Bullies, Beaks and Flannelled Fools

A light-hearted exploration of what it means to live a Christian life in the modern world.

Moab is My Washpot

The Hitch Hiker's Guide to the Gospel

This book is the first to focus on the relationship between tourism and cricket. The pattern of cricket as a sport and as a tourist attraction is highly dynamic. This volume examines how cricket as a participant and spectator sport generates diverse tourism to both major and peripheral locations. It looks at the ways in which cricket's extended duration (compared to other sports) creates a different dynamic in terms of visitor-host interaction. It also considers how following cricket as a tourist and a participant causes exposure to unique pressures and results in unique behaviour. The book will appeal to researchers, students and teachers in tourism, sport and leisure.

Lippincott's Monthly Magazine, a Popular Journal of General Literature

The Nowhere Place

"Among the funniest [letters] ever dispatched in the vain hope of steering a black sheep onto something like the straight and narrow." —The Wall Street Journal Nostalgic, witty, and original, *Dear Lupin* by Roger Mortimer and Charlie Mortimer tracks the entire correspondence between a father and his only son. When the book begins, Charlie, the son, is studying at Eton, although the studying itself is not a priority, much to his father's chagrin. After Charlie graduates and moves from South America to Africa and eventually back to London, Roger continues to write regularly, offering advice (which is rarely heeded) as well as humorous updates from home ("Your mother has had the flu. Her little plan to give up spirits for Lent lasted three and a half days"). Roger's letters range from reproachful ("You may think it mildly amusing to be caught poaching in the park; I would consider it more hilarious if you were not living on the knife edge") to resigned ("I am very fond of you, but you do drive me round the bend"), but his correspondence is always filled with warmth, humor, and wisdom that offers unique insight into the relationship between father and son.

Tourism and Cricket

Detour de France

More than five thousand quotations, that range in time from Scott's Antarctic expedition in 1912 to the attack on the World Trade Center in 2001, are gathered in a comprehensive, updated resource that evokes a fascinating picture of the social, political, cultural, and scientific highlights of modern times.

Chavasse

As a boy, Michael Simkins always wanted to be someone. While his friends were out getting laid and stoned, he was tucked up at home dreaming of his name in lights, of holding an audience rapt, of perhaps becoming a TV heart-throb, or having someone, anyone, ask for his autograph in the supermarket. This is the true story of an obsessive pursuit of acting fame. It is a life marked by occasional hard-fought successes and routine helpings of ritual humiliation: scout hut Gilbert and

Sullivan, dodgy rock operas, sewage farm theatre workshop, Christmas panto hell, straight-to-video film flops, leading roles in Crimewatch reconstructions and dressing up as a chicken to advertise TV dinners. It is a hilarious tale of turgid theatre, tights, trusses and tonsil tennis with Timothy Spall.

Though happy enough with his lot, Michael Simkins has never truly shaken the nagging doubt - helpfully upheld by his partner Julia - that he somehow lacks worldly sophistication. While she spent her teenage years as a nanny on a boat moored at Cannes, his utter lack of travel experience (Weymouth, Cleethorpes and a day trip to Dieppe) still has the power to shock people into leaving dinner parties early. So as he hits middle-age, Michael takes up the challenge of broadening his horizons. He decides to improve himself in the same way English gentlemen lacking refined edges have for centuries: by learning from our more cultured French neighbours. Michael, an English provincial ingénue, sets off to discover just what the Gallic nation can teach him and the rest of us Anglo-Saxons about living the good life. Armed only with 50 Useful Phrases in French, he waits to see if his odyssey from La Manche to the Riviera will finally turn him from the scotch-egg eating spawn of Anne Widdecombe and John McCririck into the champagne-sipping love child of Serge Gainsbourg and Catherine Deneuve. Julia is saying a prayer for him at Lourdes.

Michael Simkins is the ultimate Sunday cricketer - passionate, obsessive, technically inept, and hopelessly deluded. When an injury rules him out of an entire season, not only might it spell the end of his long career, he is faced more immediately with a summer aimlessly wandering garden centres and listening to The Archers. He decides instead to set off on an odyssey across the counties of England in search of that golden time in his youth when his passion for the game was first kindled. It's a journey that begins in May in light drizzle at the birthplace of cricket, takes in the burial site of his favourite ground (now a Marks & Spencer) and even stops along the way to flirt with the love child of WG Grace and Kerry Katona that is Twenty20. It ends with the ultimate cricketing zenith - returning to the field of play to bowl an over to Freddie Flintoff in fading light in front of a capacity crowd. So can cricket still bring comfort and meaning to his life or is Old Father Time about to call for Michael's bails?

It's a highly amusing book; read it and you'll see why most cricketers, whether from club, county or international level, as well as the sport's most prominent journalists are all talking

about those cheeky chaps from The Middle Stump, and their alternative take on the game of cricket.
