Drama Study Guide for Pygmalion

American Nation

Often thought of as the quintessential poet of New England, Robert Frost is one of the most widely read American poets of the 20th century. But in spite of his ties to New England, he was born in San Francisco; he published his first book of poetry in England rather than the United States; he matured as a poet during his years abroad; and upon his return to America, he sometimes taught at the University of Michigan and spent many of his winters in Florida. This reference book provides hundreds of alphabetically arranged entries on Frost's poems and illuminates the complexities of his life and writings. Entries are written by expert contributors and conclude with brief citations of additional sources of information. The volume includes a chronology and closes with a bibliography of major studies.

Laboratory Experiments

A lively portrait of mid-twentieth-century American book publishing—"A wonderful book, filled with anecdotal treasures" (The New York Times). According to Al Silverman, former publisher of Viking Press and president of the Book-of-the-Month Club, the golden age of book publishing began after World War II and lasted into the early 1980s. In this entertaining and affectionate industry biography, Silverman captures the passionate spirit of legendary houses such as Knopf; Farrar, Straus and Giroux; Grove Press; and Harper & Row, and profiles larger-than-life executives and editors, including Alfred and Blanche Knopf, Bennett Cerf, Roger Straus, Seymour Lawrence, and Cass Canfield. More than one hundred and twenty

publishing insiders share their behind-the-scenes stories about how some of the most famous books in American literary history—from *The Rise and Fall of the Third Reich* to *The Silence of the Lambs*—came into being and why they’re still being read today. A joyful tribute to the hard work and boundless energy of professionals who dedicate their careers to getting great books in front of enthusiastic readers, *The Time of Their Lives* will delight bibliophiles and anyone interested in this important and ever-evolving industry.

World Literature

An “impressive” tale of psychic power, Native American mysticism, and an ancient evil in Alabama, from the New York Times–bestselling author of *Swan Song* (Associated Press). Born and raised in rural Alabama, Billy Creekmore was destined to be a psychic. His mother, a Choctaw Indian schooled in her tribe’s ancient mysticism, understands the permeable barrier between life and death—and can cross it. She taught the power to Billy and now he helps the dead rest in peace. Wayne Falconer, son of one of the most fervent tent evangelists in the South, travels the country serving his father’s healing ministry. Using his unique powers to cure the flock, Little Wayne is on his way to becoming one of the popular and successful miracle workers in the country. He helps the living survive. Billy and Wayne share more than a gift. They share a dream—and a common enemy. They are on separate journeys, mystery walks that will lead them toward a crossroad

where the evil of their dreams has taken shape. One of them will reject the dark. The other will be consumed by it. But neither imagined just how monstrous and far-reaching the dark was, or that mankind's fate would rest in their hands during an epic showdown of good versus evil. From the author of *Gone South*, *Boy's Life*, and the *Matthew Corbett* series, a master of suspense who has won the World Fantasy and Bram Stoker Awards, *Mystery Walk* offers "creepy, subtle touches throughout [and] splendid Southern-town atmosphere" (Kirkus Reviews).

Modern Biology

Gil Gamesh is the only pitcher who ever tried to kill the umpire, and John Baal, The Babe Ruth of the Big House, never hit a home run sober. But you've never heard of them -- or of the Ruppert Mundys, the only homeless big-league ball team in American history -- because of the communist plot and the capitalist scandal that expunged the entire Patriot League from baseball memory. Philip Roth's richly imagined satiric narrative, *The Great American Novel*, turns baseball's status as national pastime and myth into an unfettered farce featuring heroism and perfidy, lively wordplay and a cast of characters that includes the House Un-American Activities Committee.

Webster's College Dictionary

The Tragedy of Othello with Connections

An autobiographical narrative, in which the author describes his experiences in Nazi concentration camps.

Here Be Dragons

Relates the experiences of a little girl as she learns to tell the difference between makebelieve and real life.

English Workshop

The basis for the cult-classic film *The Warriors* chronicles one New York City gang's nocturnal journey through the seedy, dangerous subways and city streets of the 1960s. Every gang in the city meets on a sweltering July 4 night in a Bronx park for a peace rally. The crowd of miscreants turns violent after a prominent gang leader is killed and chaos prevails over the attempt at order. *The Warriors* follows the Dominators making their way back to their home territory without being killed. The police are prowling the city in search of anyone involved in the mayhem. An exhilarating novel that examines New York City teenagers, left behind by society,

who form identity and personal strength through their affiliation with their "family," The Warriors weaves together social commentary with ancient legends for a classic coming-of-age tale. This edition includes a new introduction by the author.

Holt Anthology of Science Fiction

The Warriors

Thirteenth-century Wales is a divided country, ever at the mercy of England's ruthless, power-hungry King John. Llewelyn, Prince of North Wales, secures an uneasy truce by marrying the English king's beloved illegitimate daughter, Joanna, who slowly grows to love her charismatic and courageous husband. But as John's attentions turn again and again to subduing Wales---and Llewelyn---Joanna must decide where her love and loyalties truly lie. The turbulent clashes of two disparate worlds and the destinies of the individuals caught between them spring to life in this magnificent novel of power and passion, loyalty and lies. The book that began the trilogy that includes Falls the Shadow and The Reckoning, Here Be Dragons brings thirteenth-century England, France, and Wales to tangled, tempestuous life.

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Hatchet, [by] Gary Paulsen, with Connections

The story of a young teacher and the mute woman with whom he falls in love.

Love Medicine

Ninth-grader Philip Malloy's suspension for humming "The Star-Spangled Banner" during homeroom becomes a national news story.

Sg the Red Badge of Courage 2000

Nothing But the Truth

The first of Louise Erdrich's polysymphonic novels set in North Dakota - a fictional landscape that, in Erdrich's hands, has become iconic - Love Medicine is the story of three generations of Ojibwe families. Set against the tumultuous politics of the reservation, the lives of the Kashpaws and the Lamartines are a testament to the endurance of a people and the sorrows of history.

The Time of Their Lives

Being healthy is much more than being physically fit and free from disease. Health is the state of well-being in which all of the components of health -- physical, emotional, social, mental, spiritual, and environmental -- are in balance. To be truly healthy, you must take care of all six components. - p. 11.

The Importance of Being Earnest

Preface: This book is an introduction to the reading and critical study of serious fiction. It explains the principal elements, techniques, and types of fiction; it provides a critical vocabulary and describes the writing of critical analyses; it

anticipates many of the student's perennial questions and difficulties. The book will be useful to experienced readers as well as to beginners.
