## Get Free Supreme Clientele

"[Ian Purkayastha] has a true, deep expertise in everything he sells--caviar, truffles, fish. He knows the stories that we need to sell the stuff tableside . . . he can disrupt the entire luxury foods market." ---From the Foreword by David Chang Ian Purkayastha is New York City's leading truffle importer and boasts a devoted clientele of top chefs nationwide, including Jean-Georges Vongerichten, David Chang, Sean Brock, and David Bouley. But before he was purveying the world's most expensive fungus to the country's most esteemed chefs, Ian was just a food-obsessed teenager in rural Arkansas--a misfit with a peculiar fascination for rare and exotic ingredients. The son of an Indian immigrant father and a Texan mother, Ian learned to forage for wild mushrooms from an uncle in the Ozark hills. Thus began a single-track fixation that led him to learn about the prized but elusive truffle, the king of all fungi. His first taste of truffle at age 15 sparked his improbable yet remarkable adventure through the strange--and often corrupt--business of the exotic food trade. Rife with tales from the hidden underbelly of the elite restaurant scene, *Truffle Boy* chronicles Ian's high stakes dealings with a truffle kingpin in Serbia, meth-head foragers in Oregon, crooked businessmen and maniacal chefs in Manhattan, gypsy truffle hunters in the forests of Hungary, and a supreme adventure to find "Gucci mushrooms" in the Himalayan foothills--the land of the gods. He endures harsh failures along the way but rebuilds with tremendous success by selling not just truffles but also caviar, wild mushrooms, rare foraged edibles, Wagyu beef, and other nearly unobtainable ingredients demanded by his Michelin-starred clients. *Truffle Boy* is a thrilling coming-of-age story and the

## Get Free Supreme Clientele

incredible but true tale of a country kid who grows up to become a force in the world of fine dining.

### **Supreme Clientele**

### **Vibe**

### **Spoiled Rotten**

About one fourth of the world's population--1.3 billion people--live in absolute poverty, while almost another third are very poor by every measure. A diverse group of participants from around the globe met at a recent Aspen Institute conference to discuss how to reduce poverty and its consequences. This book summarizes their discussions and conclusions on the role of globalization and the trend to market economies in overcoming poverty (not sufficient alone), the effectiveness of current poverty reduction programs and practices (can be improved, must be coordinated), and strategies and specific actions that can be taken alone or in partnerships by developing states, the private sector, civil society, and industrialized nations and organizations to overcome barriers to poverty reduction and bridge gaps

between rich and poor. Proposing a strategy called "Market Plus;" the primary recommendations concern how the industrialized world can raise poverty on its action agenda. The book includes a speech to the conference by former President Jimmy Carter and commissioned papers by several well-known participants.

Chris Davis . . . Elvis Spielberg . . . Jamaican accent . .  
. British accent . . . Accountant . . . Author . . . High-

stakes gambler . . . None of the above? What is the truth? Who is Truth North? His whole existence has been a mystery to many, an enigma few people know to exist. He is a master of disguise, a dweller in secrecy, a teller of many tales—and for the right price, he's a destroyer of lives. When the bodies start turning up after a job gone south, Truth realizes that someone is out to unmask his real identity and kill him. Could it be the world famous rapper caught in Truth's web by accident? Could his enemy be the alluring Collette, blinded after a mishap that killed her husband? Or is it Collette's cousin, Sophia? She's down for anything—that is, if the price is right. Or maybe it's record company mogul Jason North. He taught Truth everything he knows about manipulating people. But what if Jason is fearful that Truth, in fact, knows too much? Truth finds out how tough things can be when his calculations cease to add up, his carefully laid plans backfire, and his life spirals out of control. Bestselling author Eric Pete has woven a masterful tale of espionage, murder, and intrigue that will leave readers spellbound.

### **Supreme Court Appellate Division- First Department.**

Every Hustler's reign ends in one of two ways. . . prison or death. Refusing to let the prediction become a reality, Julius "Jules" Carter creates new rules to an old game. Strategically, he forms one of the most notorious drug operations Harlem has ever seen. Jules thought the game was his biggest challenge that is until he meets Tish. Young and

## Get Free Supreme Clientele

Ambitious she is determined to escape from Harlem's allure, but her love for Jules has her rooted. She gets tangled in his web of lies and deceit. When she finds out about his past demons and connects them with her own, she soon finds out that there's a thin line between love and hate. You can't turn a bad girl good, but once a good girl turns bad she's gone forever. Julius finds out the hard way that everything done in the dark eventually comes to light. Ashley and JaQuavis narrate a fast paced, suspenseful tale of one of Harlem's biggest drug lords, his rise to power, and the woman behind him.

## The Encyclopedia of Popular Music

Musicians, teachers and those who love music will find in this volume some answers to the question of how gender affects its practice, performance and reception. What was performing like for female rock singers in the 20th century? How did Bowie change our concept of performer identity? Just how sexist are the lyrics in glam metal songs? Is rap as homophobic as has been thought? Can female metal singers growl as well as men? Are LGBTQ+ issues reflected in 21st century music? Did Canadian New Wave groups tackle major social issues? How do Shakespeare and Joyce use musical puns and allusions? From Indian thumri, through French opera, Irish folk songs, and pop, all the way to metal and rap, the 17 contributions gathered here will challenge and inform,

## **California Connection 2**

Jewel used to be content with being a ride or die chick, playing Bonnie while the men in her life played Clyde. But now she realizes that it was her connections and street smarts that helped her man, Calico, rise to the top, and Jewel wants to be the one in control. She's tired of taking orders from men. She's willing to do anything to be queen of the streets, but when a deal she makes with the enemy comes back to haunt her, her dream is turned into a nightmare. Hopeless and struggling to keep her head above water, Jewel meets Misty, who seems to be her savior. They quickly form a bond, but when that bond is broken and the mist turns to rain, Jewel finds herself in the middle of a storm that she might not make it out of.

## **Persistent Poverty in Developing Countries**

The Red Bottom Bandits may be the world's most fashion-forward gang of masked outlaws. They're the talk of D.C. for their daring robberies and fly gear. And their latest caper is penned by Ashley Antoinette (of Ashley & JaQuavis) at her sultry, streetwise best. When the innocent, naïve Gucci recognizes ringleader Sunny Raegan during a holdup, that's her "in" with the Bandits. Knowing she's got a lot more beauty than brains, Gucci sees the gang as her meal ticket. More likely, they'll be her ticket to the morgue! The Bandits may be lawless, but they play by a few simple rules: Get in and get out. . .shoot first and ask questions later. . .never leave without the money. . .and innocent people don't get hurt. But it's only a matter of time before all these rules get broken—and that's when Gucci gets caught! If there's one thing a girl needs, it's a little help from her friends. But her "friends" have skipped town without giving her a second thought. And Sunny is distracted by her new baby and her violent ex-lover. So Gucci's on her own. She's on trial for her life, and she must decide whether to snitch on the girls—or take the fall all by herself. Whichever she chooses, it may be her death sentence.
