The United Methodist Book of Worship

This new book on worship by renowned hymn writer and professor Ruth C. Duck provides theological foundations for worship and explores the variety of ways Christians have adapted worship to various cultures to help them live faithfully and to communicate the Gospel to others. The author celebrates the many languages and cultural settings in which the Gospel has been, and is, preached, sung, and prayed. The goal of this volume is to support good pastoral and congregational reflection on what worship is and does. Consequently, Duck discusses many different forms of worship from several cultures (African-American, Asian, Euro-American) and offers advice on how to read a congregation and define its culture in order to plan culturally appropriate worship. Although the book does not offer prescriptive formulas or advise a single pattern of worship, it includes many practical suggestions for preparing and leading worship, including diverse ministries of music, movement, and visual arts that are becoming more popular today. From worship's theological

Download Free United Methodist Liturgical Colors For 2015

underpinnings, the book turns to worship leadership, forms of prayer, preaching, the sacraments, ordination, and various liturgies. Because of its emphasis on Spirit-led worship, this comprehensive book on Christian worship will be used for years to come not only as a core textbook for seminarians and ministry students from a variety of cultures and traditions, but also as a resource for local church pastors and laity who are dedicated to the enlivening of Christian worship.

the united methodist church's magazine

Author was close to Dr. Martin Luther King and deeply involved in the struggle against racism;; this book tells the fascinating history of the Black Church formed within the Methodist Church and its role today.

Fortress Introduction to Black Church History

From his beginnings as a humble carpenter to his all-important role as the earthly father of Jesus Christ, Joseph's place in the nativity story is sometimes overlooked but contains valuable lessons for all of us. Join Adam Hamilton as he examines Christmas through the eyes of Joseph. Absent from much of the biblical narrative, Joseph never spoke a word, but his courageous actions were crucial to the birth of Christ and God's salvation plan for humanity. As you read this book, you will understand how Joseph's story is much like our own. In life, we encounter circumstances that we would never have chosen for ourselves. At times it can be tempting just to walk away. Joseph provides us a great example of humbly obeying God even when we don't understand and faithfully moving forward in the strength that God provides. Exchange your doubt for courage this Advent and Christmas season. The story of Joseph provide us a great example of humbly obeying God even when we don't understand and faithfully moving forward in the strength that God provides. Additional components for a four-week adult study include a comprehensive Leader Guide and a DVD featuring

Journal of the General Conference of the Methodist Episcopal Church

Recreating lay people's experience of the religion of the pre-Reformation church, this text argues that late-medieval Catholicism was neither decadent nor decayed, but was a strong & vigorous tradition, & that the Reformation represented a violent rupture from a popular & thoroughly respectable religious system. Previous ed.: 1992.

The Book of Resolutions of The United Methodist Church 2016

The Book of Discipline sets forth the plan by which we United Methodists govern ourselves. It reflects our understanding of the Church and of what is expected of its laity and clergy as they seek to be effective witnesses in the world as a part of the whole body of Christ. The Discipline includes our church Constitution, our history, our doctrinal standards, and our mission to make disciples of Jesus Christ, as well as practical processes through which our congregations connect and support each other to reach the world.

Hanciles does yeoman work in part one synthesizing studies on the impact of globalization, revealing that its outcomes will likely not be determined by the Euro-American heartlands that sparked this movement. Instead, in parts two he shows that migration in general is having an enormous effect on shaping a new world order, and in part three, "Mobile Faith," he advances the case for the migration of Christians as carrying within it the seeds of renewal for the whole church and also the potential to reshape church-state and religion and culture relations globally.
