Named a Best Book by: TIME, Washington Post, Entertainment Weekly, NPR, Wired, Esquire, BuzzFeed, New York Public Library, Boston Globe, The Paris Review, Mother Jones, The A.V. Club, Out Magazine, Book Riot, Electric Literature, PopSugar, The Rumpus, My Republica, Paste, Bitch, Library Journal, Flavorwire, Bustle, Christian Science Monitor, Shelf Awareness, Tor.com, Entertainment Cheat Sheet, Roads and Kingdoms, Chicago Public Library, Hyphen Magazine, Entropy Magazine, The Chicago Review of Books, The Coil, iBooks, and Washington Independent Review of Books Winner of the Publishing Triangle's Randy Shilts Award for Gay Nonfiction * Recipient of the Lambda Literary Trustees' Award Finalist for the PEN/Diamonstein-Spielvogel Award for the Art of the Essay * Finalist for a Lambda Literary Award for Gay Memoir/Biography From the author of *The Queen of the Night*, an essay collection exploring his education as a man, writer, and activist—and how we form our identities in life and in art. As a novelist, Alexander Chee has been described as “masterful” by Roxane Gay, “incendiary” by the New York Times, and “brilliant” by the Washington Post. With *How to Write an Autobiographical Novel*, his first collection of nonfiction, he’s sure to secure his place as one of the finest essayists of his generation as well. *How to Write an Autobiographical Novel* is the author’s manifesto on the entangling of life, literature, and politics, and how the lessons learned from a life spent reading and writing fiction have changed him. In these essays, he grows from student to teacher, reader to writer, and

reckons with his identities as a son, a gay man, a Korean American, an artist, an activist, a lover, and a friend. He examines some of the most formative experiences of his life and the nation's history, including his father's death, the AIDS crisis, 9/11, the jobs that supported his writing—Tarot-reading, bookselling, cater-waiting for William F. Buckley—the writing of his first novel, *Edinburgh*, and the election of Donald Trump. By turns commanding, heartbreaking, and wry, *How to Write an Autobiographical Novel* asks questions about how we create ourselves in life and in art, and how to fight when our dearest truths are under attack.

Slam Dunk!

#1 New York Times Bestseller Over 1 million copies

sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-

talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

The 10X Rule

Named one of the best books of 2018 by The Washington Post, The Seattle Times, and The Advocate “Staggeringly brilliant . . . You’ll start The Maze of Windermere with bewilderment, but you’ll close it in awe.” —The Washington Post “Pitch perfect.” —New York Times Book Review When a drunken party guest challenges him to a late-night tennis match, Sandy Allison finds himself unexpectedly entangled in the monied world of Newport, Rhode Island. A former touring pro a little down on his luck, Sandy has nothing to stake against the vintage motorcycle his opponent wagers. But then Alice DuPont—the young heiress to a Newport mansion called Windermere—offers up her diamond necklace. With this reckless wager begins a dazzling narrative odyssey that braids together four centuries of aspiration and adversity in this renowned seaside society capital. A witty and urbane bachelor of the Gilded Age embarks on a high-risk scheme to marry into a fortune; a young Henry James, soon to make his mark on the world, turns himself to his craft with harrowing social consequences; an aristocratic British

officer during the American Revolution carries on a courtship that leads to murder; and, in Newport's earliest days, a tragically orphaned Quaker girl imagines a way forward for herself and the slave girl she has inherited. Gregory Blake Smith weaves these intersecting worlds into a rich, brilliant tapestry. A deftly layered novel of love, ambition, and duplicity, *The Maze at Windermere* charts a voyage across the ages into the maze of the human heart.

What Girls Are Made Of

An extraordinary literary event, a major new novel by the PEN/Faulkner winner and acclaimed master: a sweeping, seductive, deeply moving story set in the years after World War II. From his experiences as a young naval officer in battles off Okinawa, Philip Bowman returns to America and finds a position as a book editor. It is a time when publishing is still largely a private affair—a scattered family of small houses here and in Europe—a time of gatherings in fabled apartments and conversations that continue long into the night. In this world of dinners, deals, and literary careers, Bowman finds that he fits in perfectly. But despite his success, what eludes him is love. His first marriage goes bad, another fails to happen, and finally he meets a woman who enthralls him—before setting him on a course he could never have imagined for himself. Romantic and haunting, *All That Is* explores a life unfolding in a world on the brink of change. It is a dazzling, sometimes devastating labyrinth of love and ambition, a fiercely intimate account of the great shocks and grand pleasures of being alive.
