### **Creator Spirit**

You Can Destroy What Steals Your Strength Just like Superman, who can leap over

any hurdle and defeat every foe, followers of Christ have the supernatural ability to conquer the challenges we face. But the problem for both Superman and us is there's a kryptonite that steals our strength. Of course, both Superman and kryptonite are fictional. But spiritual kryptonite is not. This book offers answers to why so many of us are unable to experience the divine strength that was evident among first-century Christians. In *Killing Kryptonite*, John Bevere reveals what this kryptonite is, why it's compromising our communities, and how to break free from its bondage. Not for the faint of heart, *Killing Kryptonite* is anything but a spiritual sugar high. This is serious truth for any Christ-follower who longs to embrace the challenging but rewarding path of transformation. Includes discussion questions for group study

### **40 Days With the Holy Spirit**

Do you feel lost in a difficult season, wondering, "GOD, WHERE ARE YOU?!" Perhaps you heard God speak, but now He seems silent. Maybe you moved forward in faith, but now His presence is nowhere to be found. Welcome to the wilderness—the place between receiving a promise from God and seeing it come to pass. But here's the good news—this is no purposeless wasteland. God uses the wilderness to prepare and equip you for your destiny—that is, if you navigate it correctly. Contrary to what many may think, getting through this season isn't just a matter of waiting on God. You have a part to play in navigating through it. A big

St. Ambrose commences his argument by complimenting the Emperor, both for his faith and for the restitution of the Basilica to the Church; then having urged that his opponents, if they affirm that the Holy Spirit is not a servant, cannot deny Him

to be above all, adds that the same Spirit, when He said, “All things serve Thee,” showed plainly that He was distinct from creatures; which point he also establishes by other evidence.

Words carry enormous power, the power to heal or to wound, to encourage or to dishearten, to speak truth or to deceive, to praise or to criticize. They can be the key to our success or the reason for our downfall. So, how do we harness that power? How do we learn to use our words to their greatest potential? Robert Morris shows you how God can bless your life through the words you speak.

This collection of essays contains the papers given at the Sixth International East-West Symposium of New Testament Scholars in Belgrade, Serbia. The symposium was a project of the Eastern Europe Liaison Committee of Studiorum Novi Testamenti Societas. Main subject matters of the volume are the Holy Spirit in New Testament writings (particularly Luke-Acts, the Gospel of John and Paul), the reception and interpretation of biblical texts about the Holy Spirit in patristic theology, ancient Christian liturgy and iconography, and reflection on the role of the Holy Spirit in church life. Contributions from seminars are devoted to extra-biblical ancient Jewish and early Christian sources. All topics are discussed from a "Western" (Protestant and Roman-Catholic) theological and exegetical perspective as well as from an Orthodox point of view. An introduction reflects the results of the symposium, sketches recent research on the Holy Spirit in the New Testament scholarship and briefly points to texts and problems belonging to the topic but not dealt with in the volume. Contributors: Demetrios Bathrellos, Katharina Bracht, Harald Buchinger, Andreas Dettwiler, Predrag Dragutinović, John Fotopoulos, Oksana Gubareva, Carl R. Who is the Holy Spirit? God the Father is revealed in the Bible through his creation, his acts in history, and through metaphors and prophecies. Jesus Christ, the Son of God, is described in the New Testament gospels as a historical person who was seen, heard, and touched by his disciples. But God the Holy Spirit, the third person of the Trinity, is far more mysterious and elusive. This studyguide offers biblical insights to help you come to a deeper understanding of the Holy Spirit as you discover how he works in our lives. You'll learn the unique role he plays in enabling us to live as children of God, in power and wisdom and unity, equipped for every good work. 12 SESSIONS FOR INDIVIDUALS OR GROUPS Fisherman Bible Studyguides include: \* Penetrating questions that generate discussion \* Flexible format for group or individual needs \* Helpful leader's notes \* Emphasis on daily application of Bible truth

### **Advents of the Spirit**

The Light of Christ provides an accessible presentation of Catholicism that is grounded in traditional theology, but engaged with a host of contemporary

questions or objections. Inspired by the theologies of Irenaeus, Thomas Aquinas and John Henry Newman, and rooted in a post-Vatican II context, Fr. Thomas Joseph White presents major doctrines of the Christian religion in a way that is comprehensible for non-specialists: knowledge of God, the mystery of the Trinity, the Incarnation and the atonement, the sacraments and the moral life, eschatology and prayer. At the same time, *The Light of Christ* also addresses topics such as evolution, the modern historical study of Jesus and the Bible, and objections to Catholic moral teaching. Touching on the concerns of contemporary readers, Fr. White examines questions such as whether Christianity is compatible with the findings of the modern sciences, do historical Jesus studies disrupt or confirm the teaching of the faith, and does history confirm the antiquity of Catholic claims. This book serves as an excellent introduction for young professionals with no specialized background in theology who are interested in learning more about Catholicism, or as an introduction to Catholic theology. It will also serve as a helpful text for theology courses in a university context. As Fr. White states in the book's introduction: "This is a book that offers itself as a companion. I do not presume to argue the reader into the truths of the Catholic faith, though I will make arguments. My goal is to make explicit in a few broad strokes the shape of Catholicism. I hope to outline its inherent intelligibility or form as a mystery that is at once visible and invisible, ancient and contemporary, mystical and reasonable."

Perspectives on Spirit Baptism presents in counterpoint form the basic common beliefs on spirit baptism which have developed over the course of church history with a view toward determining which is most faithful to Scripture. Each chapter will be written by a prominent person from within each tradition—with specific guidelines dealing with the biblical, historical, and theological issues within each tradition. In addition, each writer will have the opportunity to give a brief response to the other traditions.

## **The Mystery of the Holy Spirit**

Geoffrey F. Nuttall establishes the primacy of the doctrines of the Holy Spirit in seventeenth-century English Puritanism and demonstrates the continuity of the Reformation tradition from the more conservative views of Luther to the more radical interpretations of the Quakers. Nuttall illuminates prominent spokesmen, including Richard Sibbes, Richard Baxter, John Owen, Walter Cradock, Morgan Llwyd, and George Fox. In a new Introduction, Peter Lake discusses the relevance of Nuttall's book to, and its influence on, major works in seventeenth-century English history written since 1946.

## **The Acts of the Apostles**

The Church of the Holy Spirit, written by Russian priest and scholar Nicholas Afanasiev (1893–1966), is one of the most important works of twentieth-century Orthodox theology. Afanasiev was a member of the “Paris School” of émigré intellectuals who gathered in Paris after the Russian revolution, where he became a member of the faculty of St. Sergius Orthodox Seminary. The Church of the Holy Spirit, which offers a rediscovery of the eucharistic and communal nature of the church in the first several centuries, was written over a number of years beginning in the 1940s and continuously revised until its posthumous publication in French in 1971. Vitaly Permiakov's lucid translation and Michael Plekon's careful editing and substantive introduction make this important work available for the first time to an

English-speaking audience.

## **Gospel Principles**

Drawing on Scripture and the testimony of the church's great thinkers, Sproul looks at the role of God the Holy Spirit within the doctrine of the Trinity.

## **Who Is the Holy Spirit?**

We first meet the Holy Spirit in the second verse of the Bible, hovering there, speaking the world into existence. Christopher Wright begins here and traces the Holy Spirit through the pages of the Old Testament. He shows that the Spirit is knowable, and that the Spirit empowers God's people and sustains the earth.

## **Disciple's Guide to the Holy Spirit**

The Eight Ministries of the Holy Spirit presents eight works of the Holy Spirit in the life of the sinner/believer and an introduction to Biblecostal™ theology. Its purpose is to familiarize believers with the work of the Holy Spirit in their lives. The style is scholarly, but readable. This is a fresh, biblical approach to the work of the Holy Spirit, which is a balance between the extreme Evangelical and extreme

Pentecostal perspectives. Biblecostalism™ does not teach evidentiary tongues, but instead that the spiritual manifestations of 1 Corinthians 12:8-10 are still available. This book will familiarize you with the biblical basis for a more well-rounded Christianity that combines the Word of God and the power of the Holy Spirit.

"The following pages represent the gist of a series of sermons given on successive Sunday evenings to the congregation of the church of which I am pastor. The fact that these were originally spoken messages accounts for their racy style and for the personal references which occur in them occasionally. Had I been writing the messages I should have exercised greater care in the composition. The subject is, however, so vitally important that I feel sure the reader will pardon the offhand style of the language. The truth is always good even when the vehicle in which it rides is homely and plain."

With prayerful reverence and focused wisdom, Dr. Graham puts an understandable face on this mysterious third Person of the Trinity: The Holy Spirit is "not an impersonal force, like gravity or magnetism. He is a Person, with all the attributes of personality. But not only is He a Person, He is divine as well. Exciting, revolutionary power is available exclusively to you as a Christian . . . It is the supernatural power: To transform human nature To be the salt of the earth, and the light of the world To bring about a dramatic but peaceful revolution in those around you To face any crisis You cannot buy this extraordinary power, nor can you find it by searching the earth for it. As a Christian it resides in you already, an awesome gift from God that you have only to claim and use once you know and accept its Source. Christians are powerful people, Billy Graham reminds us in this inspiring and insightful book, because "we have the mighty power of God available to us through . . . the Holy Spirit," He comes to us with no conditions attached. Jesus simply said, "If I go, I will send Him to you." Read this amazing book and see anew how this Person can transform your life and give you the power "to be truly good" and "to live victoriously."

### **Killing Kryptonite**

The Lord is the Spirit (2 Cor 3:17) . . . and yet one might be excused for thinking otherwise when reading studies on God's attributes - omnipotence, omniscience, omnipresence, immutability, impassibility, and the like. Although Christians

throughout the ages have defended the deity of the Holy Spirit, theologians have not adequately taken the doctrine of the Holy Spirit into account when formulating a theology of the divine attributes. The resulting understandings of God fall short of being fully Trinitarian. Gabriel builds on contemporary Trinitarian theology by advocating for the integration of insights from pneumatology into the doctrine of God's attributes. Three case studies are presented: impassibility, immutability, and omnipotence. Gabriel writes from an evangelical and Pentecostal vantage point as he engages in ecumenical dialogue with a wide spectrum of historical and contemporary theological voices.

A Distinguished Theologian on the Doctrine of the Holy Spirit Distinguished theologian Matthew Levering offers a historical examination of the doctrine of the Holy Spirit, defending an Augustinian model against various contemporary theological views. A companion piece to Levering's Engaging the Doctrine of Revelation, this work critically engages contemporary and classical doctrines of the Holy Spirit in dialogue with Orthodox and Reformed interlocutors. Levering makes a strong dogmatic case for conceiving of the Holy Spirit as love between Father and Son, given to the people of God as a gift.

### **Encountering the Holy Spirit in Every Book of the Bible**

In our postmodern, experience-oriented culture, people are longing for greater

authenticity, integrity, and depth in their pastors and leaders. Board directors, church members, and staff alike are all eagerly seeking leaders who effectively integrate their spirituality and leadership. Pastors and executives, however, often struggle with knowing how to integrate their spiritual values and practices into their leadership and management roles. Designed for pastors, executives, administrators, managers, coordinators, and all who see themselves as leaders and who want to fulfill their God-given purpose, *The Spirit-Led Leader* addresses the critical fusion of spiritual life and leadership for those who not only want to see results, but who also desire to care just as deeply about who they are and how they lead as they do about what they produce and accomplish. Geoffrion creates a new vision for spiritual leadership as partly an art, partly a result of careful planning, and always a working of the grace of God
