### Childhood's End

Practical Advice for Getting Ahead Ever feel like your budget has gone off track, or make it to the end of the month and wonder where your money actually went? A month of no-spending is the perfect way to reset your spending habits, but doing it alone can seem downright scary. What if there was a simple resource that offered a month of daily challenges for spending not just less, but absolutely ZERO. What if you could gain confidence from daily ideas for planning your meals, getting your home in order, and becoming more creative—all without spending a dime? 31 Days of Living Well & Spending Zero is that resource. As you work through the ideas found in month-long challenge, you will: Discover the surprising joy of zero spending, and make instant changes that will totally transform your attitude. - Learn how to use the food you already have on hand to create delicious, budget friendly meals for your family. - Be inspired to clean and declutter your living space in order to create the cozy space you've always dreamed of. - Gather innovative ideas for using those items you already have on hand to create new solutions for old problems. - Find encouragement and inspiration from others who have completed this same challenge—and lived to tell the tale. - Learn simple tricks and tips for selling your stuff, slashing your bills, and even saving on food.

### Kakebo: The Japanese Art of Saving Money

Organize your life, record what matters, and get stuff done! What the heck is a dot journal? It's a planner, to-do list, and diary for every aspect of your life: work, home, relationships, hobbies, everything. Early adopter Rachel Wilkerson Miller explains how to make a dot journal work for you—whether you find the picture-perfect examples on Pinterest inspiring or,

well, intimidating. You decide how simple or elaborate your journal will be, and what goes in there: Lists of your to-dos, to-don'ts, and more Symbols that will make those lists efficient and effective Spreads to plan your day, week, month, or year Trackers for your habits and goals (think health, money, travel) Accouterments such as washi tape, book darts, and more!

### **Dot Journaling—A Practical Guide**

Give it for yourself friends family and co-worker and Have a great year together.

### **Plan Your Year**

In the Retro Hugo Award-nominated novel that inspired the Syfy miniseries, alien invaders bring peace to Earth—at a grave price: “A first-rate tour de force” (The New York Times). In the near future, enormous silver spaceships appear without warning over mankind’s largest cities. They belong to the Overlords, an alien race far superior to humanity in technological development. Their purpose is to dominate Earth. Their demands, however, are surprisingly benevolent: end war, poverty, and cruelty. Their presence, rather than signaling the end of humanity, ushers in a golden age . . . or so it seems. Without conflict, human culture and progress stagnate. As the years pass, it becomes clear that the Overlords have a hidden agenda for the evolution of the human race that may not be as benevolent as it seems. “Frighteningly logical, believable, and grimly prophetic . . . Clarke is a master.” —Los Angeles Times

### **Craft: Volume 01**

There is a movement of women stepping into their God-given gifts to make money doing what they love. If you're ready to join them, this is your handbook that will take the ideas in your head and the dream in your heart and turn them into action. \*Help you create a step-by-step, customized plan to start and grow your business. \*Show you how to manage your time so you can have a business- and life- that you love. \*Explain overwhelming business stuff like pricing, taxes, and budgeting in simple terms. \*Teach you how to use marketing to reach the right people in the right way.

## Keep Sharp

In Search of the Good Life Have you ever felt that your life--and budget--is spiraling out of control? Do you sometimes wish you could pull yourself together but wonder exactly how to manage all the scattered pieces of a chaotic life? Is it possible to find balance??? In a word, yes.?? Ruth Soukup knows firsthand how stressful an unorganized life and budget can be. Through personal stories, biblical truth, and practical action plans, she will inspire you to make real and lasting changes to your personal goals, home, and finances. With honesty and the wisdom of someone who has been there, Ruth will help you:

- \* Discover your "sweet spot"--that place where your talents and abilities intersect.
- \* Take back your time and schedule by making simple shifts in your daily habits.
- \* Reduce stress in your home and family by clearing out the clutter.
- \* Stop busting your budget and learn to cut your grocery bill in half.

Who Needs This Book? Living Well, Spending Less was written to bring hope and encouragement to every woman who currently feels overwhelmed or stressed with a life--and budget--that feels out of control. It speaks to the mom trying to juggle all the demands of a busy life with the pressure to keep up with those around her. It is a practical guide for those of us who often long to pull ourselves together but don't always know how. It is real, honest, packed with practical tips, and speaks to the heart of the matter--how can we live the life we've always wanted? Want to know if this book is for you? \* Do you ever find yourself comparing your life to those around you? \* Have you ever wished for the courage to follow your dreams? \* Do you ever struggle to stay organized or get things done? \* Have you ever felt loaded down with stuff you don't really need.or even really want? \* Do you ever struggle to keep your finances on track? \* Do you sometimes long for deeper, more authentic relationships in your life? If the answer to any of these questions is YES, this book provides real and practical solutions from someone who has been there. Ruth doesn't just offer advice, she walks it with you, and shares with brutal honesty her own mistakes, failures, and shortcomings. It is encouraging, motivating, and life-changing. What Others Are Saying: "An incredible book that will teach you how to spend smart without compromising a great life. Ruth's stories and practical advice will make you want to be a better mother, wife, sister, and friend." --RACHEL CRUZE, coauthor with Dave Ramsey of Smart Money Smart Kids "Ruth knows firsthand how mamas like us live crazy busy lives, and she steps in as a friend to help us manage and love every minute of it. She offers her best tips for gaining control over the chaos with wisdom-based insights on all things thrifty and family. I'll be reading it again and again!" --RENEE SWOPE, bestselling author of A Confident Heart

## Monthly Budget Planner

THE NO.1 BESTSELLER IN AUSTRALIA AND THE UK BASED ON THE LATEST GROUNDBREAKING SCIENCE THE ULTIMATE GUIDE FROM THE CREATOR OF THE 5:2 - HOW TO COMBINE RAPID WEIGHT LOSS AND INTERMITTENT FASTING FOR LONG-TERM GOOD HEALTH AN EXCITING NEW PROGRAMME BUILT AROUND A MORE MANAGEABLE 800-CALORIE FAST DAY Six years ago, Dr Michael Mosley started a health revolution with The 5.2 Fast Diet, telling the world about the incredible power

of intermittent fasting. In this book he brings together all the latest science (including a new approach: Time Restricted Eating) to create an easy-to-follow programme. Recent studies have shown that 800 calories is the magic number when it comes to successful dieting – it's an amount high enough to be manageable but low enough to speed weight loss and trigger a range of desirable metabolic changes. Depending on your goals, you can choose how intensively you want to do the programme: how many 800-calorie days to include each week, and how to adjust these as you progress. Along with delicious, low-carb recipes and menu plans by Dr Clare Bailey, *The Fast 800* offers a flexible way to help you lose weight, improve mood and reduce blood pressure, inflammation and blood sugars. Take your future health into your own hands. 'I lost 16kg in the first 8 weeks and then another 6kg. I've never been healthier.' Denise, 51

### **THE MEANINGFUL MONEY HANDBOOK**

- Tips for maximizing coupons
- Tricks for finding hidden bargains
- Delicious recipes that stretch every dollar
- Techniques for smart, stress-free shopping

### **Broke Millennial**

Each of us has but one life to live on this earth. What we do with it is our choice. Are we drifting through it as spectators, reacting to our circumstances when necessary and wondering just how we got to this point anyway? Or are we directing it, maximizing the joy and potential of every day, living with a purpose or mission in mind? Too many of us are doing the former--and our lives are slipping away one day at a time. But what if we treated life like the gift that it is? What if we lived each day as though it were part of a bigger picture, a plan? That's what New York Times bestselling author Michael Hyatt

and executive coach Daniel Harkavy show us how to do: to design a life with the end in mind, determining in advance the outcomes we desire and path to get there. In this step-by-step guide, they share proven principles that help readers create a simple but effective life plan so that they can get from where they are now to where they really want to be--in every area of life.

Keep your brain young, healthy, and sharp with this science-driven guide to protecting your mind from decline by

neurosurgeon and CNN chief medical correspondent Sanjay Gupta. Throughout our life, we look for ways to keep our mind sharp and effortlessly productive. Now, globetrotting neurosurgeon Dr. Sanjay Gupta offers insights from top scientists all over the world, whose cutting-edge research can help you heighten and protect brain function and maintain cognitive health at any age. *Keep Sharp* debunks common myths about aging and cognitive decline, explores whether there's a "best" diet or exercise regimen for the brain, and explains whether it's healthier to play video games that test memory and processing speed, or to engage in more social interaction. Discover what we can learn from "super-brained" people who are in their eighties and nineties with no signs of slowing down—and whether there are truly any benefits to drugs, supplements, and vitamins. Dr. Gupta also addresses brain disease, particularly Alzheimer's, answers all your questions about the signs and symptoms, and shows how to ward against it and stay healthy while caring for a partner in cognitive decline. He likewise provides you with a personalized twelve-week program featuring practical strategies to strengthen your brain every day. *Keep Sharp* is the only owner's manual you'll need to keep your brain young and healthy regardless of your age!

### **Business Boutique**

27-year-old personal finance expert Erin Lowry is the cash-savvy friend every 20- and 30-something needs. Instead of complicated 401k strategies and jargon-filled debt advice, her hilarious, easy-to-understand guide is the perfect way for financial management newbies to get their money in order or elevate their personal finance know-how. *Broke Millennial* includes essential lessons in tricky money matters to take you from in debt and overwhelmed to informed and financially empowered, such as- Managing student loan and credit card debt Budgeting and reaching financial benchmarks Negotiating an entry-level salary Splitting the bill with cash-strapped friends Navigating financial issues in serious relationships, and more Filled with practical suggestions and speaking specifically to issues that Millennials face as they age into adulthood, *Broke Millennials* is a fresh roadmap to financial literacy for a new generation.

### **Bonnie's Household Budget Book**

Marital strife and divorce can be your chance to profoundly transform yourself, your mindset and your relationship with a more harmonious and steady vision. While many of us may be better together, some of us can actually become better apart. What if you emerged from your divorce stronger and more resilient than ever before? *Better Apart* is the first book to apply the life-changing, healing wisdom of meditation and yoga, combined with practical advice, to help anyone going through the painful and seemingly intractable realities of divorce. Gabrielle Hartley and Elena Brower are warm and caring guides who can help you compassionately part from your partner. Whether your separation is amicable, or your ex is combative, *Better Apart* can help you find peace, calm, and hope. Blending practical advice from a legal perspective

together with spiritual wisdom, Gabrielle and Elena are experts and realists who have created a simple five-step process that uses original meditations, perspective-shifting exercises, and fresh suggestions to help navigate the common legal and emotional pitfalls of divorce. Don't worry if you've never tried yoga or mediation; Gabrielle's insight buttressed by Elena's practices and exercises are accessible for all. Together, they show you how to meaningfully shift your mindset and to move forward though any—or all—parts of this emotionally fraught process. *Better Apart* radically reframes the way couples experience, execute, and recover from when "for better or worse" is no longer an option, and helps you find the road to a new mindset and better life.

### **The Fast 800: Australian and New Zealand edition**

The My Home Budget Journal is different than many other types of budget books. This budget planner focuses on budgeting from a weekly perspective. Budget your bills, savings and other goals based on your upcoming paycheck or projected paychecks. You can budget one week at a time if your paycheck changes often, or plan several weeks ahead. Use pencil if you suspect things will change or create a general budget and make adjustments needed. The journal is set up to help you focus on week-by-week budgeting for 4-6 weeks at a time. The main worksheet in the book has a top section for weekly income. List your income, your spouse's income and any additional income you have coming in. There is an income total so you know exactly what is projected to come in each week. If you have more than five streams of weekly income, we recommend adding all of these incomes together and then listing the total for all of these in the "Other Income" section. The template also has up to 15 sections for you to fill in your expenses on a weekly basis. Include everything from groceries, to gas and other bills that you plan on paying only on that particular week and date when the money comes in. Many people will have several blank sections and this is great because that means you don't have as many weekly bills as you think. Some weeks might be more packed with bills and expenses than others. Each page of the bill worksheet has a place for notes and reminders as well. Write down reminders such as: Finish your taxes, buy Girl Scout cookies from Bethany's friend or time to buy clothes this week. This worksheet is fully customizable so feel free to fully utilize it so that you can stop on top of your bills and expenses. As you progress through the book you'll also find sections for financial goals and additional pages for journaling. This book is designed to encourage you to progress on your financial journey and reach new milestones such as buying a home, buying a car, investing, saving for vacations and more. Studies have shown that writing down goals and journaling helps us to take action and truly manifest what we want in life. You can start out having just a few goals and then add more as progress through the journal. New goal worksheets and journal pages are found after a series of 6 weekly budget worksheets. Additional goal worksheets and lined pages are also found at the end of the journal. We like to use this section at the back for more long term financial goals. We hope this book meets your needs. This book does NOT have pockets or tabs like some bill organizers and planners. Please click on the "Look Inside" feature to make sure this weekly budget journal is right for you. :) \*\*\*We also make this book with several different cover styles.

Check out our other books to find a cover that meets your personal style preferences. Have a great day!

Sophia Amoruso, the bestselling author of #GIRLBOSS, shares her favorite tips, checklists, and fill-in-the-blanks that will help you become your best Girlboss yet. Filled with whimsical illustrations, exercises, and plenty of scribble room, The Girlboss Workbook is designed for both the dreamer and the doer. It invites you--hell, implores you--to get in there and mess it up a little. Write in the blank spaces and in between them. #GIRLBOSS started as Sophia's story, but The Girlboss Workbook is your story. Use it as a diary, a mood board, a stress ball. Use it in class or at work for daydreaming and doodling. Use it to figure out what makes your freak flag fly -- and then go for it. Whatever you do, take this book, and your path, into your own hands. No need to handle it with care and no need to live a typical, cookie-cutter life. Sophia's has been anything but.

### **The Girlboss Workbook**

For years Carroll tried countless organizing systems, online and off, but none of them fit the way his mind worked. He developed the Bullet Journal , and it helped him become consistently focused and effective. Now he shows readers how the Bullet Journal method can help you weed out distractions and focus your time and energy in pursuit of what's truly

meaningful, in both your work and your personal life. -- adapted from back cover

### **Budget Savvy Diva's Guide to Slashing Your Grocery Bill by 50% Or More**

NEW YORK TIMES BESTSELLER • “Extremely funny . . . inspired lunacy . . . [and] over much too soon.”—The Washington Post Book World Nominated as one of America’s best-loved novels by PBS’s The Great American Read Seconds before Earth is demolished to make way for a galactic freeway, Arthur Dent is plucked off the planet by his friend Ford Prefect, a researcher for the revised edition of The Hitchhiker’s Guide to the Galaxy who, for the last fifteen years, has been posing as an out-of-work actor. Together, this dynamic pair began a journey through space aided by a galaxyful of fellow travelers: Zaphod Beeblebrox—the two-headed, three-armed ex-hippie and totally out-to-lunch president of the galaxy; Trillian (formerly Tricia McMillan), Zaphod’s girlfriend, whom Arthur tried to pick up at a cocktail party once upon a time zone; Marvin, a paranoid, brilliant, and chronically depressed robot; and Veet Voojagig, a former graduate student obsessed with the disappearance of all the ballpoint pens he’s bought over the years. Where are these pens? Why are we born? Why do we die? For all the answers, stick your thumb to the stars! Praise for The Hitchhiker’s Guide to the Galaxy “A whimsical oddyssey . . . Characters frolic through the galaxy with infectious joy.”—Publishers Weekly “Irresistable!”—The Boston Globe

### **The Hitchhiker's Guide to the Galaxy**

When you hear the word retirement, you probably don't imagine yourself scrambling to pay your bills in your golden years. But for too many Americans, that's the fate that awaits unless they take steps now to plan for the future. Whether you're twenty five and starting your first job or fifty five and watching the career clock start to wind down, today is the day to get serious about your retirement. In *Retire Inspired*, Chris Hogan teaches that retirement isn't an age; it's a financial number an amount you need to live the life in retirement that you've always dreamed of. With clear investing concepts and strategies, Chris will educate and empower you to make your own investing decisions, set reasonable expectations for your spouse and family, and build a dream team of experts to get you there. You don't have to retire broke, stressed, and working long after you want to. You can retire inspired!

### **Living Forward**

A practical financial guide covers such topics as eliminating debt, investing simply, making sound financial decisions, and revolutionizing relationships with the flow of money.

### **Monthly Bill Planner and Organizer**

In *The Meaningful Money Handbook*, personal finance expert and podcaster extraordinaire Pete Matthew guides you through everything you need to KNOW and everything you need to DO to build a secure financial future for yourself and your family. This is achievable for everyone by following three simple steps: 1. Spend less than you earn and clear debt. 2. Insure against disaster. 3. Build up your savings and invest wisely. You will learn: • How to get out of debt as quickly as possible. • Techniques for good financial control, so you can avoid getting into debt again. • The importance of insurance for laying down a foundation on which to build a solid financial plan, which isn't washed away by an unexpected disaster. • How to save and invest simply and efficiently so that you can work your way towards future financial freedom. No matter your starting position, or your existing level of comfort with dealing with your money, Pete Matthew's calm, straightforward and jargon-free approach will appeal to you and help you to set out on the right path. *The Meaningful Money Handbook* is a practical guide to succeeding with money by cutting out the stuff you don't need to know, and clarifying the essential things you need to do, to make a real difference to your life. Don't put it off any longer - pick up this book and start to take a meaningful approach to your money today.

## **Budget Savvy Diva's Guide to Slashing Your Grocery Bill by 50% or More**

GET ORGANIZED & ACHIEVE YOUR GOALS - Clever Fox Planner will help you create a vision for your life, define and breakdown your short and long-term goals in each area of your life, and incorporate these goals into your monthly, weekly, and daily agenda. Many customers tell us that they already become dramatically more productive, organized and stress-free after only 1 week of use of this goal planner. There is no going back. Stop procrastinating and start turning your big dreams into reality!

## **E-learning Methodologies**

"Indistractable provides a framework that will deliver the focus you need to get results." —James Clear, author of Atomic Habits "If you value your time, your focus, or your relationships, this book is essential reading. I'm putting these ideas into practice." —Jonathan Haidt, author of The Righteous Mind You sit down at your desk to work on an important project, but a notification on your phone interrupts your morning. Later, as you're about to get back to work, a colleague taps you on the shoulder to chat. At home, screens get in the way of quality time with your family. Another day goes by, and once again, your most important personal and professional goals are put on hold. What would be possible if you followed through on your best intentions? What could you accomplish if you could stay focused and overcome distractions? What if you had the power to become "indistractable?" International bestselling author, former Stanford lecturer, and behavioral design expert, Nir Eyal, wrote Silicon Valley's handbook for making technology habit-forming. Five years after publishing Hooked, Eyal reveals distraction's Achilles' heel in his groundbreaking new book. In Indistractable, Eyal reveals the hidden psychology driving us to distraction. He describes why solving the problem is not as simple as swearing off our devices: Abstinence is impractical and often makes us want more. Eyal lays bare the secret of finally doing what you say you will do with a four-step, research-backed model. Indistractable reveals the key to getting the best out of technology, without letting it get the best of us. Inside, Eyal overturns conventional wisdom and reveals: Why distraction at work is a symptom of a dysfunctional company culture—and how to fix it What really drives human behavior and why "time management is pain management" Why your relationships (and your sex life) depend on you becoming indistractable How to raise indistractable children in an increasingly distracting world Empowering and optimistic, Indistractable provides practical, novel techniques to control your time and attention—helping you live the life you really want.

## **Financial Freedom**

The "E-Learning Methodologies" guide will support professionals involved in the design and development of e-learning

projects and products. The guide reviews the basic concepts of e-learning with a focus on adult learning, and introduces the various activities and roles involved in an e-learning project. The guide covers methodologies and tips for creating interactive content and for facilitating online learning, as well as some of the technologies used to create and deliver e-learning.

### **Budget Tracker**

The International Bestseller "This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover." --Lifhacker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. Financial Freedom is a step-by-step path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to: \* Create profitable side hustles that you can turn into passive income streams or full-time businesses \* Save money without giving up what makes you happy \* Negotiate more out of your employer than you thought possible \* Travel the world for less \* Live for free--or better yet, make money on your living situation \* Create a simple, money-making portfolio that only needs minor adjustments \* Think creatively--there are so many ways to make money, but we don't see them. But most importantly, Sabatier highlights that, while one's ability to make money is limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet. Perhaps the biggest surprise: You need less money to "retire" at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick--it's a practical roadmap to living life on one's own terms, as soon as possible.

### **Retire Inspired**

Cook Once, Eat All Week is a revolutionary way to get a delicious, healthy, and affordable dinner on the table FAST. Author Cassy Joy Garcia will walk you through this tried-and-true method and show you how batch-cooking a few basic components can give you an entire week's worth of dinners with minimal time and effort. Have you ever tried a meal prep plan before and gotten so excited about having your cooking for the week done ahead of time, only to find yourself totally exhausted after a full day in the kitchen, shocked by your grocery bill, and tired of the same leftovers by Tuesday? Cassy Joy Garcia had been there, too. As a mom, business owner, and Nutrition Consultant, she needed to get a healthy, affordable, and tasty dinner on the table fast every night, and she knew there had to be a better way to do it. She finally cracked the code when she discovered that by batch-cooking a protein, starch, and vegetable each week she could easily assemble three fresh, diverse meals in minimal time. After years of her readers asking her for better meal prep strategies and easy recipes, she released 4 weeks of recipes on her blog, Fed and Fit. Since then, tens of thousands of people have made and raved about the series and begged for more! In this book you'll find 26 weeks of affordable, healthy, delicious meals that your

family will love eating, and a chapter full of bonus 20-minute meals. Optional Instant Pot and slow cooker instructions are included to get you even more time back in your week. With a Real Food foundation, the weeks in this book aim to support dietary approaches that range from: gluten-free, dairy-free, Paleo, low carb, egg-free, kid-friendly and more. Three simple ingredients like shredded pork, potatoes, and cabbage are turned into these three easy to assemble meals: Honey Mustard Pork Sheet Pan Dinner Enchiladas Verde Casserole Sloppy Joe Stuffed Potatoes This book is a must-have for anyone looking for a REAL solution to help them eat healthfully while also saving time and money and loving what they are eating.
