Justin Bieber Uncovered!

This fresh, smart novel in the guise of a celebrity memoir probes the inner life of a mega-famous pop star. Honestly, what amazes me the most with a lot of the people I meet is that they think they're so big. They think, ultimately, that the universe revolves around them. And I'm beginning to think that it's only when you live a life like mine—it's only when you're in a position where you don't even really own yourself, when you can't even really say that you're a citizen of any particular country—that you realize that we're all just tiny pieces of cosmic dust floating through the void until we disappear forever and we're never heard from again. So begins the life story of our uber famous twenty-two year old narrator. A teen idol since he was twelve, when a video of him singing went

viral, his star has only risen since. Now, haunted by the suicide of his manager-father, unsettled by the very different paths he and his teenage love (and girl pop-star counterpart) “Mandy” have taken, and increasingly aware that he has signed on to something he has little control over, he begins to parse the divide that separates him from the “normal people” of the world. Sneakily philosophical, earnest and funny, Justin Kuritzkes's *Famous People* is a rollicking, unforgettable look at the clash between fame and the human condition.

This engaging and inspirational book by Carl Lentz, the rock star pastor of Hillsong NYC, shows us the way toward a more connected, spiritually-grounded, and fulfilled life. When you think of a Christian pastor, you probably don't envision a tattooed thirty-something who wears a motorcycle jacket, listens to hip-hop music, references *The Walking Dead* and Black Lives Matter in his sermons, and every Sunday draws a standing-room only crowd to a venue normally used for rock concerts—in godless New York City, no less. But then you clearly have never met Carl Lentz. As lead pastor of the first United States branch of global megachurch Hillsong, the former college basketball player is on a mission to make Christianity accessible in the 21st century. In *Own The Moment*, he shares the unlikely and inspiring story of how he went from being an average teenager who couldn't care less about church to leading one of the country's fastest-

growing congregations—how one day he is trying to convince a Virginia Beach 7-Eleven clerk to attend his service, and just a few years later he is baptizing a global music icon in an NBA player’s Manhattan bathtub. Amid such candid personal tales, Lentz also offers illuminating readings of Bible passages and practical tips on how to live as a person of faith in an increasingly materialistic world. How do you maintain your values—and pass them onto your children—in a society that worships money and sex and fame? How do you embrace your flaws in this Instagram era that exalts the appearance of perfection? How do you forget about “living the dream” and learn to embrace the beauty of your reality? These are just a few of the many important questions Lentz answers in *Own The Moment*—a powerful book that redefines not just Christianity but spirituality as a whole.

All this would be explained in good time, except that a freak thunderstorm at sea throws Rebecca and Kurt overboard, and they have to swim for their lives to a deserted island. It's one thing to (barely) survive each other, but what other disturbing secrets does the so-called 'island' hold for them? **MAROONED WITH THE ROCK STAR** is a 181-page full-length rock star romance novel that will make you laugh and cry and weep with the characters.
