### **Once We Were Sisters**

The author of *It's Okay to Laugh* and host of the popular podcast *Terrible, Thanks for Asking*—interviews that are “a gift to be able to listen [to]” (*New York Times*)—returns with more hilarious meditations on her messy, wonderful, bittersweet, and unconventional life. Life has a million different ways to kick you right in the chops. We lose love, lose jobs, lose our sense of self. For Nora McInerny, it was losing her husband, her father, and her unborn second child in one catastrophic year. But in the wake of loss, we get to assemble something new from whatever is left behind. Some circles call finding happiness after loss “Chapter 2”—the continuation of something else. Today, Nora is remarried and mothers four children aged 16 months to 16 years. While her new circumstances bring her extraordinary joy, they are also tinged with sadness over the loved ones she's lost. Life has made Nora a reluctant expert in hard conversations. On her wildly popular podcast, she talks about painful experiences we inevitably face, and exposes the absurdity of the question “how are you?” that people often ask when we're coping with the aftermath of emotional catastrophe. She knows intimately that when your life falls apart, there's a mad rush to be okay—to find a silver lining, to get to the happy ending. In this, her second memoir, Nora offers a tragicomic exploration of the tension between finding happiness and holding space for the unhappy experiences that have shaped us. *No Happy Endings* is a book for people living life after life has fallen apart. It's a book for people who know that they're moving forward, not moving on. It's a book for people who know life isn't always happy, but it isn't the end: there will be unimaginable joy and incomprehensible tragedy. As Nora reminds us, there will be no happy endings—but there will be new beginnings.

Mandy followed her high school boyfriend, Cory to Boston College, and right after graduation, they married and settled in Dover, just outside of Boston. Cory joined a successful hedge fund, while Mandy took a job at a downtown financial services firm as an administrative assistant. She quit a year later, when Blake, the first baby came. Two years later, when Brooke was born, Cory left to open a competing Hedge Fund and they moved home to Nantucket. Now that the children are older, Mandy has more free time and is eager to do more than just volunteer with local charity events. But Cory doesn't want her to work. He thinks it doesn't reflect well on him and appearances are everything to Cory. Though when Mandy finds something unusual in his gym bag, she begins to question what is really going on. When their beloved grandmother, Rose Ferguson passes peacefully in her sleep a week before her ninety-ninth birthday she leaves them quite a surprise. In addition to her Nantucket home, they learned that she was the silent owner of Mimi's Place, one of Nantucket's most popular year-round restaurants. There is of course, a catch--she left the restaurant equally to Mandy, Emma, and Jill--and also to Paul, the chef for the past twelve years. And before they can sell, all three girls need to work at the restaurant for a period of one year--or else their shares will go to Paul--who was also Emma's first love.

"The pastries we make are deliciously simple and rustic and never too sweet. Woven into many of them are my favorite flavors: butter, cinnamon, nuts, and fruit. They're familiar, uncomplicated, and satisfying. One taste and you're instantly

comforted. Inspired by a sweet memory from childhood, a European classic, or a time-honored bakeshop standard, they are flavors you never tire of. Like my bread, these are pastries you want to eat every day." --from the Introduction When celebrated pastry chef and baker Nancy Silverton decided to add sweets to the La Brea Bakery's shelves of artisanal breads, she knew that they couldn't be just any sweets. Instead of baking fastidious and overelaborate desserts, she creates deliciously simple, rustic pastries, full of texture and flavor, that complement perfectly her hearty, country-style breads and have people lining up morning after morning. Now, in *Pastries from the La Brea Bakery*, Silverton shares her passion and expertise in more than 150 recipes of her most scrumptious favorites--virtually every pastry in the La Brea Bakery's impressive repertoire. Silverton distills years of experimentation and innovation into simple and accessible directions. Many of her recipes are surprisingly quick and easy--not to mention incredibly tasty--like her crisps, cobblers, and crumbles, and her ever-popular scones, which run the gamut from Chocolate-Walnut to Ginger to Mushroom-Onion. Her muffins are moist and distinctive, from the healthful Bran to the rich Crostin de Chocolat. She offers an array of quickbreads and quickcakes for all tastes (including Madeleines, Canellés, and Cranberry-Almond Tea Bread), and her tarts bring out the best qualities of the finest ingredients, from the intense, fresh fruit of her Cherry Bundles to her elegant Triple Almond Tart. Beautiful cookies, such as Almond Sunflowers, Nun's Breasts, and Swedish Ginger Wafers, are centerpiece desserts on their own. Silverton also deftly teaches the delicate art of confections--here you'll find Almond Bark, English Toffee, and Lollipops--and demystifies the sometimes intimidating technique of doughnut making. The crowning touch is her detailed section on Morn-ing Pastries, where she guides us to mastery of the classic doughs: the quick and rich bobka, the fine-textured traditional brioche, the famous and flexible croissant, and the pièce de résistance: puff pastry. An important book from a baking and pastry icon, *Pastries from the La Brea Bakery*, like Nancy Silver-ton's acclaimed *Breads from the La Brea Bakery*, is a bible of the craft for bakers everywhere. "Reading *Hideaway* is like a mini vacation, as Roberts transports you from the sun-drenched mountains of Big Sur to the rolling hills of Ireland to the bustling streets of New York City." - Associated Press A family ranch in Big Sur country and a legacy of Hollywood royalty set the stage for Nora Roberts' emotional new suspense novel, *Hideaway*. Caitlyn Sullivan had come from a long line of Hollywood royalty, stretching back to her Irish immigrant great-grandfather. At nine, she was already a star—yet still an innocent child who loved to play hide and seek with her cousins at the family home in Big Sur. It was during one of those games that she disappeared. Some may have considered her a pampered princess, but Cate was in fact a smart, scrappy fighter, and she managed to escape her abductors. Dillon Cooper was shocked to find the bloodied, exhausted girl huddled in his house—but when the teenager and his family heard her story they provided refuge, reuniting her with her loved ones. Cate's ordeal, though, was far from over. First came the discovery of a shocking betrayal that would send someone she'd trusted to prison. Then there were years spent away in western Ireland, peaceful and protected but with restlessness growing in her soul. Finally, she would return to Los Angeles, gathering the courage to act again and get past the trauma that had derailed her life. What she didn't yet know was that two seeds had been planted that long-ago

night—one of a great love, and one of a terrible vengeance
