### How to See Heaven

Join Dr. Jonathan Welton as he takes you back in time to the seven churches of Ancient Asia Minor (modern Turkey). The apostle John wrote the revelation of Jesus Christ to seven literal churches and gave them a magnificent picture of the new covenant world replacing the old covenant world.

### Understanding the Whole Bible

This book will help you find the USA in the Bible. It will help you find the vital role God has assigned the USA in His plan. USA is Ephraim. USA is the western gate of the world through which all divine movements in the physical world begin—Numbers 2:18. USA is God's first born—Jeremiah 31:9: "They shall come with weeping, And with supplications I will lead them. I will cause them to walk by the rivers of waters, In a straight way in which they shall not stumble; For I am a Father to Israel, And Ephraim is My firstborn." The USA is being called to repentance in this Jeremiah 31:9 verse that means offspring (31) of fruit of the spirit and divine completion from Him (9). Ephraim is half-Israel and half-Egyptian, and so is USA. The USA is being called out of the sin and idolatry of its Egyptian half such as seen in the eye of Horus on top of the pyramid at the back of the 1-dollar bill in Hosea 11:1: "When Israel was a child, I loved him, And out of Egypt I called My son." The USA is being called to repentance because it is the leader of the world; as the USA goes, so does the world. Satan is therefore keen to usurp the USA and use it to establish his kingdom through the New World Order global government. Satan has evolved this plot over thousands of years. All players and institutions are in place and ready to take over the entire globe. The only

problem: the physical door of the world that is USA has been shut in Satan's face by God. God has done this by raising Donald Trump to block the final move of the antiChrist system. Read this book therefore to understand the phenomena that is Donald Trump and why God has raised him as a wall against the move of Satan in these end times, despite all his many human flaws. Read this book to understand the future of America and what we, especially as believers must do, in this 2020 election period, when the USA will either end up in continued preservation (45) or tribulation (46) depending on our choices and our efforts to either support God's move, or Satan's move.

## **The Physics of Heaven**

Friends kept prodding me to write this book because of the need for a look at the other side of the coin on popular issues like "apostles", "authority", "submission", "spiritual covering", and "spiritual fathers". This is a thoroughly scriptural presentation on these issues. It explains the results of my study of every single scripture and key word usage in the New Testament relating to these issues, and also includes stories of real modern-day apostles and leaders. This book uncovers the strong hierarchical and authoritarian bias of many English scripture translations and shows that the teachings of the epistles do not contradict the teachings of Jesus in Matthew 23. Rather, they agree exactly with what Jesus taught. Endorsed by influential leaders and church planters, this book will both challenge and encourage you. I believe that this scriptural presentation of a non-hierarchical paradigm for Christian leadership will answer many questions and help to clear up the confusion that so often surrounds these issues.

## **School of the Seers**

Jesus and the Book of Acts are the standard of Normal Christianity. Remember the fad a few years ago when people wore bracelets reminding them, "What Would Jesus Do?" Christians state that Jesus is the example of how to live, yet this has been limited in many cases to how we view our moral character. When Christians tell me that they want to live like Jesus, I like to ask if they have multiplied food, healed the sick, walked on water, raised the dead, paid their taxes with fish money, calmed storms, and so forth. I typically receive bewildered looks, but that's what it is like to live like Jesus! Perhaps we are ignoring a large portion of what living like Jesus really includes. While I agree that we are to live like Jesus, "Those who say they live in God should live their lives as Jesus did" (1 John 2:6 NLT). I am also aware that the application of Jesus' model has been minimized to something that can be accomplished by living a moral life. Many Christians believe that they can live like Jesus without ever operating in the supernatural. After reading in the Bible about all of the miracles He performed, does that sound right to you? ### **Last Days Madness**

The topic of fivefold ministry-the apostle, prophet, teacher, pastor and evangelist appointed by Christ to equip His Church-was central to two movements in previous decades: The Shepherding Movement in the 1970's and the New Apostolic Reformation in the 1990's and early 2000's. While both movements saw important elements of this ministry restored to the church, they also saw misunderstanding and abuses that prevented the fivefold from becoming more widely established in doctrine and practice.

Most human cultures govern through the fear of punishment. Yet the New Testament calls the body of Christ to a very different style of government--the government of mature love, which drives out the fear of punishment (1 John 4:18), and leads people who sin on a journey of repentance, restoration, and reconciliation. Unpunishable lays out a roadmap for making this cultural shift, challenging all believers, and especially leaders, to leave the familiar tools of punishment behind and learn the practices that empower people to walk in the light of freedom and love, own and clean up their messes, and mature into sons and daughters who look like their Heavenly Father.
