Designed for beginning as well as experienced tarot readers, Holistic Tarot offers a fresh and easy-to-follow approach to the use of the tarot deck for tapping into subconscious knowledge and creativity. The tarot deck has been used as a divination tool for more than two centuries; while the tarot is still most commonly thought of as "fortune telling," the true power of the tarot lies in its ability to channel a clear path for our deep intuition to shine through. In Holistic Tarot, author Benebell Wen provides a complete guide to using the tarot to foster personal development. Wen gives a comprehensive overview of the history of the tarot and a wide array of theories on its use (including its relationship to Jungian archetypal psychology and traditional Chinese divination practices) before digging deeply into one of the best-known tarot systems, the Rider-Waite-Smith. Beginners will find a complete guide to working with the tarot, including choosing and caring for a deck, how best to learn and remember the attributes of the major and minor arcana, the interpretation of cards and spreads, the

The Instant Tarot Reader

There's a special language that transcends time and space—a language that's not constrained by the limitations of just words—but one that consists of signs, symbols, energy, and thought. A language that can only be heard when one truly listens. It's the language of *The Spirit Whisperer*. In John Holland's past books, he explained how he came to terms with, and learned to accept and embrace, his spiritual gifts as a psychic medium; and how "readers" could develop their own intuitive psychic abilities. In this book, John picks up the fascinating story of his personal journey of growth and development as one of the most respected practicing mediums today. This work chronicles his career to date and includes some enlightening and heartfelt real-life case studies. He candidly discusses readings with clients, including those who've had their own After Death Communications (ADCs)—from the outrageous to the profound. John also explains the signs and symbols that our loved ones continually try to send us. One of his most popular sayings is: "Those on the Other Side want to talk to you—as much as you want to talk to them!" John divulges for the first time some of the extraordinary paranormal occurrences he's witnessed throughout his career, and provides a rare glimpse behind the scenes of what it's like to be a "Psychic Time Machine" for several television shows. He'll also

help parents who have a psychic child themselves. The Spirit Whisperer is a book you'll want to read over and over, as many of the stories will touch your heart as well as your soul!

Energy Oracle Cards

Tap into your "sixth sense" and become a better, more confident tarot reader. Most all tarot books present card-by-card interpretations as well as an instruction on how to read spreads. This book takes the next logical step inward by presenting the art of reading in a workbook format, and helps you learn to interpret the cards intuitively. The book falls into two parts. The first part concerns learning about the cards, and includes exercises for each card that teaches you to trust your interpretation of the card. The second part helps you develop that ability, a skill that Reed calls "intuition." All the exercises, stories, card meanings, and techniques really serve one purpose: to go beyond learning Tarot to living it. It's not enough to memorize the meanings of the cards, and you can't do a reading with a workbook at your side forever. In order to deliver a meaningful, accurate tarot reading, you need to hone your intuition. Without a comfortable connection to your sixth sense, the tarot readings lack finesse and becomes nothing more than cookie-cutter

interpretations. When you're fluent in your intuition, you can develop better readings and unique interpretations for each person. In this book, Reed teaches by example. She presents the basics of intuitive tarot reading—reading without any questions, any backstory, anything to go on. This book is filled with exercises to hone your intuition and sharpen your interpretation skills.
