The Universe Has Your Back

Brutally honest, often hilarious, hard-won lessons in learning to love and care for yourself from a young vice president at Comedy Central who was called "ahead of her time" by Jordan Peele "Compelling, persuasive, and useful no matter where

you are in your life."--Chelsea Handler, #1 New York Times bestselling author of Life Will Be the Death of Me "A bracingly honest, funny read . . . like Wild meets You Are a Badass."--Adam Grant, #1 New York Times bestselling author of Give and Take, Originals, and Option B By the time she was in her late twenties, Tara Schuster was a rising TV executive who had worked for The Daily Show with Jon Stewart and helped launch Key & Peele to viral superstardom. By all appearances, she had mastered being a grown-up. But beneath that veneer of success, she was a chronically anxious, self-medicating mess. No one knew that her road to adulthood had been paved with depression, anxiety, and shame, owing in large part to her minimally parented upbringing. She realized she'd hit rock bottom when she drunk-dialed her therapist pleading for help. Buy Yourself the F*cking Lilies is the story of Tara's path to re-parenting herself and becoming a "ninja of self-love." Through simple, daily rituals, Tara transformed her mind, body, and relationships, and shows how to * fake gratitude until you actually feel gratitude * excavate your emotional wounds and heal them with kindness * identify your self-limiting beliefs, kick them to the curb, and start living a life you choose * silence your inner frenemy and shield yourself from self-criticism * carve out time each morning to start your day empowered, inspired, and ready to rule * create a life you truly, totally f*cking LOVE This is the book Tara wished someone had given her and it is the book many of us desperately need: a candid, hysterical, addictively readable, practical guide to growing up (no matter where you are in life) and learning to love yourself in a non-throw-up-in-your-mouth-it's-so-cheesy way.

Summary the Universe Has Your Back by Gabrielle Bernstein: Transform Fear to Faith

“Gabrielle is the real thing. I respect her work immensely.” —Dr. Wayne Dyer “A new role model.” —The New York Times “I came to one of Bernstein’s monthly lectures and got my first look at the woman I’d one day unabashedly refer to as ‘my guru.’” —Elle From #1 New York Times bestselling author Gabrielle Bernstein comes a clear, proactive, step-by-step process to release the beliefs that hold you back from living a better life. This six-step practice offers many promises. Petty resentments will disappear, compassion will replace attack, the energy of resistance will transform into freedom and you’ll feel more peace and happiness than you’ve ever known. I can testify to these results because I’ve lived them. I’ve never felt more freedom and joy than I have when writing and practicing these steps. My commitment to healing my own relationship to judgment has changed my life in profound ways. My awareness of my judgment has helped me become a more mindful and conscious person. My willingness to heal these perceptions has set me free. I have been able to let go of resentments and jealousies, I can face pain with curiosity and love, and I forgive others and myself much more easily. Best of all, I have a healthy relationship to judgment so that I can witness when it shows up and I can use these steps to quickly return to love. The Judgment Detox is an interactive six-step process that calls on spiritual principles from the text A Course in Miracles, Kundalini yoga, the Emotional Freedom Technique (aka Tapping), meditation, prayer and metaphysical teachings. I’ve demystified these principles to make them easy to commit to and apply in your daily life. Each lesson builds upon the next to support true healing. When you commit to following the process and become willing to let go, judgment, pain and suffering will begin to dissolve. And the miracles will keep coming. Once you begin to feel better you start to release your resistance to love. The more you practice these steps, the more love enters into your consciousness and into your energetic vibration. When you’re in harmony with love, you receive more of what you want. Your energy attracts its likeness. So when you shift your energy from defensive judgment to free-flowing love your life gets awesome. You’ll attract exactly what you need, your relationships will heal, your health will improve and you’ll feel safer and more secure. One loving thought at a time creates a miracle. Follow these steps to clear all blocks, spread more love and live a miraculous life.

The Motivation Manifesto

There are a lot of gratitude books out there, but none quite like this, which comes with actual gifts: a sign, a totem, an answer, and a present from the natural world! Most of us believe we can think our way out of problems. We believe that if we just exert enough mental effort, we will pull up a solution to whatever ails us. And that has gotten us nowhere. So in this book, we're going to forget thinking . . . and start thanking. This playful but easy practice has the power to reconnect us with our true nature. When we observe the world from a place of gratitude, when we use our attention to spot beauty and gaze at wonder, we tune in to a frequency of magic. This joy channel is the most powerful on the planet and has the capability to radically change our lives. Brazen gratitude provides a portal—an entry point—straight into the heart of the

field of infinite possibilities described in Pam Grout's bestseller E-Squared. It enables you to align with the spaciousness of the cosmic energy field, the spaciousness that makes your life a love-shining prism. Thanking puts you on an energetic frequency—a vibration—that calls in miracles and will make you rich (in spirit), happy, and madly in love (with life). This book also offers a different perspective on abundance, which is not just financial capital. It shows readers how to grow and expand creative capital, social capital, rip-roaring good times capital, and much, much more!

Summary of The Universe Has Your Back Book by Gabrielle Bernstein

"Burchard reveals that the main motive of humankind is the pursuit of greater Personal Freedom. We desire the grand liberties of choice--time freedom, emotional freedom, social freedom, financial freedom, spiritual freedom. Only two enemies stand in our way: an external enemy, defined as the social oppression of who we are by the mediocre masses, and an internal enemy, a sort of self-oppression caused by our own doubt and fear. The march to Personal Freedom, Burchard argues, can be won only by declaring our intent and independence, stepping into our personal power, and battling through self-doubt and the distractions of the day until full victory is won"--

"Fascinating . . . memorable . . . revealing . . . perhaps the best of Carl Sagan's books."—The Washington Post Book World (front page review) In *Cosmos*, the late astronomer Carl Sagan cast his gaze over the magnificent mystery of the Universe and made it accessible to millions of people around the world. Now in this stunning sequel, Carl Sagan completes his revolutionary journey through space and time. Future generations will look back on our epoch as the time when the human race finally broke into a radically new frontier—space. In *Pale Blue Dot*, Sagan traces the spellbinding history of our launch into the cosmos and assesses the future that looms before us as we move out into our own solar system and on to distant galaxies beyond. The exploration and eventual settlement of other worlds is neither a fantasy nor luxury, insists Sagan, but rather a necessary condition for the survival of the human race. "Takes readers far beyond *Cosmos* . . . Sagan sees humanity's future in the stars."—Chicago Tribune

With his expert teachings, philosophical insights, and pragmatic imagery, world-class yoga instructor Tias Little turns the anatomy of the physical body into a tool for navigating the subtle body. If you spend considerable time doing yoga, you begin to see that it is about much more than just the body—the practice of yoga in fact reveals that the body is in no way separate from the psychospiritual forces that animate it. Tias Little here provides a way to understand these forces as they relate to an integrated yoga of body, mind, and spirit. He unites somatic concepts and wisdom teachings in this practical guide to the anatomy of the physical, mental, emotional, and subtle (or energetic) body. Little is a master teacher who offers us a guided tour of the body's structure and physical anatomy, then uses this new structural awareness as the basis for exploring the subtle body. In a meaningful and pragmatic way, the book maps the connection between the body and the rich symbolism that pervades the yogic imagination, including the chakras, nadis, and koshas. Further, Little offers readers clear, insightful yoga, pranayama, and meditation exercises that apply these body-mind principles.

Light Is The New Black is a guidebook for a new breed of women who are here to be bright lights in the world. These women are modern-day lightworkers, who agreed at soul level to be here at this time in history, to bring us into the Age of Light (lead by spirit and the divine feminine). At the Peace Conference in Canada in 2009, when the Dalai Lama said 'The world will be saved by the western woman', it was a call to action for women throughout the West. Light Is The New Black is a response to that call. It guides these women to come back home to who they really are, at soul level, and embrace their

uniqueness so they can light up the world in a way that only they can. Gone are the days of following someone else's well-trodden path. In order to succeed in this new age, everything must be an authentic expression of who we truly are. A down-to-earth, relatable mix of one girl's journey, channeled messages from The Universe, practical tools, and metaphysical marketing for this new social age, this book will reconnect you to the core of your being, so that you can use it to change the world--
