Area 51 It is the most famous military installation in the world. And it doesn't exist. Located a mere seventy-five miles outside of Las Vegas in Nevada's desert, the base has never been acknowledged by the U.S. government-but Area 51 has captivated imaginations for decades. Myths and hypotheses about Area 51 have long abounded, thanks to the intense secrecy enveloping it. Some claim it is home to aliens, underground tunnel systems, and nuclear facilities. Others believe that the lunar landing itself was filmed there. The prevalence of these rumors stems from the fact that no credible insider has ever divulged the truth about his time inside the base. Until now. Annie Jacobsen had exclusive access to nineteen men who served the base proudly and secretly for decades and are now aged 75-92, and unprecedented access to fifty-five additional military and intelligence personnel, scientists, pilots, and engineers linked to the secret base, thirty-two of whom lived and worked there for extended periods. In Area 51, Jacobsen shows us what has really gone on in the Nevada desert, from testing nuclear weapons to building super-secret, supersonic jets to pursuing the War on Terror. This is the first book based on interviews with eye witnesses to Area 51 history, which makes it the seminal work on the subject. Filled with formerly classified information that has never been accurately decoded for the public, Area 51 weaves the mysterious activities of the top-secret base into a gripping narrative, showing that facts are often more fantastic than fiction, especially when the distinction is almost impossible to make.

High Five

A fast-paced mystery with sizzling romantic tension between Stephanie Plum, her on-again-off-again boyfriend Joe Morelli and the magnetic, dangerous, Ranger.

Area 51

target, while working to choose between the two men in her life.

Twisted Twenty-Six

This gothic classic, "The Turn of the Screw" is one of the most famous ghost stories of all time. On Christmas Eve, Douglas reads a manuscript written by a former acquaintance, the governess, whom Douglas claims to have known and who is now dead. The manuscript tells the story of how the young governess is hired by a man who has become responsible for his young nephew and niece after the tragic deaths of their parents. He is uninterested in raising the children. The governess's new employer gives her full responsibility for the young siblings and explicitly states that he is not to be bothered with communications of any sort. Set in a remote estate this critically acclaimed novella tells the tale of a governess who, looking after two children, becomes convinced that the grounds are haunted. This story has been adapted many times for film and television, most recently in *The Turning* (2020). Famed for its ability to create an intimate sense of confusion and suspense, this novella is a must-read for all horror and ghost story fans.

Top Secret Twenty-One

#1 NEW YORK TIMES BESTSELLER • Don't miss Janet Evanovich's short story "Pros and Cons" in the back of the book. Catch a professional assassin: top priority. Find a failure-to-appear and collect big bucks: top score. How she'll pull it all off: top secret. Trenton, New Jersey's favorite used-car dealer, Jimmy Poletti, was caught selling a lot more than used cars out of his dealerships. Now he's out on bail and has missed his date in court, and bounty hunter Stephanie Plum is looking to bring him in. Leads are quickly turning into dead ends, and all too frequently into dead bodies. Even Joe Morelli, the city's hottest cop, is struggling to find a clue to the suspected killer's whereabouts. These are desperate times, and they call for desperate measures. So Stephanie is going to have to do something she really doesn't want to do: protect former hospital security guard and general pain in her behind Randy Briggs. Briggs was picking up quick cash as Poletti's bookkeeper and knows all his boss's dirty secrets. Now Briggs is next on Poletti's list of people to put six feet under. To top things off, Ranger—resident security expert and Stephanie's greatest temptation—has been the target of an assassination plot. He's dodged the bullet this time, but if Ranger wants to survive the next attempt on his life, he'll have to enlist Stephanie's help and reveal a bit more of his mysterious past. Death threats, highly trained assassins, highly untrained assassins, and Stark Street being overrun by a pack of feral Chihuahuas are all in a day's work for Stephanie Plum. The real challenge is dealing with her Grandma Mazur's wild bucket list. A boob job and getting revenge on Joe Morelli's Grandma Bella can barely hold a candle to what's number one on the list—but that's top secret. Praise for Top Secret Twenty-One "The combination of biting dialogue, outrageous characters and intense story lines are consistent throughout. And [Janet Evanovich] novels are the true definition of a guilty pleasure."—Associated Press "Evanovich doesn't disappoint. . . . [She] weaves setting, family, romance and crime to pull the plot of Top Secret Twenty-One forward."—Bookreporter

Takedown Twenty

Discover where it all began—#1 New York Times bestselling author Janet Evanovich's first "snappily written, fast-paced, and witty" (USA TODAY) novel in the beloved Stephanie Plum series featuring a feisty and funny heroine who "comes roaring in like a blast of very fresh air" (The Washington Post). Meet Stephanie Plum, a bounty hunter with attitude. In Stephanie's opinion, toxic waste, rabid drivers, armed schizophrenics, and August heat, humidity, and hydrocarbons are all part of the great adventure of living in Jersey. She's a product of the "burg," a blue-collar pocket of Trenton where houses are attached and narrow, cars are American, windows are clean, and (God forbid you should be late) dinner is served at six. Out of work and out of money, Stephanie blackmails her bail-bondsman cousin Vinnie into giving her a try as an apprehension agent. Stephanie knows zilch about the job requirements, but she figures her new pal, el-primo bounty hunter Ranger, can teach her what it takes to catch a crook. Her first assignment: nail Joe Morelli, a former vice cop on the run from a charge of murder one. Morelli's the inamorato who charmed Stephanie out of her virginity at age sixteen. There's still powerful chemistry between them, so the chase should be interesting...and could also be extremely dangerous.

The Mill River Recluse

PROS AND CONS by bestselling authors Janet Evanovich and Lee Goldberg - an engaging and tantalising short story introducing an FBI agent who's on the hunt, and a master con artist who's enjoying the chase. Not to be missed by readers of THE HEIST, THE SCAM and the Stephanie Plum mysteries. FBI special agent Kate O'Hare has made it her mission to nail international con artist Nicolas Fox. When she discovers his plot to plunder a venture capitalist's twentieth-story Chicago penthouse of all its cash and treasures while the self-proclaimed 'King of Hostile Takeovers' is getting married, Kate is 85 per cent - okay maybe 92 per cent - sure that she's finally going to bag Nick Fox. Problem is, first Kate has to convince her boss, building security, and maybe even herself, that wedding planner Merrill Stubing is actually Nicolas Fox. Second, she has to figure out how to corner and capture him without disrupting the event of the year. And third, what's going to happen once O'Hare finally gets her hands on Fox? It's going take a pro to catch a con before the fireworks over Lake Michigan go off.

Confessions of a Subprime Lender

In a handbook for aspiring writers, the best-selling author of the Stephanie Plum novels answers important questions about how she comes up with her plots, the creation of memorable characters, what the life of a full-time writer is like, what prospective writers need to know about the publishing industry, how to deal with rejection, and more. Original. 350,000 first printing.

Capital in the Twenty-First Century

For the past 60 years, the widow Mary McAllister has secluded herself in her marble mansion overlooking the town of Mill River, and only the priest, Father O'Brien, knows the deep secrets that keep Mary isolated—and that, once revealed, will forever change the community. Original.

The Turn of the Screw

The main driver of inequality—returns on capital that exceed the rate of economic growth—is again threatening to generate extreme discontent and undermine democratic values. Thomas Piketty's findings in this ambitious, original, rigorous work will transform debate and set the agenda for the next generation of thought about wealth and inequality.

One For The Money

Top Secret/Majic is the result of nuclear physicist and renowned UFO investigator Stanton T. Friedman's twenty-one year search for the truth about the mysterious Operation Majestic 12, President Truman's top-secret UFO investigation team. In this updated edition of his landmark book, he tells the incredible tale of the July, 1947 recovery of a crashed flying saucer near Roswell, New Mexico, and the establishment by President Truman of a truly all-star cast to deal with the saucer and its non-human inhabitants. The first four Directors of Central Intelligence, the first Secretary of Defense, and several outstanding scientists and military leaders were part of the team. Through painstaking research and startling evidence—including documents that have never before been published—Friedman effectively exposes the U.S. government's biggest-kept secret: a fifty-eight year UFO cover-up.

Top Secret Twenty-one

#1 NEW YORK TIMES BESTSELLER • In the heart of Trenton, N.J., a killer is out to make sure someone gets his just desserts. Larry Virgil skipped out on his latest court date after he was arrested for hijacking an eighteen-wheeler full of premium bourbon. Fortunately for bounty hunter Stephanie Plum, Larry is just stupid enough to attempt almost the exact same crime again. Only this time he flees the scene, leaving behind a freezer truck loaded with Bogart ice cream and a dead body—frozen solid and covered in chocolate and chopped pecans. As fate would have it, Stephanie’s mentor and occasional employer, Ranger, needs her to go undercover at the Bogart factory to find out who’s putting their employees on ice and sabotaging the business. It’s going to be hard for Stephanie to keep her hands off all that ice cream, and even harder for her to keep her hands off Ranger. It’s also going to be hard to explain to Trenton’s hottest cop, Joe Morelli, why she is spending late nights with Ranger, late nights with Lula and Randy Briggs—who are naked and afraid—and late nights keeping tabs on Grandma Mazur and her new fella. Stephanie Plum has a lot on her plate, but for a girl who claims to have “virtually no marketable skills,” these are the kinds of sweet assignments she does best.

The Wisdom of Crowds

Stephanie Plum faces the toughest puzzle of her career in the twenty-fifth entry in Janet Evanovich's #1 New York Times-bestselling series, now in paperback for the first time. There's nothing like a good deli, and the Red River Deli in Trenton is one of the best. World-famous for its pastrami, cole slaw, and for its disappearing managers. Over the last month, three have vanished from the face of the earth, and the only clue in each case is one shoe that's been left behind. The police are baffled. Lula is convinced that it's a case of alien abduction. Whatever it is, they'd better figure out what's going on before they lose their new manager, Ms. Stephanie Plum.

Four to Score

NEW YORK TIMES BESTSELLER • Janet Evanovich, bestselling author of the Stephanie Plum series, teams up with Emmy-winning writer Phoef Sutton for a brand-new series of mysteries featuring Emerson Knight and Riley Moon, a dynamic duo with instant and undeniable chemistry. Emerson Knight is introverted, eccentric, and has little to no sense of social etiquette. Good thing he’s also brilliant, rich, and (some people might say) handsome, or he’d probably be homeless. Riley Moon has just graduated from Harvard Business and Harvard Law. Her aggressive Texas spitfire attitude has helped her land her dream job as a junior analyst with mega-bank Blane-Grunwald. At least Riley Moon thought it was her dream job, until she is given her first assignment: babysitting Emerson Knight. What starts off as an inquiry about missing bank funds in the Knight account leads to inquiries about a missing man, missing gold, and a life-and-death race across the country. Through the streets of Washington, D.C., and down into the underground vault of the Federal Reserve in New York City, an evil plan is exposed. A plan so sinister that only a megalomaniac could think it up, and only the unlikely duo of the irrepressibly charming Emerson Knight and the tenacious Riley Moon can stop it. Praise for *Curious Minds* “The one-liners fly at a ferocious pace. . . . Evanovich fans will find this closer in style to the Stephanie Plum novels.”—Booklist

“Evanovich’s comedic timing and pacing are evident on every page.”—Daily Republic

Look Alive Twenty-Five

Lacking the money to open a bed and breakfast in her parents' summer house in Michigan, former magazine editor Kate takes a questionable undercover job from a brewery owner who wants to find out who has been sabotaging his company, a situation that is compromised by Kate's distaste for beer and her crush on her employer. Co-written the best-selling author of the Stephanie Plum series. 1 million first printing.

Top Secret/Majic

While working for her bail bondsman cousin, Vinnie, Trenton, New Jersey, bounty hunter Stephanie Plum finds herself hot on the trail of a revenge-seeking waitress who seems to be leaving a wide swath of murder and mayhem wherever she goes. Reprint. Tour.

Pros and Cons

Bounty hunter Stephanie Plum searches in vain for suspected killer Jimmy Poletti while unwillingly providing protection for Randy Briggs, Poletti's bookkeeper and next potential victim.

Fearless Fourteen

Relates the incredible adventures of Professor William Waterman Sherman who in 1883 sets off in a balloon across the Pacific, survives the volcanic eruption of Krakatoa, and is eventually picked up in the Atlantic. Reissue.

Tricky Twenty-Two

Stephanie chases after powerful mobster Salvatore "Uncle Sunny" Sunucchi, who is on the lam, and helps security specialist Ranger catch the killer of his top client's mother as a giraffe named Kevin runs wild in Trenton.

The Husband List

This isn't just another case. This is family. How far will Stephanie Plum go to protect the one person who means the most to her? The stakes have never been higher in this #1 New York Times bestseller from Janet Evanovich. Grandma Mazur has decided to get married again - this time to a local gangster named Jimmy Rosolli. If Stephanie has her doubts about this marriage, she doesn't have to worry for long, because the groom drops dead of a heart attack 45 minutes after saying, "I do." A sad day for Grandma Mazur turns into something far more dangerous when Jimmy's former "business partners" are convinced that his new widow is keeping the keys to a financial windfall all to herself. But the one thing these wise guys didn't count on was the widow's bounty hunter granddaughter, who'll do

anything to save her.

Hardcore Twenty-Four

A latest entry in the blockbuster series that most recently includes *Smokin' Seventeen* and *Explosive Eighteen* continues the adventures of the intrepid Stephanie Plum. By the best-selling author of the *Lizzy and Diesel* series. 800,000 first printing.

Top Secret Twenty-One

Two for the Dough is irresistible fun and powerful suspense entertainment from an acclaimed author who is already a national star. It's Stephanie Plum, New Jersey's "fugitive apprehension" agent (a.k.a. bounty hunter), introduced to the world by Janet Evanovich in the award-winning and bestselling novel *One for the Money*. Now Stephanie's back, armed with attitude—not to mention stun guns, defense sprays, killer flashlights, and her trusty .38, Stephanie is after a new bail jumper, Kenny Mancuso, a boy from Trenton's burg. He's fresh out of the army, suspiciously wealthy, and he's just shot his best friend. With her bounty hunter pal Ranger stepping in occasionally to advise her, Stephanie staggers knee-deep in corpses and caskets as she traipses through back streets, dark alleys, and funeral parlors. And nobody knows funeral parlors better than Stephanie's irrepressible Grandma Mazur, a lady whose favorite pastime is grabbing a front-row seat at a neighborhood wake. So, Stephanie uses Grandma as a cover to follow leads, but loses control when Grandma warms to the action, packing a cool pistol. Much to the family's chagrin, Stephanie and Granny may soon have the elusive Kenny in their sights. Fast-talking, slow-handed vice cop Joe Morelli joins in the case, since the prey happens to be his young cousin. And if the assignment calls for an automobile stakeout for two with the woman who puts his libido in overdrive, Morelli's not one to object. Low on expertise but learning fast, high on resilience, and despite the help she gets from friends and relatives, Stephanie eventually must face the danger alone when embalmed body parts begin to arrive on her doorstep and she's targeted for a nasty death by the most loathsome adversary she's ever encountered. Another case like this and she'll be a real pro.

Curious Minds

In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.

Story-Based Inquiry: A Manual for Investigative Journalists

In the post-September 11 world, Al Qaeda is no longer the central organizing force that aids or authorizes terrorist attacks or recruits terrorists. It is now more a source of inspiration for terrorist acts carried out by independent local groups that have branded themselves with the Al Qaeda name. Building on his previous groundbreaking work on the Al Qaeda network, forensic psychiatrist Marc Sageman has greatly expanded his research to explain how Islamic terrorism emerges and operates in the twenty-first century. In *Leaderless Jihad*, Sageman rejects the views that place responsibility for terrorism on society or a flawed, predisposed individual. Instead, he argues, the individual, outside influence, and group dynamics come together in a four-step process through which Muslim youth become radicalized. First, traumatic events either experienced personally or learned about indirectly spark moral outrage. Individuals interpret this outrage through a specific ideology, more felt and understood than based on doctrine. Usually in a chat room or other Internet-based venues, adherents share this moral outrage, which resonates with the personal experiences of others. The outrage is acted on by a group, either online or offline. *Leaderless Jihad* offers a ray of hope. Drawing on historical analogies, Sageman argues that the zeal of jihadism is self-

terminating; eventually its followers will turn away from violence as a means of expressing their discontent. The book concludes with Sageman's recommendations for the application of his research to counterterrorism law enforcement efforts.

Explosive Eighteen

Stephanie Plum finds herself in trouble when her seatmate on her Hawaii to Newark flight winds up dead and a motley collection of thugs, as well as the FBI, search for a photo the man was reportedly carrying--a photo that only Stephanie has seen.

Trivia-On-Books - Top Secret Twenty-One by Janet Evanovich

Out of bail skippers and rent money, Stephanie Plum throws caution to the wind and follows in the entrepreneurial footsteps of Super Bounty Hunter, Ranger, engaging in morally correct and marginally legal enterprises. So, a scumball blows himself to smithereens on her first day of policing a crack house and the sheik she was chauffeuring stole the limo. But hey, nobody's perfect! Anyway, Stephanie has other things on her mind. Her mother wants her to find Uncle Fred who's missing after arguing with his garbage company; homicidal rapist Benito Ramirez is back, quoting scripture and stalking Stephanie; vice cop Joe Morelli has a box of condoms with Stephanie's name on it; and Stephanie's afraid Ranger has his finger on her trigger. The whole gang's here for mirth and mayhem in Janet Evanovich's *High Five*. Read at your own risk in public places.

The Twenty-one Balloons

Janet Evanovich's #1 New York Times bestselling sensation Stephanie Plum returns in her twenty-fourth thriller as mutilated corpses litter the streets of New Jersey. Trouble comes in bunches for Stephanie Plum. First, professional grave robber and semi-professional loon, Simon Diggery, won't let her take him in until she agrees to care for his boa constrictor, Ethel. Stephanie's main qualification for babysitting an extremely large snake is that she owns a stun gun—whether that's for use on the wandering serpent or the petrified neighbors remains to be seen. Events take a dark turn when headless bodies start appearing across town. At first, it's just corpses from a funeral home and the morgue that have had the heads removed. But when a homeless man is murdered and dumped behind a church Stephanie knows that she's the only one with a prayer of catching this killer. If all that's not enough, Diesel's back in town. The 6-foot-tall, blonde-haired hunk is a man who accepts no limits—that includes locked doors, closed windows and underwear. Trenton's hottest cop, Joe Morelli isn't pleased at this unexpected arrival nor is Ranger, the high-powered security consultant who has his own plans for Stephanie. As usual Jersey's favorite bounty hunter is stuck in the middle with more questions than answers. What's the deal with Grandma Mazur's latest online paramour? Who is behind the startling epidemic of mutilated corpses? And is the enigmatic Diesel's sudden appearance a coincidence or the cause of recent deadly events?
