart thanks to the end of her longtime relationship. Wild rebound sex is definitely not the solution to her problems, but gorgeous hockey star Dean Di Laurentis is impossible to resist. Just once, though, because even if her future is uncertain, it sure as heck won't include the king of one-night stands. It'll take more than flashy moves to win her over Dean always gets what he wants. Girls, grades, girls, recognition, girls...he's a ladies man, all right, and he's yet to meet a woman who's immune to his charms. Until Allie. For one night, the feisty blonde rocked his entire world—and now she wants to be friends? Nope. It's not over until he says it's over. Dean is in full-on pursuit, but when life-rocking changes strike, he starts to wonder if maybe it's time to stop focusing on scoring...and shoot for love. ### **Toi, le (futur) papa geek**

THE BONAPACE METHOD is a couple-centered birth preparation technique that has been validated by numerous scientific studies and is based on the principles of the neurophysiology of pain. This book offers fathers-to-be the necessary support to experience this transition period together with their partners, so that they can play an active and essential role in the reduction of their partners' pain. Strategies learned during the prenatal period reinforce communication between the couple, better preparing them for the birth of the baby and the challenges to come. The techniques introduced in this book are explained in detail with a step-by step outline. They are easy to put into practice and will support you in experiencing a gentle pregnancy and birth.

### **From Here to Paternity**

When his girlfriend decides to give their baby away, seventeen-year-old Sam is determined to keep him and raise him alone.

## **Hanging on to Max**

Don these pop-out masks and plunge into make-believe adventures in an enchanted forest. In an enchanted forest of paper, paint, and whimsy, a hapless hunter bumbles after creatures large and small, from a mother fox and her pups to forest giants and vivid birds. Bold illustrations with dream-world colors bring the woodlands to life. Nine pre-cut pop-out masks allow children to act out the story with family and friends. Slipping into the roles of the book's creatures, they can also create delightful tales of their own and lose themselves in a land of make-believe.

## **Trusting Birth with the Bonapace Method**

A little boy and a little monster are terrified when they awake to find themselves next to each other in bed.

## **I'll Love You Always**

La crise de l'autorité se fait partout sentir, notamment au sein de la famille. Face au comportement de leurs enfants, souvent difficile à gérer, les parents sont souvent désemparés, ne savant quelle attitude adopter. De manière claire et résolument pratique, Frédéric Kochman s'adresse à tous ceux qui s'interrogent régulièrement sur leurs principes éducatifs. Il vise à démonter les mécanismes régissant les principales situations de crises et de conflits entre parents et enfants, depuis leur naissance jusqu'à leur quatrième année. Dans cette tranche d'âge, les petits ont parfois des comportements hyperactifs, ils peuvent même devenir de véritables tyrans. Ce refus de l'obéissance donne alors lieu à des punitions inefficaces et entraîne le désarroi des parents qui se sentent impuissants face à l'insolence de leurs enfants. Un guide pour aider les parents à gérer et régler la plupart des situations conflictuelles en famille.

He's a player in more ways than one College junior John Logan can get any girl he wants. For this hockey star, life is a parade of parties and hook-ups, but behind his killer grins and easygoing charm, he hides growing despair about the dead-end road he'll be forced to walk after graduation. A sexy encounter with freshman Grace Ivers is just the distraction he needs, but when a thoughtless mistake pushes her away, Logan plans to spend his final year proving to her that he's worth a second chance. Now he's going to need to up his game After a less than stellar freshman year, Grace is back at Briar University, older, wiser, and so over the arrogant hockey player she nearly handed her V-card to. She's not a charity case, and she's not the quiet butterfly she was when they first hooked up. If Logan expects her to roll over and beg like all his other puck bunnies, he can think again. He wants her back? He'll have to work for it. This time around, she'll be the one in the driver's seat and she plans on driving him wild.

### **The Mistake**

A perfect family is shattered when their daughter goes missing in this "brilliantly executed" New York Times bestselling thriller from a "master storyteller" (Providence Sunday Journal). You've lost your daughter. She's addicted to drugs and to an abusive boyfriend. And she's made it clear that she doesn't want to be found. Then, by chance, you see her playing guitar in Central Park. But she's not the girl you remember. This woman is living on the edge, frightened, and clearly in trouble. You don't stop to think. You approach her, beg her to come home. She runs. And you do the only thing a parent can do: you follow her into a dark and dangerous world you never knew existed. Before you know it, both your family and your life are on the line. And in order to protect your daughter from the evils of that world, you must face them head on.

### **Le Guide de survie du jeune papa en 80 listes**

Every student at Saskatoon Collegiate knew that all the most important aspects of school life were controlled by a secret club called Shadow Council. Each fall, Shadow held a traditional lottery during which a single student's name was drawn. The rest of the student body called the student the lottery winner. But Shadow Council knew better; to them the winner was the lottery victim. Whatever the label, the fated student became the Council's go-fer, delivering messages of doom to selected targets. In response, the student body shunned the lottery winner for the entire year. This year's victim was fifteen-year-old Sally Hanson.

#### **All I Want For Christmas (Novella)**

Will Jackson is a desperate man - desperate to be a dad, that is. Tired of his laddish lifestyle, he's redecorated the spare room, traded in his beloved sports car for a 4x4, and even drawn up a list of his favourite baby names. In fact, there's only one thing left he's got to do - find a female who'll have his child. But where on earth is he going to find a woman who meets his exacting standards? Certainly not in the

usual bars and clubs he frequents. But Will has a plan - you can find everything else on the Internet these days - so why not someone to start a family with? From Friends Reunited, through the weird world of online dating, even to auctioning his 'services' on Ebay, Will's journey to paternity is a hilarious romp through the pitfalls of procreation. But when push comes to shove, is Will prepared to trade passion for Pampers? What do men really look for when it comes to starting a family? Can the perfect mother also be the perfect partner, or are there more important things than a nice-fitting pair of genes?
