A Finalist for the Nebula Award for Best Novel and the 2019 Lammy Award for best LGBTQ SF/F/Horror! One of the best books of 2018, according to NPR, Publishers Weekly, BuzzFeed, the Chicago Review, BookPage, and the B&N Sci-Fi and Fantasy Blog. C. L. Polk arrives on the scene with *Witchmark*, a stunning, addictive fantasy that combines intrigue, magic, betrayal, and romance. The New York Times calls it “thoroughly charming and deftly paced an accomplished and enjoyable debut.” In an original world reminiscent of Edwardian England in the shadow of a World War, cabals of noble families use their unique magical gifts to control the fates of nations, while one young man seeks only to live a life of his own. Magic marked Miles Singer for suffering the day he was born, doomed either to be enslaved to his family's interest or to be committed to a witches' asylum. He went to war to escape his destiny and came home a different man, but he couldn't leave his past behind. The war between Aeland and Laneer leaves men changed, strangers to their friends and family, but even after faking his own death and reinventing himself as a doctor at a cash-strapped veterans' hospital, Miles can't hide what he truly is. When a fatally poisoned patient exposes Miles' healing gift and his witchmark, he must put his anonymity and freedom at risk to investigate his patient's murder. To find the truth he'll need to rely on the family he despises, and on the kindness of the most gorgeous man he's ever seen. The Love Queen of Malabar

From the beloved World Fantasy Award-winning author of Witchmark comes a sweeping, romantic new fantasy set in a world reminiscent of Regency England, where women's magic is taken from them when they marry. A sorceress must balance her desire to become the first great female magician against her duty to her family. Beatrice Clayborn is a sorceress who practices magic in secret, terrified of the day she will be locked into a marital collar that will cut off her powers to protect her unborn children. She dreams of becoming a full-fledged Magus and pursuing magic as her calling as men do, but her family has staked everything to equip her for Bargaining Season, when young men and women of means descend upon the city to negotiate the best marriages. The Clayborns are in severe debt, and only she can save them, by securing an advantageous match before their creditors come calling. In a stroke of luck, Beatrice finds a grimoire that contains the key to becoming a Magus, but before she can purchase it, a rival sorceress swindles the book right out of her hands. Beatrice summons a spirit to help her get it back, but her new ally exacts a price: Beatrice's first kiss . . . with her adversary's brother, the handsome, compassionate, and fabulously wealthy Ianthe Lavan. The more Beatrice is entangled with the Lavan siblings, the harder her decision becomes: If she casts the spell to become a Magus, she will devastate her family and lose the only man to ever see her for who she is; but if she marries—even for love—she will sacrifice her magic, her identity, and her dreams. But how can she choose just one, knowing she will forever regret the path not taken?

Depicting the author's intensely personal experiences in her passage to womanhood and shedding light on the hypocrisies that informed

traditional society, this memoir was far ahead of its time and is now acknowledged as a bona fide masterpiece.

Marthanda Varma

"I feel a woman is most attractive when she surrenders to her man. She is incomplete without a man," averred Kamala Das shortly before her death in May, 2009. One of the most controversial and celebrated Indian authors, she combined in her writings rare honesty and sensitivity, provocation and poignancy. *The Kept Woman and Other Stories* explores the man-woman relationship in all its dimensions. Deprived, depraved, mysterious, mystical and exalted, each character, culled from experience and observation, is an incisive study of love, lust and longing.
