For fans of Captain Underpants or Sideways Stories from Wayside School, this new chapter book series is perfect for reluctant readers. When unlucky teacher Ms. Linda LaCrosse finds a magic lamp, she releases a genie--um, I mean, a Djinn--who agrees to grant each of her students ONE WISH! You might think this was fantastic, but it was not. It was a frightful idea! With magic wishes come hungry dinosaurs, stinky pizza, photographing paparazzi, and other huge mistakes. As the students of Classroom 13 are about to learn, you should be careful what you wish for. What would YOU do with one magic wish? The final chapter of each book encourages young readers to write their OWN chapter and send it in to the author, Honest Lee! The Disastrous Magical Wishes of Classroom 13 is the second title in a new chapter book series of hilarious stories about a very unlucky classroom. Each story is full of humor, action, and fun that will prompt hours of conversation among friends, families, and classrooms. (Psst! Hey you. Yeah, YOU! Just between us, this book also has a secret code hidden in every book that kids will have to figure out to read a chapter. Kids'll love it!) ©2017 by Hachette Book Group, Inc.

anyone's feelings. But that's about to change. The other animals band together and decide to teach Rexy a very important lesson on self respect and treating others, the way he wants to be treated. Even a big, bad dinosaur like Rexy can learn some manners or two. Kids are able to see how being mean can backfire and get you into a lot of trouble. The whole dinosaur community is in an uproar with Rexy. The teachers, students and their parents decide that ENOUGH IS ENOUGH! They're not about to let a bully make things bad for everyone. And Rexy is in for the surprise of his life in this colorful, insightful book. Lots of Fun and Laughs is in this Wonderful Book. Come and take a prehistoric journey with Rexy and the other dinosaurs and see how he learns, what goes around, comes around. So, it's better to treat people with kindness, manners and love.
