Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. As Manny Scott travels the world speaking to students and educators, he meets young people whose stories sound a lot like his own—a childhood that was marked by poverty, instability, violence, and despair until a few caring educators showed him how to find meaning in the classroom and gave him a glimpse of his own possibilities. So many kids he meets today need this kind of hope and practical

assistance. But with all that is already on educators' plates, what can an individual teacher do to help traumatized children believe in themselves, succeed in school, and graduate prepared for work and life? Here, you'll find answers. With the same passion that inspires so many who hear him speak, Scott presents an approach informed by the teachers who helped him and honed through years of connecting with kids who desperately need someone to show them a path to a more positive future. He shares the little things you can do to prepare yourself for the hard work of making a difference and offers advice for bridging cultural divides, earning students' trust, and equipping them to take responsibility for their own success. This book is a reminder of the incredible power every teacher has to help young people rewrite their destinies—and it's a call to action for all who read it.

### **Relationship, Responsibility, and Regulation**

When did we start believing that God wants to send us to safe places to do easy things? Jesus didn't die to keep us safe. He died to make us dangerous. The will of God is not an insurance plan; it's a daring plan. It's time to quit living as if the

purpose of your life is to arrive safely at death. All In, a four-session video-based Bible study (DVD/digital video sold separately) by New York Times bestselling author Mark Batterson, challenges participants to resolutely follow God wherever he leads by pointing out that if Jesus is not Lord of all, he is not Lord at all. Most people think they are following Jesus. They may think they are following Jesus, but the reality is, they've invited Jesus to follow them. They call him Savior, but they've never surrendered to him as Lord. Are you following Jesus? Or have you invited Jesus to follow you? Participants will find Batterson's teaching filled with his customary vivid, contemporary stories as well as biblical characters like Shamgar, Elisha, Jonathan, and Judas. It's time to go all in for God. Sessions include: Now or Never: Pack Your Coffin All In: Charge! All Out: Rim Huggers All in All: Burn the Ships Designed for use with All In Video Study 9780310333104 (sold separately).

### **All Things New**

“Why does the church stir up such negative feelings?” Philip Yancey has been asking this all his life as a journalist. His perennial question is more relevant now than ever: research shows that favorable opinions of Christianity have plummeted drastically—and opinions of Evangelicals have taken even deeper dives. Yet while opinions about Christianity are dropping, interest in spirituality is rising. Why the disconnect? Why are so many asking, “What’s so good about the Good News?” In *Vanishing Grace*, Yancey shows the desperate need our world has for grace, and

how Christians can truly make the gospel good news again. In this video-based small group Bible study, participants will explore what kind of news is good to a culture that thinks it has rejected the Christian version. Wading deep into the transformative power of grace, they will hear illuminating stories of how faith can be expressed in ways that disarm even the most cynical. Sessions include: We've Got Problems What Can We Do About It? Who Are the Grace Dispensers? Is It Really Good News? Holy Subversives Designed for use with the Vanishing Grace Video Study 9780310825500 (sold separately).

### **Bible Study Guide for Beginners**

In this book, author and teacher Katy Ridnouer focuses on the potentially overwhelming, sometimes puzzling, often delicate work of engaging both students and parents in the pursuit of learning and achievement. Structured around the questions teachers ask themselves about engagement goals and challenges, Everyday Engagement offers specific strategies to try — in your classroom, with your students, and with their parents—that will help you

- \* Connect with students and parents as individuals.
- \* Communicate invitations to engagement (and regroup and respond if your initial invitations are rejected).
- \* Provide appropriate, ongoing

support and encouragement that will keep students in class, behavior in check, and learning on track. \* Anticipate and handle setbacks and complications in teacher-student and teacher-parent relationships. \* Tap outside resources to extend learning beyond the walls of the classroom. Ridnour believes that every teacher has the power to make students and parents partners in learning. When a teacher embeds pro-engagement action and attitudes into everyday practice, the question is not if students and parents will be engaged in classroom learning, but how they will choose to engage and how far that engagement will take them.

Deuteronomy to Solomon. This volume is the second of three on the Old Testament. It covers the Bible from the Book of Deuteronomy to the reign of King Solomon. We read Moses' counsel to his people during the final days before his translation. We follow the children of Israel into the Promised Land under the leadership of Joshua, beginning at Jericho and ending with the total conquering of all the lands promised to Abraham. We are introduced to the Judge-Heroes, including but not limited to Gideon, Deborah, and Samson. We read of the rise of the prophet Samuel and reigns of Saul, David, and Solomon. We thrill at the faith and gifts of David and mourn over his fall from grace. We are inspired by the wisdom of Solomon and the beauty of the House of Lord He built at Jerusalem, but are saddened by his idolatry in his old age. Along the way, we become familiar with

the ministries and teachings of Elijah, and Elisha, and the courage and faith of Job. The cover features an extremely rare photograph of the rock (es-Sakhara) inside the Dome of the Rock, which at one time stood inside the Holy of Holies of Solomon's temple.

### **Every Good Endeavour**

The Gospel costs nothing. You can't earn it or buy it. It can only be received as a free gift compliments of God's grace. It doesn't cost anything, but it demands everything. It demands that we go "all in," a term that simply means placing all that you have into God's hands. Pushing it all in. And that's where we get stuck—spiritual no man's land. We're afraid that if we go all in that we might miss out on what this life has to offer. It's not true. The only thing you'll miss out on is everything God has to offer. And the good news is this: if you don't hold out on God, God won't hold out on you. Readers will find Batterson's writing filled with his customary vivid, contemporary illustrations as well as biblical characters like Shamgar and Elisha and Jonathan and . . . Judas. No one has ever sacrificed anything for God. If you always get back more than you gave up, have you sacrificed anything at all? The eternal reward always outweighs the temporal sacrifice. At the end of the day, our greatest regret will be whatever we didn't give back to God. What we didn't push back across the table to Him. Eternity will reveal that holding out is losing out. The message of All In is simple: if Jesus is not Lord of

all then Jesus is not Lord at all. It's all or nothing. It's now or never. Kneeling at the foot of cross of Christ and surrendering to His Lordship is a radical act of dethroning yourself and enthroning Christ as King. It's also an act of disowning yourself. Nothing belongs to you. Not even you. Batterson writes, for many years, I thought I was following Jesus. I wasn't. I had invited Jesus to follow me. I call it inverted Christianity. And it's a subtle form of selfishness that masquerades as spirituality. That's when I sold out and bought in. When did we start believing that the gospel is an insurance plan? It's a daring plan. Jesus did not die just to keep us safe. He died to make us dangerous."

### **New Testament Study Guide, Pt. 2**

One of the world's most beloved Bible teachers offers a definitive collection of resources on biblical prophecy, the end times, and the apocalypse. "The end times." "The apocalypse." "The day of judgment." Terms such as these are both fascinating and frightening for any student of God's Word. They point to key questions people have wrestled with for centuries, including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? In this landmark collection, bestselling author Dr. David Jeremiah offers answers to these questions

and much more. Drawing from decades of experience as one of the world's most-respected Bible teachers, Dr. Jeremiah has updated content from previously published works in addition to writing new material on a wide variety of subjects. The result is a truly epic and authoritative guide to biblical prophecy—a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future.

## **Desiring God DVD Study Guide**

Feeling worn thin? Come find rest. The Blue Ridge Parkway meanders through miles of rolling Virginia mountains. It's a route made famous by natural beauty and the simple rhythms of rural life. And it's in this setting that Hannah Anderson began her exploration of what it means to pursue a life of peace and humility. Fighting back her own sense of restlessness and anxiety, she finds herself immersed in the world outside, discovering a classroom full of forsythia, milkweed, and a failed herb garden. Lessons about soil preparation, sour mulch, and grapevine blights reveal the truth about our dependence on God, finding rest, and fighting discontentment. Humble Roots is part theology of incarnation and part stroll through the fields and forest. Anchored in the teaching of Jesus, Anderson explores how cultivating humility—not scheduling, strict boundaries, or increased productivity—leads to peace. “Come unto me, all who labor and are heavy laden,” Jesus invites us, “and you will find rest for your souls.” So come. Learn humility from the lilies of the field and from the One who is humility Himself. Remember who you are and Who you are not, and rediscover the rest that comes from belonging to Him.

Checklists help us work better. They help us manage complex tasks more effectively and ensure we apply what we know correctly and consistently. They've become indispensable for airline pilots and doctors, but can this low-tech approach

to planning and problem solving demand a place in the teacher's toolkit? Teaching is complicated, with challenging decisions and important consequences, but it's in the most complex situations that a straightforward checklist can be the most useful. Goodwin and Hubbell present 12 daily touchstones--simple and specific things any teacher can do every day--to keep classroom practice focused on the hallmarks of effective instruction and in line with three essential imperatives for teaching: \* Be demanding: Align teaching with high expectations for learning. \* Be supportive: Provide a nurturing learning environment. \* Be intentional: Know why you're doing what you're doing. If there were one thing you could do each day to help one student succeed, you'd do it, wouldn't you? What about three things to help three students? What if there were 12 things you could do every day to help all of your students succeed? There are, and you'll find them here.

### **Book of Mormon Study Guide, Pt. 3**

You've probably heard the advice "put on your own oxygen mask before assisting others." This is true both in airplanes and in classrooms—you have to take care of yourself before you can help someone else. If teachers are stressed out and exhausted, how can they have the patience, positive energy, and enthusiasm to provide the best instruction for students? Author Mike Anderson asked that question as a teacher himself, and the answers he found form the basis of *The Well-Balanced Teacher*. He found that teachers need to take care of themselves in five key areas to keep themselves in shape to care for their students. In addition to paying proper attention to their basic needs for nutrition, hydration, sleep, exercise, and emotional and spiritual refreshment, teachers also need Belonging: Teachers need to feel positive connections with other people, both in school and outside school. Significance: Teachers want to know that they make a positive difference through the work they do. Positive engagement: When teachers enjoy their work, they have great energy and passion for their teaching. Balance: Healthy teachers set boundaries and create routines so that they can have rich lives both in the classroom and at home. Anderson devotes a chapter to each of these needs,

describing in frank detail his own struggles and offering a multitude of practical tips to help readers find solutions that will work for them. When teachers find ways to take care of their own needs, they will be healthier and happier, and they will have the positive energy and stamina needed to help their students learn and grow into healthy adults themselves.

### **Now That's a Good Question!**

Gary Thomas, bestselling author of *Sacred Marriage*, believes that one word can bring hope, light and life into any marriage: Cherish. "Most marriages survive by gritting teeth and holding on. But marriages can and will not only survive but thrive when husbands and wives learn to cherish one another," Thomas says. And in a world desperate for marriage redemption, the act of cherishing is needed now more than ever. Thomas shows that although there are a countless number of marriages consisting of two people just going through the motions, there are real ways this pattern can be reversed: when husbands and wives learn to cherish one another in proven, loving, and everyday actions and words. Through personal stories and real-world examples, Thomas proves what husbands and wives can begin doing today to turn their marriage around - even a marriage marred by neglect and disrespect. So how do you cherish your spouse? Thomas will show you how going out of your way to notice them, appreciate them, honor them, encourage them, and hold them close to your heart will bring hope, light, and life

into your marriage. Also available: Cherish small group video study and study guide, Spanish edition, and more.

## **Vanishing Grace Study Guide**

New York Times bestselling author John Eldredge offers readers a breathtaking look into God's promise for a new heaven and a new earth. This revolutionary book about our future is based on the simple idea that, according to the Bible, heaven is not our eternal home--the New Earth is. As Jesus says in the gospel of Matthew, the next chapter of our story begins with "the renewal of all things," by which he means the earth we love in all its beauty, our own selves, and the things that make for a rich life: music, art, food, laughter and all that we hold dear. Everything shall be renewed "when the world is made new." More than anything else, how you envision your future shapes your current experience. If you knew that God was going to restore your life and everything you love any day; if you believed a great and glorious goodness was coming to you--not in a vague heaven but right here on this earth--you would have a hope to see you through anything, an anchor for your soul, "an unbreakable spiritual lifeline, reaching past all appearances right to the very presence of God" (Hebrews 6:19). Most Christians (most people for that matter) fail to look forward to their future because their view of heaven is vague, religious, and frankly boring. Hope begins when we understand that for the believer nothing is lost. Heaven is not a life in the clouds; it is not endless harp-strumming or worship-singing. Rather, the life we long for, the paradise Adam and Eve knew, is precisely the life that is coming to us. And that life is coming soon.

### **Old Testament Study Guide, Pt. 2**

In today's increasingly competitive and insecure economic environment, we often question the reason for work: why am I doing this? Why is it so hard? And what can I do about it? Work may seem just a means to an end: we do it to earn the money to enjoy life outside the workplace. Here, Timothy Keller argues that God's plan is radically more ambitious: he actually created us to work. We are to work together to make the world a better place, to help each other, and so to find purpose for our lives. Our faith should enhance our work, and our work should develop our faith. With deep insight, Timothy Keller draws on essential and relevant biblical wisdom to address our questions about work. There is grace available if we have taken the wrong attitude, idolising money and using our careers to glorify ourselves rather than God. This book provides the foundations for a work-life balance where we can thrive both personally and professionally. Keller shows how through excellence, integrity, discipline, creativity and passion in the workplace we can impact society for good. Developing a better attitude to work releases us to serve others humbly, to worship God everyday, and leaves us deeply fulfilled.
