9 Faces of Love

In a village of human and orc alliances, the strength of an orc is a huge asset but Nara is pretty wimpy when it comes to your average orc powerhouse. That's why his father puts him under the tutelage of the Captain, the beloved beauty and gifted heroine who's going to do everything to make a man out of him!

Bannertail

Everyone's favorite gang of high schoolers is back for their final year. This time, the gang takes a trip to sunny Okinawa, where Osaka plays with sea cucumbers and looks for something to eat. Yomi announces her intention to join InterPol, and Sakaki gets a cat that will (gasp!) let her pet it! When the gang gets together for a camping trip, Mr. Kimura makes his big confession to one of the students! Meanwhile, Chiyo-chan seems to be disappearing under a horde of pigeons. It's all the zaniness and tongue-in-cheek comedy you've come to expect from this popular series, culminating in the bittersweet graduation ceremony where everyone goes their separate ways.

Starfinder

Top-class pilots were crucial to the survival of Great Britain during the dark days of the Blitz, and playing a vital role in fending off the German attack were the women's section of the Air Transport Auxiliary, a close and dedicated circle of female pilots. In the midst of events that would shape history, these women risked their lives to ferry aircraft day and night from factory to the arena of war, and lasting friendships were born. Together, Edith Allam and her fellow pilots faced Nazi terror, class prejudice, and the forbidden romances of wartime - yet their remarkable strength carried them through. Spitfire Girls evokes all of the drama of this extraordinary period of history, and is a tribute to the heroism of these brave women, without whom the Battle of Britain might never have been won. Truly inspirational, it is the tale of adventure, courage and the relationships that shape all of our lives.
