Blindness

A powerful, timely novel that moves seamlessly between the euphoria of revolution and intimate dramas of love and loyalty. Once a senior diplomat in Kiev, Simon Davey lost everything after a lurid scandal. Back in London, still struggling with the aftermath of his disgrace, he is traveling on the Tube when he sees her. . . . This woman, Olesya, is the person Simon holds responsible for his downfall. He first met her on an icy night during the protests on Independence Square. Full of hope and idealism, Olesya could not know what a crucial role she would play in the dangerous times ahead—and in Simon's fate. Or what compromises she would have to make to protect her family. When Simon decides to follow Olesya, he finds himself plunged back into the dramatic days which changed his life forever. And he begins to see that her past has not been what he thought it was, and neither has his own. Independence Square is a story of ordinary people caught up in extraordinary times. It is a story about corruption and betrayals, and a story about where, in the twenty-first century, power really lies.

Heart of Darkness is a short novel by Polish novelist Joseph Conrad, written as a frame narrative, about Charles Marlow's life as an ivory transporter down the Congo River in Central Africa. The river is "a mighty big river, that you could see on the map, resembling an immense snake uncoiled, with its head in the sea, its body at rest curving afar over a vast country, and its tail lost in the depths of the land." In the course of his travel in central Africa, Marlow becomes obsessed with Mr. Kurtz. The story is a complex exploration of the attitudes people hold on what constitutes a barbarian versus a civilized society and the attitudes on colonialism and racism that were part and parcel of European imperialism. Originally published as a three-part serial story, in Blackwood's Magazine, the novella Heart of Darkness has been variously published and translated into many languages. In 1998, the Modern Library ranked Heart of Darkness one of the hundred best novels in English of the twentieth century.

A lone yachtsman is becalmed at sea, and confronts madness, or something greater than madness. A condemned office building is besieged by the forces of transcendent decay. In the city of exiles, an unguessable secret awaits. These and other strange encounters, intrusions and transformations are to be found within the pages of this volume, *Written in Darkness*.

American Dirt (Oprah's Book Club)

Following the success of the New York Times bestseller Sidney Sheldon's *Mistress of the Game*, this sweeping tale of love and betrayal, vengeance and redemption, will leave you racing to its shocking, triumphant end. What happens when a woman who has everything loses everything? And when a woman who has nothing realizes she has nothing to lose? Blessed with the face of an angel and the guileless, trusting nature of a child, Grace Brookstein is the prized wife of the king of Wall Street, Lenny Brookstein. A billionaire many times over, with estates around the world, a fleet of yachts, and a life that is the stuff of fantasies, the revered financial wizard made his fortune tending the nest eggs of ordinary people—the elderly, blue-collar workers, small charities, and working families struggling to make a better life for themselves and their children.

The embodiment of America itself—ambitious, hardworking, generous, and warmhearted—Lenny is a fixture of the business pages and the society columns, where he and Grace are celebrated for their philanthropic contributions and their lavish annual fund-raising ball. Despite the stock market's terrifying collapse, the Brooksteins' glamorous lifestyle of Palm Beach polo tournaments and G5 jets remains untouched—until the day Lenny goes sailing from their Nantucket beach estate and never comes home. When his abandoned yacht is found far out at sea, Grace is devastated. Lenny was her world. She has no idea that his disappearance is just the beginning of a dark, terrifying nightmare of murder, lies, greed, and betrayal that will shatter her life and destroy everything she has ever known. . . . Before she can begin to grieve, the shocking news breaks that the \$75 billion invested in Quorum, Lenny's hedge fund, is gone—and everyone believes that Grace has stolen the money. Overnight, the delicate beauty who was once the toast of moneyed society has become a reviled modern-day Marie Antoinette, alone and power-less to stop her infamous fall. Grace is certain someone is framing her, and she'll do whatever it takes to prove it, even if it means taking the law into her own hands. Surrounded by enemies, with no one to turn to, Grace must learn to rely on herself—a bold, dangerous journey that will transform her in ways she never thought possible and lead her to a startling new life. Filled with the passion, glamour, twists, and driving suspense that made Sidney Sheldon a bestselling legend, Sidney Sheldon's *After the Darkness* is an entertaining thrill ride that continues the grand tradition set by the master himself.

King of Darkness

F. Scott Fitzgerald Full name Francis Scott Key Fitzgerald. (1896 — 1940) A famous American novelist and short story writer. F. Scott Fitzgerald is widely regarded as one of the greatest American writers of the 20th century. He is considered a member of the "Lost Generation" of the 1920s. He wrote four novels: This Side of Paradise, The Beautiful and Damned, The Great Gatsby, and Tender Is the Night; (the last, unfinished novel The Love of the Last Tycoon, was published posthumously), numerous short stories, many of which treat themes of youth and promise, and age and despair. The Great Gatsby (1925) follows a cast of characters living in the fictional town of West Egg on prosperous Long Island in the summer of 1922. The story primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession for the beautiful former debutante Daisy Buchanan and explores themes of decadence, idealism, resistance to change, social upheaval, and excess.

Drifting on a sailing boat off the Canary Islands, four British gentlemen take turns reading a manuscript that they find inside a copper cylinder discovered floating in the Atlantic Ocean. The manuscript recounts Adam More's adventures after being lost at sea during an Antarctic voyage in 1844 and his life with the Kosekin, a lost civilization living at the South Pole. The values of the Kosekin are opposed to the civilized norm—they love death, abjection, and poverty. Their society may be well suited to their particular evolution, but it is profoundly disconcerting to the narrator, and it is radically contentious to the Victorian gentlemen who read and debate More's account. This Broadview edition of James De Mille's classic recreates the format of the posthumous 1888 Harper's Weekly serial, including 18 original illustrations by Gilbert Gaul. The appendices allow the novel to be seen in terms of other satirical and scientific romance, Antarctic exploration, and contemporary geology. The introduction and notes tap into recent scholarship to bring to life De Mille's genre innovations and his use of Orientalist and colonialist discourses.

Powers of Darkness is an incredible literary discovery: In 1900, Icelandic publisher and writer Valdimar à'smundsson set out to translate Bram Stoker's world-famous 1897 novel Dracula. Called Makt Myrkranna (literally, "Powers of Darknesst?"), this Icelandic edition included an original preface written by Stoker himself. Makt Myrkranna was published in Iceland in 1901 but remained undiscovered outside of the country until 1986, when Dracula scholarship was astonished by the discovery of Stoker's preface to the book. However, no one looked beyond the preface and deeper into à'smundsson's story. In 2014, literary researcher Hans de Roos dove into the full text of Makt Myrkranna, only to discover that à'smundsson hadn't merely translated Dracula but had penned an entirely new version of the story, with all new characters and a totally re-worked plot. The resulting narrative is one that is shorter, punchier, more erotic, and perhaps even more suspenseful than Stoker's Dracula. Incredibly, Makt Myrkranna has never been translated or even read outside of Iceland until

now. Powers of Darkness presents the first ever translation into English of Stoker and à'smundsson's Makt Myrkranna. A deeply panoramic tour of the night, from its brightest spots to the darkest skies we have left. A starry night is one of nature's most magical wonders. Yet in our artificially lit world, three-quarters of Americans' eyes never switch to night vision and most of us no longer experience true darkness. In *The End of Night*, Paul Bogard restores our awareness of the spectacularly primal, wildly dark night sky and how it has influenced the human experience across everything from science to art. From Las Vegas' Luxor Beam -- the brightest single spot on this planet -- to nights so starlit the sky looks like snow, Bogard

blends personal narrative, natural history, science, and history to shed light on the importance of darkness -- what we've lost, what we still have, and what we might regain -- and the simple ways we can reduce the brightness of our nights tonight.

People travel from afar to the small isle in the Aegean Sea hoping for a single glimpse of Princess Psyche. Their adoration for the mortal woman is so all-consuming that citizens begin to shower her with the very gifts and offerings they once left at the alter of Venus, goddess of love and beauty. But gods are known for their jealousy. Cupid, the god of love, takes pleasure in causing strife and mischief in the lives of humans. He uses love as a weapon, humoring in the weakness of people at the whims of their feelings. When his mother Venus approaches him about punishing the human girl who dares to steal her offerings and affections from the people, Cupid gladly accepts. Psyche's punishment is to be given to a mysterious creature who only comes to her in the dark of night under the pact that she will never lay eyes on him. She is terrified of this stranger, who the oracle described as a serpent. Her mate, however, is masterful in his dealings with his bride. He takes his time, morphing her fears into different sensations completely.
