The Ultimate Marketing Plan

Social networks are the new norm and traditional marketing is failing in today's digital, always-on culture. Businesses across the world are having to face up to

how they remain relevant in the choppy waters of the digital ocean. In an era where a YouTube star gets more daily impressions than Nike, Coca-Cola and Walmart combined, traditional marketing as we know it is dead. The End of Marketing revolutionizes the way brands, agencies and marketers should approach marketing. From how Donald Trump won the American presidency using social media and why Kim Kardashian is one of the world's biggest online brands, through to the impact of bots and automation, this book will teach you about new features and emerging platforms that will engage customers and employees. Discover bold content ideas, hear from some of the world's largest brands and content creators and find out how to build smarter paid-strategies, guaranteed to help you dominate your markets. The End of Marketing explains that no matter how easy it is to reach potential customers, the key relationship between brand and consumer still needs the human touch. Learn how to put 'social' back into social media and claim brand relevancy in a world where algorithms dominate, organic reach is dwindling and consumers don't want to be sold to, they want to be engaged.

Millionaire maker Dan S. Kennedy and local-level marketing specialist Jeff Slutsky empower small business owners to take on big box companies and distant discounters using their best asset—their ability to bond directly with their consumers. Small business entrepreneurs are armed to go “grassroots” given winning strategies to take their marketing to the street level resulting in higher customer retention, greater referrals, and a thriving business for the long-term. About the Book Kennedy and Slutsky dare small business owners to break free of the ingrained tendencies to “advertise when you need more customers” and to copycat what they see big, national companies doing. Local business owners are urged to add some politicking to their business presence, focusing their marketing on directly connecting with their customers, integrating them into their community and even, their daily activities. Kennedy and Slutsky deliver creative, high impact alternatives and supplements to disappointing traditional advertising and new media including strategies for gaining free advertising from local news media, creating events that multiply customers, and effectively using direct mail. Small

business owners also uncover surefire tactics that capitalize on their neighborhoods, the four walls of their business, and the internet, reaching their local customers and creating a sense of a personal relationship. Throughout their lesson in going grassroots, Kennedy and Slutsky also reveal the nine inconvenient truths of grassroots marketing, keeping small business owners on track and on their way local business stardom. Features • Presents a marketing approach specifically engineered for small (local) businesses • Reveals 9 No B.S. inconvenient truths and how to implement them • Illustrates concepts with examples from practicing business owners • From Dan Kennedy, author of the popular No B.S. books including No B.S. series, which shipped more than 250,000 copies • Identifies what's wrong with traditional and new media advertising • Offers methodology to break free from ingrained tendencies and copycat marketing

The End of Marketing

Millionaire maker Dan S. Kennedy and pricing/marketing strategist Jason Marris empower small business owners to take control of their profits by taking charge of the source: their price. Entrepreneurs are dared to re-examine their every belief about pricing and take a more creative, bold approach, using price to their extreme advantage and allowing them to be as profitable as possible. Liberating small business owners from all fear and timidity toward pricing, Kennedy and Marris teach small business owners uncover how to avoid the 9 ultimate price and fee failures including excess concern about competitors' lower prices, attracting customers who buy by price, and not offering premium pricing options. They also reveal how to discount without damage, the secret to price elasticity, how to break free from the price-product link, and, most importantly, how to set prices for the greatest profits. ? Kennedy and Marris disclose little-known revelations about the power of pricing including: ? the 9 ultimate price and fee failures ? the trick behind discounting without devaluing ? the 5 price-related propositions to be concerned with ? the million-dollar secret behind "FREE" ? how to win price wars with competitors ? Includes access to price strategy support tools at www.simplepricingsystem.com ? Covers pricing strategies specific to recessions

Barely one in a hundred businesspeople knows these facts about creating powerful advertising. Do You? FACT! Sixty percent of people read only headlines. Your headline must stop them or your advertising will likely fail. FACT! Captions under photos get 200 percent greater readership than non-headline copy. FACT! Ads with sale prices draw 20 percent more attention. FACT! Half-page ads pull about 70 percent of full-page ads; quarter-page ads pull about 50 percent of full-page ads. FACT! Four-color ads are up to 45 percent more effective than black and white. New York's biggest ad agencies use dozens of these little-known secrets every day to influence people to buy. And now—thanks to Cashvertising—you can, too. And it won't matter one bit whether you're a corporate giant or a mom-and-pop pizza shop. These techniques are based on human psychology. They work no matter where you're located, no matter what kind of product or service you sell, and no matter where you advertise. In fact, most don't cost a penny to use. Like a wild roller-coaster ride through the streets of Madison Avenue, Cashvertising teaches

you the tips, tricks, and strategies that New York's top gun copywriters and designers use to persuade people to buy like crazy. No matter what you sell—or how you sell it, this practical, fast-paced book will teach you: How to create powerful ads, brochures, sales letters, Websites, and more How to make people believe what you say “Sneaky” ways to persuade people to respond Effective tricks for writing “magnetic” headlines What mistakes to avoid at all costs! What you should always/never do in your ads Expert formulas, guidance, tips and strategies

No Bullshit Social Media

CHANGE YOUR MATH CHANGE YOUR BUSINESS CHANGE YOUR LIFE Almost Alchemy challenges your existing beliefs and self-imposed limitations--forcing you to re-imagine, reinvent, and reorganize your business to achieve and exceed goals in a systematic and sustainable way. In this radical new book, Dan Kennedy destroys the myth that "Knowledge is Power" by exposing 20 different proven strategies to ensure business sustainability and maximize wealth extraction. It is thought-provoking, cage-rattling and mind blowing all in one. Alchemy isn't writing slightly better copy or tweaking your marketing to take advantage of some new media or some other hot trend. Instead, it's about reinventing the way you think about your business, recognizing the "brutal realities" that few dare to embrace or refuse to even recognize and turning information into ACTION and PROFIT. In its mythical context, Alchemy was about one thing and one thing only: transforming ordinary metals into gold. And like thousands of others, you may start this book thinking you're in an ordinary business and finish realizing you instead have a different, bigger, better, more valuable one.

No B.S. Sales Success In The New Economy

To avoid grabbing every business owner he meets by the shoulders and shaking them, millionaire maker Dan S. Kennedy has joined with marketing strategist Kim Walsh-Phillips to help business owners, private practice professionals, and professional marketers start making dollars and cents of their social media marketing. Daring readers to stop accepting non-monetizable “likes” and “shares” for their investment of time, money, and energy, Kennedy and Walsh-Phillips urge readers to see their social platforms for what they are—another channel to reach customers and gain leads and sales for their efforts. Illustrated by case studies and examples, this No B.S. guide delivers practical strategies for applying the same direct-response marketing rules Kennedy has himself found effective in all other mediums. Covers:

- How to stop being a wimp and make the switch from a passive content presence into an active conversion tool
- How to become a lead magnet by setting up social media profiles that focus on the needs of ideal prospects (not the product or service)
- Creating raving fans that create introductions to their networks
- How to move cold social media traffic into customers
- The role of paid media and how to leverage social media advertising to drive sales

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to

connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do.

American advertising pioneer CLAUDE C. HOPKINS (1866-1932) is still renowned today for developing such marketing innovations as coded coupons that could be used to track the success of varying offers. His methods are still prized for their efficacy today. In this groundbreaking 1923 work, written after he retired as president and chairman of one of the world's biggest ad agencies, Hopkins shares the secrets of successful marketing that are just as relevant today as they were almost a century ago. Learn: . how advertising laws are established . the importance of just salesmanship . why businesses must offer service . mail order advertising: what it teaches . what makes headlines effective . understanding customer psychology . how to use art in advertising . how to use samples . the best way to test campaigns . the impact of negative advertising . and much more.

MAGNETIC MARKETING(R) is a radical, dramatically different sea-change in the way new customers, clients, patients or prospects are attracted and in the way products, services, businesses and practices are advertised. It is a "change movement" that has established itself in over 136 different niches, business categories, industries and professions, but is still also a "best kept secret"--its practitioners are in a "secret society." It--and only it--offers real protection from commoditization, Amazon-ization, price and profit destruction. It is soundly based on well-proven strategies dating from the turn of the century to the present. No academic theories, no vague "ideas," no fads. No BS! The makings of a system for your business's sustainability and growth you can rely on. It is introduced to you in this important and timely book. You have made a wise decision obtaining it. Entrepreneurs and small business owners are urged to avoid the two biggest branding mistakes they can make—first, investing in building their brand in ways that copycat big-name companies, and second, struggling to build a brand sensitive to everyone and anyone, rather than focusing on those who are spending with them. Led by Dan S. Kennedy, with the support of Forrest Walden and Jim Cavale, the co-founders of Iron Tribe Fitness, and other marketing/branding vets including Bill Gough, the number-one marketing adviser to Allstate agents; Steve Adams, CEO of a chain of 21 retail stores and an e-commerce business, and Nick Nanton, of the Dicks-Nanton Celebrity Branding Agency, entrepreneurs learn how to develop and gain profit from their personal or business brand—without corporate-sized investment. Mastering Kennedy's branding truths and utilizing proven direct-response advertising and marketing methods, entrepreneurs create their own brand tribe—customers who believe in, buy, and promote their brand. Truths and tactics are illustrated with case studies, examples and insights from other well-known brands.

The Real-Life MBA

The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website Ask a Manager and New York's work-advice columnist. There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she

tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit “reply all”
- you're being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate's loud speakerphone is making you homicidal
- you got drunk at the holiday party

Advance praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Clear and concise in its advice and expansive in its scope, Ask a Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in).”—Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck*

Infinite Jest

The founders of the Information Marketing Association and 30 ultra-successful information marketers reveal carefully guarded information on building a highly profitable information marketing business. The 2nd edition offers new cases and success stories, new chapters on social networking and over 40 new ways to make money with information products. The indisputable gurus of the information marketing world have broken ranks. Formerly relegated to the information marketing industry's typical fare of high-priced audio CDs, manuals and courses, once carefully guarded information on building a highly profitable information marketing business has been released to the general public in book form. Most info-marketers are lone wolf, small, quiet operators, many with home-based businesses, most with zero or just a few employees, most working only part-time hours, and most netting seven-figure profits. In other words, there is no reason any reader of this book can't do exactly the same thing in just a few short months. Readers create an entirely new business that gives them added income or replaces their current salary entirely. It just takes the information they already know and the simple nine-step formula in this unprecedented book. Time and again, this formula has been proven to work--to the point where most info-marketers have a million-dollar business in just a year.
