## **The Mystery of Death**

Sister Faustina Kowalska, the Polish nun who had mystical encounters with the merciful Christ in the early 20th century, was canonized a saint by Pope John Paul II. The Pope also declared the first Sunday after Easter to be Divine Mercy Sunday, and it was during the vigil Mass of this feast that the Holy Father received his last Holy Communion and drew his last breath. The message of Divine Mercy as

communicated through Sister Faustina is both a starting point and a recurring theme for Cardinal Sch nborn's discussion of God's merciful love. The Archbishop of Vienna explores the presence of God's great mercy in the Scriptures, Tradition, the life of Christ, and the sacraments and works of the Church, while raising important questions along the way, such as, "What is the relationship between mercy and justice?" "Mercy is the central nucleus of the Gospel message. In our time humanity needs a strong proclamation and witness of God's mercy . . . Go forth and be witnesses of God's mercy, a source of hope for every person and for the whole world." -- Pope Benedict XVI

### **The Philosophy of Teaching**

Without question, managing people effectively requires strong leadership. Are these leadership qualities easily teachable? What exactly characterizes good leadership qualities? And what are the significant gender differences between masculine and feminine leadership styles? Abbot Primate Notker Wolf and Sister Enrica Rosanna have each held significant leadership positions, and based on their real-world experience, they clearly examine and answer these questions. Together they establish common mistakes that most people make and explain what it truly takes to become an effective leader in business, politics, school, and family life. This is a book that is beneficial to everyone, even if the reader is not in a leadership role.

The Bible is ancient, enigmatic, and from a culture vastly different from our own. That's why most of us find it hard to read. So how can we understand its importance in the church, and how can it enrich our lives? Central to lectio divina is the conviction that to read the Bible faithfully and prayerfully is to learn an ancient

art—by entering into dialogue with the God who speaks to each of us through the biblical page. Enzo Bianchi touches on the essentials of the history of lectio, from the brilliant thinker Origen in the third century to the development of historical criticism in the modern era. He explains how to do lectio and how to understand and implement its four "moments"—lectio, meditatio, oratio, and contemplatio. This is not simply a book about how to approach the Bible, because Scripture ultimately wants to lead us beyond itself, to the truth and mystery of Christ that can never be captured fully in the written word. "With his deep biblical wisdom, Bianchi is able to explore the whole Christian tradition of prayerful reading. St. Benedict mandates at least two hours of lectio divina a day for his monks, which is a considerable challenge for the modern person. But with Enzo as our guide, we can do it!" —Terrence G. Kardong, osb, editor of *American Benedictine Review*

"Enzo Bianchi was born in Castel Boglione, Piedmont, Italy, in 1943. In 1965, after graduating from the University of Turin, he founded an ecumenical monastic community—the Bose Community—of which he is still the prior. Friar Bianchi is a well-known author of books on lectio divina and the spiritual life, which have been translated into many languages. He has dedicated himself to the search for spirituality capable of giving life to Christians today and furthering communion among all people. The Bose Community now numbers over eighty brothers and sisters of various Christian traditions, and receives thousands of visitors annually. Enzo Bianchi is one of the most significant Christian voices in Europe. He shows what can be achieved by an immersion in Scripture that involves both intellect and

imagination alike, and—in common with all the most serious Christian voices of our day—he cannot be labeled as a partisan "liberal" or "traditionalist." He offers exactly what the monastic voice at its truest has always offered: a way into the heart of our ecclesial and social questions that is honest, patient, and sensitive. His is a perspective that the English-speaking Christian world should welcome enthusiastically." —Rowan Williams, Magdalene College, Cambridge "I hope that these pages may be heard as a simple yet faithful echo of my personal experience, my community's path and my journey with the church. For years, I have broken the bread of the Word for the brothers and sisters in my community. Much of what I say here comes from that experience. It also comes from many years of preaching the Word to listeners from all walks of life. I would like to see this book ultimately as no more than a small gesture of gratitude to those witnesses of the Word whom the Lord has allowed me to meet, those "martyrs" of faith who have found ways to express all the richness of the Gospel in their lives. Only those people who put God's Word into practice have really heard it. They are the ones who truly understand the biblical text, because they obey without delay the word Christ never tires of speaking to us. The sequential sancti evangelii for today—today's Gospel—is not the product of brilliant scholarly research. It is the life and witness of God's holy people, those who are faithful disciples of the Word made flesh, their Lord." —Enzo Bianchi

Questo ebook raccoglie le meditazioni tenute da Padre Cantalamessa alla presenza del Papa e dei suoi più stretti collaboratori in occasione della Quaresima 2003. Al centro della riflessione è il mistero della Chiesa, colto e riscoperto anche nelle conseguenze pratiche che ne scaturiscono per la vita spirituale. Le meditazioni sono svolte, secondo il metodo tradizionale della "lectio divina", seguendo il testo della Lettera agli Efesini, il testo ecclesiologicalo per eccellenza del Nuovo Testamento. Seguendo la progressione presente nella Lettera, la Chiesa viene contemplata attraverso le quattro immagini classiche di edificio, corpo, sposa e madre. Chiude il testo un'intensa riflessione sulla famiglia come "Chiesa domestica".

This translation of L'apocalittica giudaica e la sua storia makes Professor Sacchi's innovative thesis on Jewish apocalyptic available to a wider, English-reading audience. Sacchi argues that the term 'apocalyptic' is a modern invention, deriving from the wish to conceptualize the field of research on the affinities between the Apocalypse of John and other works of its time. These affinities do not just relate to

literary character and form but also in part to content. Focusing on the material of 'Enoch' Sacchi concludes that what is needed is a more precise, literary and historical definition of 'apocalyptic'.

### **Jewish Apocalyptic and its History**

Abraham, notes Cardinal Martini in this book dedicated to the figure of the great patriarch, is the father of faith on the move, a symbol of all those who seek God. He is our father 'not only in life as it is lived, in faith considered objectively' but also 'for his radical attitude of faith' which makes him 'the exemplary model of the human being in an attitude of acceptance and availability.' His setting out on the journey reminds us, of course, of the need to free ourselves from the ambiguity of a certain 'traditional belief'. In fact, Abraham would learn the hard way how unpredictable God is in his incredible irruption into history. He would learn this by going through fear and temptation, discovering how God's ways are capable of surprising and disturbing us. In the name of the promise he had received from God, Abraham would be capable of making great and free choices, moved by a social justice bearing the mark of availability, magnanimity and gift. his journey, like that of every human being, is not a straight one, but it does lead to the discovery of the true God.

## **Lectio Divina**

The period of Israel's Babylonian exile is one of the most enthralling eras of biblical history. During this time Israel went through its deepest crisis, and the foundation was laid for its most profound renewal. The crisis provoked the creation of a wealth of literary works such as laments, prophetic books, and historical works, all of which Albertz analyzes in detail through the methods of social history, composition criticism, and redaction criticism. In addition, Albertz draws on extrabiblical and archaeological evidence to illuminate the historical and social changes that affected the various exilic groups. Thirty-five years after Peter Ackroyd's classic *Exile and Restoration*, Albertz offers a new generation of biblical scholars and students an equally important appraisal of recent scholarship on this period as well as his own innovative and insightful proposals about the social and literary developments that took place and the theological contribution that was made. Includes chronological table, map of the ancient Near East, and passage index. - Publisher.
